STATE BUDGET
2025-26

BUDGET PAPER 1: BUDGET OVERVIEW

A summary publication capturing all highlights from the 2025-26 Budget.

BUDGET PAPER 2: BUDGET SPEECH

A copy of the Treasurer's speech, delivered to Parliament.

BUDGET PAPER 3: BUDGET STATEMENT

A financial report presenting the state government's current and estimated future economic performance, fiscal strategy, budget priorities, expenditure, revenue, assets, liabilities, risks and government business.

BUDGET PAPER 4: AGENCY STATEMENTS | VOLUMES 1, 2, 3, 4

Various financial reports presenting the state government's current and estimated revenue, expenses and performance by agency.

BUDGET PAPER 5: BUDGET MEASURES STATEMENT

A financial report detailing the state government's expenditure, savings and revenue initiatives.

ACKNOWLEDGEMENT OF COUNTRY

We acknowledge Aboriginal people as the state's first peoples, nations and Traditional Owners of South Australian land and waters. We recognise that their unique cultural heritage, customs, spiritual beliefs and relationship with the land are of ongoing importance today, and we pay our respects to Elders past, present and emerging leaders of the future.

Definitions

Agency

An agency is an administrative unit created under the *Public Sector Act 2009* or a statutory authority that is accountable for the delivery of programs on behalf of the government.

Programs and sub-programs

A program is a group of related activities that contribute to achieving one of an agency's objectives and, in turn, the government's objectives. Many programs are further divided into sub-programs with more specific objectives.

Overview

The agency statements outline projected agency activity and performance for 2025-26. Each agency statement conforms to the following standard presentation structure:

- Objective — outlines the agency's objectives
- Ministerial responsibilities — identifies the minister responsible for each program/sub-program and identifies any items administered by the agency on behalf of the minister(s)
- Ministerial office resources — details the resources provided to ministerial office(s)
- Workforce summary — summarises the agency's workforce
- Program net cost of services summary — summarises the net cost of agency programs
- Key agency outputs — summarises services provided
- Investing expenditure summary — summarises investing expenditure for the agency
- Program/sub-program information — for each agency program/sub-program, provides a description/objective, program summary (income, expenses and full-time equivalents), financial commentary, highlights and targets, performance and activity indicators
- Financial statements — budgeted financial statements for controlled and administered items
- Summary of major variations — explanation of significant movements not included at the program/sub-program level.

Presentation of changes in program structures

Where a program or function is transferred between agencies, program information for previous years is reflected in the current program structure of the receiving agency.

In contrast, the agency financial statements are based on the actual program structure for the agency as it operated or is expected to operate in each year. This distinction in treatment is drawn so that financial statements accurately reflect events while, at the same time, program information is comparable and not duplicated.

Reconciliation of the financial statements to the current program structure is contained in the program net cost of services summary located at the beginning of each relevant agency section.

Financial statements

The estimated financial statements included in the 2025-26 Agency Statements are estimates which include, for each agency, a statement of comprehensive income, a statement of financial position and a statement of cash flows.

The presentation of these estimated financial statements is consistent with the requirements of *AASB 101 Presentation of Financial Statements* and *AASB 107 Statement of Cash Flows*.

Estimates in these financial statements have been prepared:

- on a basis that is consistent with Treasurer's Instructions and Australian Accounting Standards applicable for the 2025-26 financial year,
- on an accrual basis, except for the statement of cash flows which has been derived from the statement of comprehensive income and statement of financial position to reflect cash payments and receipts, and
- using historical costs as the measurement basis, except for certain assets and liabilities that are measured in accordance with the financial reporting policies applicable.

Consistent with Australian Accounting Standards, estimated transactions and balances that are controlled are budgeted for, and reported on, separately to estimated transactions and balances which are administered but not controlled by the agency.

Ministerial responsibilities

The ministerial responsibilities table provides a comprehensive list of the agencies and programs which fall under the responsibility of each minister, and is presented in Ministerial Order of Precedence.

Minister	Agency	Programs
The Hon. PB Malinauskas Premier	Department of the Premier and Cabinet	1. Premier and Cabinet Policy and Support

Objective

For the purpose of this statement, the Department for Health and Wellbeing comprises the Department for Health and Wellbeing, Central Adelaide Local Health Network, Northern Adelaide Local Health Network, Southern Adelaide Local Health Network, Women's and Children's Health Network, Barossa Hills Fleurieu Local Health Network, Eyre and Far North Local Health Network, Flinders and Upper North Local Health Network, Riverland, Mallee and Coorong Local Health Network, Limestone Coast Local Health Network, Yorke and Northern Local Health Network, SA Ambulance Service, Commission on Excellence and Innovation in Health and Preventive Health SA, with transactions occurring between these entities.

The program structure in the Agency Statements primarily reflects the governance arrangements within the Department for Health and Wellbeing as at June 2025. The Department for Health and Wellbeing is responsible for the overall management and strategic direction of the South Australian health system. The local health networks are responsible for the provision of health services in accordance with the *Health Care Act 2008* and performance agreements.

The Commission on Excellence and Innovation in Health provides strategic leadership and advice on excellence and innovation in healthcare. Preventive Health SA is responsible for leading changes to ensure a greater focus on prevention, improve physical, mental and social wellbeing to reduce the preventable burden of disease.

Ministerial responsibilities

Key agency outputs

SA Health provides the following services to the community:

- statewide public hospital and community health services
- environmental health, communicable diseases, epidemiology
- health promotion and education
- statewide pathology services
- statewide drug and alcohol services
- statewide emergency and ambulatory services
- organ donation
- other health services to the South Australian community.

Investing expenditure summary

The 2025-26 investment program is $1037.2 million.

The program represents significant investment in health infrastructure through the continued delivery of numerous major initiatives across metropolitan, peri-urban and regional areas including for the SA Ambulance Service.

Further investment in new initiatives totalling $14.5 million will commence in 2025-26. In partnership with the Commonwealth Government, it will deliver additional equipment including two new PET scanners to the western and southern suburbs, infrastructure and systems to support the establishment of a statewide cancer network aimed at maximising cancer prevention, early detection, and transforming cancer care delivery ($14.0 million) and aged care infrastructure upgrades at the Charla Lodge Bordertown Memorial Hospital ($0.5 million).

The investing program will continue the implementation of existing major investing initiatives, including the progression of construction works for the new Mount Barker Hospital ($98.5 million) and continuing construction of the main building works for the Flinders Medical Centre expansion ($144.2 million).

A significant number of investment initiatives are scheduled for completion in 2025-26, including the delivery of 72 additional mental health rehabilitation beds across the Queen Elizabeth Hospital ($10.3 million), Noarlunga Hospital ($16.6 million) and the Modbury Hospital Health Precinct ($52.2 million) which will also deliver a multi deck car park. The Northern Crisis Stabilisation Centre ($11.3 million) and Community Drug and Rehabilitation Beds ($3.1 million) will also deliver additional mental health services in the northern area.

Additional bed capacity will be delivered through specific initiatives including the provision of 20 additional general inpatient beds at the Lyell McEwin Hospital ($8.0 million) and 36 additional surgical and general inpatient beds at Queen Elizabeth Hospital ($12.7 million) to relieve pressure on the hospital system. In the north, an additional 21 chairs will be delivered which will expand renal haemodialysis dialysis ($11.0 million) in the area.

A number of regional health facilities will be delivered over 2025-26 with projects at Mount Gambier Hospital ($3.0 million), Port Augusta Hospital ($3.8 million), Whyalla Hospital ($2.7 million), Port Pirie Hospital ($13.5 million), Naracoorte Hospital ($1.6 million), Southern Fleurieu Health Service ($5.0 million) and Kingscote Hospital ($3.3 million).

Significant investment in SA Ambulance Service will continue with the ongoing delivery of new Ambulance Stations at Marion, Two Wells and Whyalla and completion of various new, rebuilt and upgraded stations ($29.7 million). The SAAS Precinct will be completed with delivery of the new Emergency Operations Centre / State Health Control Centre and Ambulance Station ($56.4 million) at Mile End South.

Progression in delivering the new Women's and Children's Hospital will continue to occur ($430.2 million) along with delivery of works to further sustain the existing Women's and Children's Hospital ($16.6 million) focusing on upgrading the Paediatric Intensive Care Unit and aluminium composite panelling replacement.

Total investing expenditure		**5 683 274**	**1 037 235**	**774 226**	**864 191**

(a) The total project cost is representative of the total project cost except where operating expenses associated with the project contribute additional costs greater than 10 per cent of the investing cost, whereby the full cost is then reflected as an additional note.

(b) The new Gawler Health Service emergency department opened in 2023-24 and the existing emergency department refurbishment completed and financial finalisation in 2024-25.

(c) Practical completion for Port Pirie Hospital Emergency Department Upgrade is Dec 2025 and the Clinical Simulation Training Laboratory is Jun 2026.

(d) Operational commencement 2025-26.

(e) Project practical completion date is for the Stepdown Transitional Accommodation project within the Repatriation Health Precinct.

(f) Practical completion is for the Kalimna projects.

(g) Project practical completion date in 2023-24, financial finalisation in 2024-25.

(h) Project practical completion date in 2025-26, financial finalisation in 2026-27.

Program 1: Policy, Clinical Services, System Improvement and Administration

Description/objective

Responsible for health policy and promotion, clinical services and administration associated with the provision of health services across South Australia.

Sub-programs

1.1 Public Health

1.2 Chief Psychiatrist and Mental Health Strategy

1.3 Strategy and Governance

1.4 Clinical System Support and Improvement

1.5 Commissioning and Performance

1.6 Corporate Services and Digital Health SA

Sub-program 1.1: Public Health

Description/objective

Responsible for health system regulation, licensing, disease control and emergency management associated with the provision of health services across South Australia.

Highlights 2024-25

- Delivered a modernised public health structure including the Healthier Together 2023-2025 strategic plan.
- Progressed development of the South Australian Public Health Plan 2025-2030 with formal involvement of the South Australian Public Health Council (SAPHC).
- Progressed development of the SA Human Immunodeficiency Virus (HIV) Implementation Plan 2025-2030 and the South Australian Hepatitis C Model of Care review.
- Progressed review of the Sexually Transmissible Infections and Blood Borne Virus (STIBBV) Planning Framework in line with evolving need and disease trends.
- Strengthened the Disaster Management Branch with primary focus on upskilling and building emergency response systems, skills and capability across SA Health.
- Successfully transferred the responsibility for tobacco and vaping supply controls from SA Health to Consumer and Business Services, with additional resources allocated to scale up response to implement the prohibition of recreational vaping products and illicit tobacco. SA Health retained the role of regulating tobacco and e-cigarette use and continues to be involved in national level committees on further measures to restrict the supply of illicit tobacco and vaping products.

Targets 2025-26

- Complete development and release of the South Australian Public Health Plan 2025-2030.
- Coordinate and support the implementation of strategic and regulatory initiatives under the SA Health Climate Change Framework, including but not limited to leading carbon management planning and climate risk assessment.
- Commence implementation of the 2025-2030 National Immunisation Strategy in South Australia.
- Complete the implementation of a statewide response to help eliminate the spread of Tuberculosis in Aboriginal communities across South Australia.
- Modernise the Chief Public Health Officer's report into a fully digitalised format with an ability to draw contemporaneous data in publicly accessible formats.

	2025-26 Budget	2024-25 Estimated Result	2024-25 Budget	2023-24 Actual
	$000	$000	$000	$000
Income	**61 606**	60 347	58 187	62 054
Expenses	**135 368**	139 671	130 783	145 105
Net cost of sub-program	**73 762**	**79 324**	**72 596**	**83 051**
FTEs as at 30 June (No.)	**180**	169	178	145

Explanation of significant movements

The $4.3 million decrease in expenses between the 2025-26 Budget and 2024-25 Estimated Result is primarily due to:

- timing of expenditure associated with the 2025 Respiratory Syncytial Virus (RSV) monoclonal antibody (mAb) Immunisation Program for newborns and children at higher risk aged up to 24 month ($1.6 million)
- timing of expenditure associated with the vaccination program, and surveillance, control and mitigation measures addressing the Japanese Encephalitis Virus ($1.4 million).

The $2.2 million increase in income between the 2024-25 Estimated Result and 2024-25 Budget is primarily due to:

- growth in Commonwealth Government Essential Vaccines incentive funding ($1.0 million)
- extension of the Commonwealth Government funding and associated increased expenditure in the OzFoodNet Program, the Vaccine Preventable Disease Surveillance Program and the National Antimicrobial Utilisation Surveillance Program ($0.7 million).

The $8.9 million increase in expenses between the 2024-25 Estimated Result and 2024-25 Budget is primarily due to:

- additional support provided in 2024-25 for addressing growth in demand and the cost of providing services across the health system
- the implementation of 2025 Respiratory Syncytial Virus (RSV) monoclonal antibody (mAb) Immunisation Program for newborns and children at higher risk aged up to 24 month ($2.9 million)
- timing of expenditure associated with the vaccination program, and surveillance, control and mitigation measures addressing the Japanese Encephalitis Virus ($1.4 million)
- additional support to execute the two year contract extension for the essential donation and transplant laboratory support services ($1.2 million)
- additional support, warehousing and distribution costs associated with the Essential Vaccines Federation Funding Agreement ($1.0 million).

The $5.4 million decrease in expenses between the 2024-25 Estimated Result and 2023-24 Actual Result is primarily due to demand in the vaccine program.

Performance indicators

	2025-26 Target	2024-25 Estimated Result	2024-25 Target	2023-24 Actual
% of food businesses in compliance with food safety standards	**95%**	95%	95%	94%
No. of food samples analysed *The number of samples collected each year is made up of planned surveys and samples collected as part of food borne disease investigations.*	**800**	800	800	335

% of children fully immunised at age two years	**95%**	92%	95%	92%
No. of vaccines dispensed *These figures do not include any vaccinations relating to COVID-19.*	**1 250 000**	1 250 000	1 200 000	1 230 496
No. of providers supplying valid vaccination information to the Australian Immunisation Register AIR-06C Report *Source: Australian Immunisation Register AIR-06C Report.*	**3 500**	3 450	3 500	3 433
No. of red blood cell packs issued to South Australia	**60 000**	58 550	58 560	57 937
Average time for blood lead level results to be available	**1 week**	1 week	1 week	1 week

Activity indicators

	2025-26 Projection	2024-25 Estimated Result	2024-25 Projection	2023-24 Actual
% of children tested for blood lead levels in Port Pirie	**81%**	84%	82%	83%

Sub-program 1.2: Chief Psychiatrist and Mental Health Strategy

Description/objective

Responsible for the coordination of mental health and substance abuse strategies with a focus on engaging with the mental health sector and health services across South Australia to promote the knowledge of mental health issues within the community.

Highlights 2024-25

- Continued implementing the state government's commitments under the Bilateral Schedule on Mental Health and Suicide Prevention.
- Continued review of the *Mental Health Act 2009*.

Targets 2025-26

- Deliver the Aboriginal social and emotional wellbeing centre and Kids Hub under the Bilateral Schedule on Mental Health and Suicide Prevention.
- Finalise the *Mental Health Act 2009* review.
- Complete the development of the "Equally Well" Physical Health and Mental Health Standard.

	2025-26 Budget	2024-25 Estimated Result	2024-25 Budget	2023-24 Actual
	$000	$000	$000	$000
Income	**17 154**	13 292	16 915	4 563
Expenses	**33 856**	26 889	34 554	17 257
Net cost of sub-program	**16 702**	**13 597**	**17 639**	**12 694**
FTEs as at 30 June (No.)	**37**	41	34	13

Explanation of significant movements

The $3.9 million increase in income between the 2025-26 Budget and 2024-25 Estimated Result is primarily due to timing of Commonwealth Government revenue associated with the Bilateral Schedule on Mental Health and Suicide Prevention initiatives.

The $7.7 million decrease in expenses between 2024-25 Estimated Result and 2024-25 Budget primarily relates to timing of the Bilateral Schedule on Mental Health and Suicide Prevention initiatives and the Mental Health Support Package for additional housing for people living with a psychosocial disability to live independently whilst accessing appropriate support.

The $8.7 million increase in income between the 2024–25 Estimated Result and 2023-24 Actual is primarily due to timing of Commonwealth Government revenue associated with the Bilateral Schedule on Mental Health and Suicide Prevention initiatives.

Sub-program 1.3: Strategy and Governance

Description/objective

Responsible for coordinating strategic leadership, legal and policy development, intergovernmental relations, supporting priority population groups in particular Aboriginal communities and vulnerable children across South Australia.

Highlights 2024-25

- Established the Western Suburbs Place-Based Partnership Steering Committee, which SA Health co-chairs in partnership with the SA Aboriginal Community Controlled Organisation Network (SAACCON) in alignment with Priority Reform One of the National Agreement on Closing the Gap.
- Launched the Aboriginal Health Governance and Accountability Framework establishing a tiered system of accountability in SA Health led by the Aboriginal Health Systems Leadership Group inclusive of the Aboriginal Health Council of South Australia (AHCSA).
- Established the public-facing online Donor Conception Register under the *Assisted Reproductive Treatment Act 1988*.
- Developed a shared vision with the Department for Child Protection on best practice when an infant needs alternative guardianship arrangements early in life.
- Commenced development of common strategies to prevent infant removals from SA Health birthing hospitals, and/or improve the consumer and staff experience.

Targets 2025-26

- Develop the SA Health Strategy 2025-2030.
- Lead negotiations for the five year National Health Reform Agreement.
- Reduce the prevalence of infant removals by developing practice improvements, supported by improved policies in collaboration with Department for Child Protection.
- Establish partnership agreements between SA Health and Aboriginal Health Community Controlled Health Organisations through a co-design process with the AHCSA.
- Establish the Aboriginal Health and Wellbeing Partnership Committee with the SAACCON which will oversee SA Health commitments to Closing the Gap — South Australia's Implementation Plan 2024-26.

	2025-26 Budget	2024-25 Estimated Result	2024-25 Budget	2023-24 Actual
	$000	$000	$000	$000
Income	**8 049**	7 552	6 582	6 547
Expenses	**64 307**	79 081	59 178	130 223
Net cost of sub-program	**56 258**	**71 529**	**52 596**	**123 676**
FTEs as at 30 June (No.)	**77**	73	82	83

Explanation of significant movements

The $19.9 million increase in expenses between the 2024-25 Estimated Result and 2024-25 Budget is primarily due to:

- additional costs associated with providing insurance services in 2024-25 ($11.3 million).
- realignment of resources within SA Health to support the new operational structure of the Aboriginal Health Branch ($3.6 million)
- additional expenditure for the Strengthening Medicare — Supporting Older Australians (SA) Federation Funding Agreement ($2.2 million).

The $51.1 million decrease in expenses between the 2024-25 Estimated Result and 2023-24 Actual Result is primarily due to 2023-24 accounting adjustments associated with insurance revaluation provision movement.

Performance indicators

	2025-26 Target	2024-25 Estimated Result	2024-25 Target	2023-24 Actual

Aboriginal employment activities implemented:				
• no. of new recipients	**10**	12	14	15
• no. of scholarship graduates	**11**	10	9	10
• no. of Aboriginal scholarship participants	**37**	38	42	46
% Aboriginal people who self-discharge from admitted patient care	**3.0%**	5.5%	3.0%	4.9%

Sub-program 1.4: Clinical System Support and Improvement

Description/objective

Responsible for delivery of services related to clinical systems and support with a focus on implementing service reform strategies by public health services across South Australia designed to improve health care services.

Highlights 2024-25

- Completed and published the clinical prioritisation criteria for an additional 16 specialties, bringing the total number of specialties published to 32 out of a total 40.
- Formalised and promoted opportunities for nurses and midwives to refresh skills and re-enter the workforce through refresher and re-entry programs.
- Completed the review of the Transition to Professional Practice model, which are specially structured training and development programs aiming to transition nurse and midwifery graduates into professional practice as registered nurses and midwives.
- Continued to expand the State Health Coordination Centre, moving from data reporting to actionable insights and linking real time flow tools to clinical decision supports for targeted flow strategies.
- Continued to implement visual management tools to support patient care progression, including the Statewide interfacility transfer dashboards and eForm, and the regional repatriation clinical decision support tool.

Targets 2025-26

- Advance the elective surgery recovery strategy for South Australia by developing a comprehensive roadmap, with detailed planning of enhancement strategies to reduce overdue elective surgeries and colonoscopies and improve timely access to care.
- Continue the Community Pharmacy Expanded Scope of Practice initiative to provide South Australian consumers with timely access to quality healthcare, and to promote sustainability of the health system.
- Improve consumer flow and experience through Nursing and Midwifery Scope of Practice reform, including, introduction of a Designated RN Prescriber in Partnership model, enhancements to the Nurse Initiated X-Ray program and through an uplift in the number of endorsed midwives.
- Implement the Geriatric Outreach Service across all South Australian public hospitals to support timely discharge of older patients who are medically ready to leave hospital and reduce unnecessary hospital representations.

	2025-26 Budget	2024-25 Estimated Result	2024-25 Budget[(a)]	2023-24 Actual
	$000	$000	$000	$000
Income	**6 470**	11 763	10 281	11 017
Expenses	**146 348**	162 967	127 255	133 922
Net cost of sub-program	**139 878**	**151 204**	**116 974**	**122 905**
FTEs as at 30 June (No.)	**241**	237	227	209

Explanation of significant movements

The $5.3 million decrease in income between the 2025-26 Budget and 2024-25 Estimated Result is primarily due to timing of Commonwealth Government revenue associated with the Primary Care Pilot and Comprehensive Palliative Care in Aged Care Federation Funding Agreements.

The $16.6 million decrease in expenses between the 2025-26 Budget and 2024-25 Estimated Result is primarily due to additional expenditure in 2024-25 to support the increasing levels of demand for the My Home Hospital Program ($14.1 million) and the increased expenditure in expanding 24-hour pharmacies from three locations to four locations ($0.7 million).

The $35.7 million increase in expenses between the 2024-25 Estimated Result and 2024-25 Budget is primarily due to additional funding to address increasing levels of demand in the My Home Hospital program to support home based care.

Performance indicators

	2025-26 Target	2024-25 Estimated Result	2024-25 Target	2023-24 Actual
No. of intern placements *In Australia, all medical graduates must successfully complete an internship before becoming generally registered with the Medical Board of Australia. Interns are only permitted to work in accredited positions. An internship is a key part of the transition from medical school to independent practice and specialty training, focussing on practical training under supervision from senior colleagues, who provide support, feedback, teaching, and assessment. The Medical Board of Australia sets the broad structure for intern training in its registration standard. The total duration of internship is 47 weeks (full-time equivalent).*	**353**	313	320	285

Activity indicators

	2025-26 Projection	2024-25 Estimated Result	2024-25 Projection	2023-24 Actual

Sub-program 1.5: Commissioning and Performance

Description/objective

Responsible for the coordination of health system management with an operational focus on integrated commissioning, purchasing, performance management, and relationship management for all providers of public health services across South Australia.

Highlights 2024-25

- Developed a Data Governance Framework for SA Health.
- Improved access to local services for regional patients, with self-sufficiency rates for regional Local Health Networks increasing by 1.3% in 2024-25, resulting in an additional 5 700 patients receiving care locally.
- Developed the SA Cancer Plan 2025-2029.

Targets 2025-26

- Deliver the Clinical Services Capability Framework.
- Deliver a data strategy for SA Health.
- Develop and implement a sustainable commissioning and performance plan and accompanying reporting framework for SA Health.

	2025-26 Budget	2024-25 Estimated Result	2024-25 Budget[(a)]	2023-24 Actual
	$000	$000	$000	$000
Income	**6 710**	4 005	4 712	4 701
Expenses	**123 602**	126 669	124 548	122 511
Net cost of sub-program	**116 892**	**122 664**	**119 836**	**117 810**
FTEs as at 30 June (No.)	**124**	133	123	107

Explanation of significant movements

The $3.1 million decrease in expenses between the 2025-26 Budget and 2024-25 Estimated Result is primarily due to timing of expenditure associated with delivering the South Australia Primary Care Pilot, Health System Navigation through Healthdirect and the Nurse Practitioner Primary Care Pilot to divert patients from emergency departments.

The $4.2 million increase in expenses between the 2024-25 Estimated Result and 2023-24 Actual Result is primarily due to increased expenditure for the management and provision of a 20-bed discharge support service in partnership with the not-for-profit sector, offering patients experiencing homelessness a stable recovery ($2.3 million).

Sub-program 1.6: Corporate Services and Digital Health SA

Description/objective

Responsible for delivery of services related to finance, procurement and supply chain, workforce services, media and communications, infrastructure and information technology.

Highlights 2024-25

- Completed the statewide activations of the Sunrise Electronic Medical Records and Patient Administration System.
- Completed deployment of an Enterprise Chemotherapy Prescribing System (iQemo) across all in-scope sites across the state.
- Progressed iQemo paediatric development and build of systemic cancer therapy protocols.
- Completed activation of the Statewide Referral Management System (SRMS) at Central Adelaide Local Health Network to enable general practitioners to digitally refer to SA Health outpatient clinics.
- Approved Data Analytics Platform (DAP) as the cloud platform for whole of SA Health data and analytics with Data and Analytics Capability model developed.
- Developed interoperability capabilities to improve continuity of patient care in line with the National Digital Health Strategy & Roadmap.
- Completed ICT infrastructure improvements across seven metropolitan emergency departments.
- Progressed implementation of the Learning Management System across all SA Health entities.

Targets 2025-26

- Deliver on the government's election commitment to implement the (South Australian) Nurse to Patient Ratios legislation with the introduction of a bill into Parliament.
- Deliver on the government's election commitment to develop a long-term plan to address workforce shortages.
- Investigate an enterprise Medical Rostering System for implementation across Local Health Networks, for in scope employees and supporting end to end integration with Shared Services SA for payroll functions.
- Implement core network infrastructure upgrades to provide a more resilient ICT communications capacity across the enterprise.
- Expand the statewide Referral Management System at Southern Adelaide Local Health Network and Northern Adelaide Local Health Network to provide a single e-referral platform for SA Health.
- Implement advanced analytics tools to enhance spending insights, identify efficiencies and optimise procurement strategies.
- Expand and develop a health-specific database for SA Health to increase visibility and opportunities for Aboriginal suppliers.
- Establish a new cyber security operating model, improve cyber security capabilities, better protection, and service responsiveness, including a Security Operations Centre for Digital Services.
- Finalise the implementation of the Learning Management System across all SA Health entities.

	2025-26 Budget	2024-25 Estimated Result	2024-25 Budget[(a)]	2023-24 Actual
	$000	$000	$000	$000
Income	**88 064**	101 202	89 243	14 699
Expenses	**479 128**	574 439	496 924	497 660
Net cost of sub-program	**391 064**	**473 237**	**407 681**	**482 961**
FTEs as at 30 June (No.)	**997**	997	975	1 003

Explanation of significant movements

The $13.1 million decrease in income between the 2025-26 Budget and 2024-25 Estimated Result is primarily due to funding received from the digital investment fund for the SA Ambulance Service — Electronic Patient Care Record System (ePCR) initiative.

The $95.3 million decrease in expenses between the 2025-26 Budget and 2024-25 Estimated Result is primarily due to:

- additional expenditure provided in 2024-25 to support growing demand and cost in delivering support to the health system ($63.5 million)
- completion of the Electronic Medical Records System project for expansion across regional Local Health Networks ($15.3 million)
- additional expenditure in 2024-25 to support delivering the new Statewide Eating Disorders Service at the Repatriation Health Precinct site ($5.0 million).

The $12.0 million increase in income between the 2024-25 Estimated Result and 2024-25 Budget is primarily due to:

- funding received from the digital investment fund for the SA Ambulance Service — Electronic Patient Care Record System (ePCR) initiative ($9.8 million)
- additional Commonwealth Government revenue to support delivery of the new Statewide Eating Disorders Service at the Repatriation Health Precinct site ($2.5 million).

The $77.5 million increase in expenses between the 2024-25 Estimated Result and 2024-25 Budget is primarily due to additional expenditure provided in 2024-25 to support growth in demand and the cost of providing support services to the health system.

The $86.5 million increase in income between the 2024-25 Estimated Result and 2023-24 Actual Result is primarily due to:

- timing of Commonwealth Government revenue associated with the Flinders Medical Centre upgrade and expansion ($59.5 million), capital redevelopments under the Community Health and Hospital Program ($7.6 million), new Statewide Eating Disorders Service at the Repatriation Health Precinct site ($2.5 million), and capital redevelopments under the South Australian Regional Cancer Treatment Centre for Radiation Therapy Federation Funding Agreement ($2.3 million)
- funding received from the digital investment fund for the SA Ambulance Service — Electronic Patient Care Record System (ePCR) ($9.8 million)
- timing of project funding contribution for the Kangaroo Island Health Service — Workforce Accommodation capital project ($4.0 million).

Program 2: Health Services

Description/objective

The provision of hospital-based tertiary care and other acute services as well as rehabilitation, mental health and other community health services within the metropolitan and country areas, the provision of grants to non-government organisations for the provision of health services, and responsibility for Aboriginal controlled primary health services in Ceduna, Port Augusta and surrounding country areas.

Sub-programs

2.1 Central Adelaide Local Health Network

2.2 Northern Adelaide Local Health Network

2.3 Southern Adelaide Local Health Network

2.4 Women's and Children's Health Network

2.5 Barossa Hills Fleurieu Local Health Network

2.6 Eyre and Far North Local Health Network

2.7 Flinders and Upper North Local Health Network

2.8 Riverland Mallee Coorong Local Health Network

2.9 Limestone Coast Local Health Network

2.10 Yorke and Northern Local Health Network

2.11 SA Ambulance Service

Sub-program 2.1: Central Adelaide Local Health Network

Description/objective

The provision of hospital-based tertiary care including medical, surgical and other acute services, rehabilitation, mental and palliative health and other community health services to veterans and other persons living within the central Adelaide metropolitan area, and pathology, medical imaging and pharmacy services to hospital and community services throughout South Australia. The provision of dental and breast screening services to people living throughout South Australia.

Highlights 2024-25

- Improved the operational flow across Central Adelaide Local Health Network through the deployment of 24/7 Direct to Bed model of inbound interfacility patient transfers, establishment of a Royal Adelaide Hospital Discharge Lounge, a new 'Care of the Older Person and Community Transition' (CO-ACT) service at Hampstead, and improved SA Ambulance patient transport booking compliance.
- Opened services in the Kangkanthi building at the Queen Elizabeth Hospital with the successful relocation of around 1800 staff and patients. The services will result in improved patient access and outcomes in the western suburbs.
- Opened the second Hospital Avoidance and Discharge Support Service (now known as BRIGHT) in the western suburbs as a part of the hospital avoidance strategy to improve patient access.
- Co-designed the new 24-bed Mental Health Rehabilitation Facility at the Queen Elizabeth Hospital. The facility is under construction, with ongoing engagement with lived experienced consumers, and community and cultural leaders.
- Evaluated the SA Police Mental Health Co-Responder trial. A six month post-trial review indicated a 35 per cent decrease in SA Police conveyances to the Royal Adelaide Hospital Emergency Department, and 85 per cent avoided mental health Central Adelaide Local Health Network Emergency Department presentations.
- Implemented a new operating model to support connected ways of working across Central Adelaide Local Health Network.

Targets 2025-26

- Implement the Geriatric Outreach Service, aiming to support long stay older patients to transition earlier from or avoid presentation/admission to hospital.
- Open the new Mental Health Rehabilitation Facility at the Queen Elizabeth Hospital.
- Establish Patient Transit Units across the Royal Adelaide Hospital and the Queen Elizabeth Hospital.
- Implement the second Central Adelaide Local Health Network Disability, Access and Inclusion Plan.
- Install PET-CT scanners at the Flinders Medical Centre and the Queen Elizabeth Hospital sites.
- Develop a digital strategy for Statewide Clinical Support Services to deliver their strategic plan's vision of "Working together to advance excellence and innovation in healthcare".

Explanation of significant movements

The $102.4 million increase in income between the 2025-26 Budget and 2024-25 Estimated Result is primarily due to growth in Commonwealth Government revenue predominately associated with the National Health Reform Agreement.

The $174.6 million increase in expenses between the 2025-26 Budget and 2024-25 Estimated Result is primarily due to growth in demand and the cost of providing services across our public health system.

The $82.0 million increase in income between the 2024-25 Estimated Result and 2024-25 Budget is primarily due to increased Commonwealth Government revenue, and service fees and charges reflecting the corresponding demand on services across our public health system.

The $140.9 million increase in expenses between the 2024-25 Estimated Result and 2024-25 Budget is primarily due to additional support provided to meet growth in demand and the cost of providing services across our public health system in 2024-25.

The $58.0 million increase in income between the 2024-25 Estimated Result and 2023-24 Actual Result is primarily due to increased Commonwealth Government revenue associated with the National Health Reform Agreement and Pharmaceutical Benefits Scheme reflecting the growth in demand of services across our public health system.

The $67.5 million increase in expenses between the 2024-25 Estimated Result and 2023-24 Actual Result is primarily due the growth in demand and the cost of providing services across our public health system.

Sub-program 2.2: Northern Adelaide Local Health Network

Description/objective

The provision of hospital-based tertiary care including medical, surgical and other acute services, rehabilitation, mental and palliative health and other community health services to veterans and other persons living within the northern Adelaide metropolitan area.

Highlights 2024-25

- Completed the delivery of 48 additional beds at Lyell McEwin Hospital.
- Commenced construction of the Northern Crisis Stabilisation Centre.
- Developed the Northern Adelaide Local Health Network Clinical Engagement Strategy 2024-2026 for clinicians, consumers and communities.
- Finalised a review of the Northern Adelaide Local Health Network Clinical Services Plan 2020-2025 with updated population demographic data and new utilisation rates.

Targets 2025-26

- Complete and rollout the optimising care progression project and platform across the Northern Adelaide Local Health Network to enhance visibility and accessibility of information to support care progression.
- Develop the Northern Adelaide Local Health Network Strategic Plan 2025-2030.

- Progress works to deliver the Northern Crisis Stabilisation Centre.
- Progress infrastructure works to deliver additional capacity at Modbury Hospital and Lyell McEwin Hospital.
- Establishment of Forensic Mental Health as a new division.

Explanation of significant movements

The $43.0 million increase in income between the 2025-26 Budget and 2024-25 Estimated Result is primarily due to growth in Commonwealth Government revenue predominately associated with the provision of the National Health Reform Agreement.

The $42.8 million increase in expenses between the 2025-26 Budget and 2024-25 Estimated Result is primarily due to growth in demand and the cost of providing services across our public health system.

The $16.4 million increase in income between 2024-25 Estimated Result and 2024-25 Budget is primarily due to increased Commonwealth Government revenue, and service fees and charges reflecting the corresponding demand of services across our public health system.

The $105.7 million increase in expenses between the 2024-25 Estimated Result and 2024-25 Budget is primarily due to additional support provided to meet growth in demand and the cost of providing services across our public health system in 2024-25.

The $19.9 million increase in income between the 2024-25 Estimated Result and 2023-24 Actual Result is primarily due to increased Commonwealth Government revenue associated with the National Health Reform Agreement reflecting the growth in demand of services across our public health system.

The $141.8 million increase in expenses between the 2024-25 Estimated Result and 2023-24 Actual Result is primarily due to the growth in demand and the cost of providing services across our public health system.

Sub-program 2.3: Southern Adelaide Local Health Network

Description/objective

The provision of hospital-based tertiary care including medical, surgical and other acute services, rehabilitation, mental and palliative health and other community health services to veterans and other persons living within the southern Adelaide metropolitan area.

Highlights 2024-25

- Completed construction of the new 26-bed Geriatric Evaluation and Management (GEM) Unit in Repatriation Health Precinct.
- Continued construction works to deliver the Southern Redevelopment Stage 1 program across the Flinders Medical Centre, Repatriation Health Precinct and Noarlunga Hospital.
- Established a Southern Adelaide Local Health Network Digital Health Hub, a centralised data analytics capability designed to support decision making and delivery of patient care.
- Continued implementation of Southern Adelaide Local Health Network's technology strategy centred around delivering high quality care to the patient and enabling our workforce.

Targets 2025-26

- Continue works to deliver the Southern Redevelopment Stage 1 program across the Flinders Medical Centre and Noarlunga Hospital.
- Continue to develop technology capability to enable delivery of the Southern Adelaide Local Health Network Strategic Plan 2023-2027.

Sub-program 2.4: Women's and Children's Health Network

Description/objective

The provision of hospital, mental and community health services to babies, children, youth and women across the state.

Highlights 2024-25

- Commenced construction on the 1300 space multi-level car park and central energy facility within the new Women's and Children's Hospital project.
- Completed recruitment of over 70 per cent of the next phase of clinicians in line with the government election commitments.
- Progressed phase three of the Women's and Children's Health Network dual signage project to incorporate spaces in metropolitan community sites, 17 sites have been completed, and one is in progress.
- Launched the Women's and Children's Health Network Aboriginal Health Plan 2024-2028, on 9 August 2024 the International Day of the World's Indigenous Peoples.
- Progressed phase two of the Paediatric Intensive Care Unit upgrade.

Targets 2025-26

- Progress the new Women's and Children's Hospital project.
- Develop a staff wellbeing project that aims to improve the workplace wellbeing of healthcare workers.
- Implement an integrated management system to improve communication and escalation of operational issues.

- Implement the Connected Hub Kids project at Women's and Children's Health Network to improve connection and continuity of care across healthcare settings and improve the experience and engagement for complex and vulnerable consumers and their families.
- Develop a framework to enable care and services closer to home ensuring establishment of strong partnerships with all Local Health Networks and non-government organisations inclusive of the Aboriginal community-controlled sector across the state.

FTEs as at 30 June (No.)	**3 426**	3 305	3 180	3 245

Explanation of significant movements

The $8.5 million decrease in income between the 2025-26 Budget and 2024-25 Estimated Result is primarily due to once-off contributed asset revenue in 2024-25 associated with the transfer in of land for the new Women's and Children's Hospital site.

The $21.2 million increase in expenses between the 2025-26 Budget and 2024-25 Estimated Result is primarily due to growth in demand and the cost of providing services across our public health system and additional funding for implementing the Child and Family Health Services Child Health Development Checks and the Early Learning Strategy.

The $42.4 million increase in income between the 2024-25 Estimated Result and 2024-25 Budget is primarily due to:

- once-off contributed asset revenue in 2024-25 associated with transfer in of land for the new Women's and Children's Hospital site
- increased Commonwealth Government revenue, and service fees and charges reflecting the growth in demand of services across our public health
- additional funding from the Office for Early Childhood Development (OECD) and the associated expenditure for implementing the Child and Family Health Services Child Health Development Checks and the Early Learning Strategy.

The $64.1 million increase in expenses between the 2024-25 Estimated Result and 2024-25 Budget is primarily due to additional support provided to meet growth in demand and the cost of providing services across our public health system in 2024-25.

The $48.0 million increase in income between the 2024-25 Estimated Result and 2023-24 Actual Result is primarily due to once-off contributed asset revenue associated with the transfer in of land for the new Women's and Children's Hospital site in 2024-25 and increased Commonwealth Government revenue reflecting the growth in demand of services across our public health system.

The $71.6 million increase in expenses between the 2024-25 Estimated Result and 2023-24 Actual Result is primarily due to growth in demand and the cost of providing services across our public health system.

Sub-program 2.5: Barossa Hills Fleurieu Local Health Network

Description/objective

The provision of health and related services across the Barossa Hills Fleurieu region including primary health services to Aboriginal communities.

Highlights 2024-25

- Completed enabling works of the new Mount Barker Hospital.
- Completed detailed design for the Kangaroo Island Workforce Accommodation project.
- Completed construction of the heliport at Kingscote and progressed construction on heliports at Kapunda and the Southern Fleurieu Health Service.

Targets 2025-26

- Progress construction and operational commissioning activities for the new Mount Barker Hospital.
- Progress implementation of aged care strategies in line with the SA Health Regional Aged Care Strategy and Commonwealth Government Aged Care reforms.
- Implement strategies aligned to Barossa Hills Fleurieu Local Health Network's Aboriginal Health and Wellbeing Strategy.
- Evaluate new virtual clinic models to support access to urgent care services closer to home.
- Commence redevelopment of the Strathalbyn Kalimna site.

FTEs as at 30 June (No.)	**2 450**	2 305	2 251	2 153

Explanation of significant movements

The $16.2 million increase in income between the 2025-26 Budget and 2024-25 Estimated Result is primarily due to growth in Commonwealth Government revenue associated with the National Health Reform Agreement.

The $16.8 million increase in expenses between the 2025-26 Budget and 2024-25 Estimated Result is primarily due to the expenditure reallocated across regional Local Health Networks to support regional health initiatives in 2024-25.

The $2.7 million increase in income between the 2024-25 Estimated Result and 2024-25 Budget is primarily due to increased Commonwealth Government revenue associated with the provision of residential aged care services.

The $21.7 million increase in expenses between the 2024-25 Estimated Result and 2024-25 Budget is primarily due to additional support provided to meet growth in demand and the cost of providing services across our public health system in 2024-25; partially offset by the expenditure reallocation from Barossa Hills Fleurieu Local Health Networks to other regional Local Health Networks to support regional health initiatives in 2024-25.

The $14.6 million increase in expenses between the 2024-25 Estimated Result and 2023-24 Actual Result is primarily due to the growth in demand and the cost of providing services across our public health system.

Activity indicators

	2025-26 Projection	2024-25 Estimated Result	2024-25 Projection	2023-24 Actual
National Weighted Activity Units	**40 566**	29 511	25 854	27 918
The 2025-26 Projection is based on the advice provided to the National Health Funding Body as at March 2025 and has been modelled in the standard applicable to NWAU25. The 2024-25 Estimated Result, 2024-25 Projection are modelled in NWAU24 and 2023-24 Actual are modelled to NWAU23. The 2025-26 Projection includes for the first time the reporting of Community Mental Health activity and also reflects the once-off Commonwealth Government funding commitment agreed as part of the extension of the NHRA.				
Patient Assistance Transport Scheme (PATS)				
• no. of claimants	**21 000**	21 000	18 000	17 900
• no. of payments	**55 000**	54 000	40 500	41 200
The Patient Assistance Transport Scheme provides some financial reimbursement to country patients and approved escorts with the cost of travel and accommodation when they are required to travel over 100 kilometres (each way) to receive specialist medical treatment that is not available at their nearest centre. For each claimant, there may be multiple payments made. At present there is no functionality to record the claims against an individual region as PATS is managed as a statewide service therefore it will remain within the Regional Office which is part of Barossa Hills Fleurieu Local Health Network.				

Sub-program 2.6: Eyre and Far North Local Health Network

Description/objective

The provision of health and related services across the Eyre and Far North region including primary health services to Aboriginal communities.

Highlights 2024-25

- Implemented the second stage of the Eyre and Far North Local Health Network Recruitment and Retention Management Plan to address workforce shortages.
- Delivered aged care reform project Registered Nurse N24/7 trial at all Multi Purpose Service (MPS) sites.
- Commenced Home Care service efficiency study and participation in national Quality Improvement Home Care trial.
- Developed the Medical Performance Improvement Plan.

Targets 2025-26

- Deliver a migration pilot and recruitment and retention strategies to address workforce shortages.
- Align operations with new *Aged Care Act 2024* requirements.
- Complete implementation of Eyre and Far North Local Health Network's Medical Practices Performance Improvement Plan.
- Complete Eyre and Far North Local Health Network rehabilitation service business plan and start implementation of rehabilitation service at Port Lincoln Hospital.
- Design and implement the next five year Eyre and Far North Local Health Strategic Plan and accompanying Operational Plan.

	2025-26 Budget	2024-25 Estimated Result	2024-25 Budget	2023-24 Actual
	$000	$000	$000	$000
Income	**113 354**	107 982	106 585	106 552
Expenses	**170 989**	176 285	156 255	172 510
Net cost of sub-program	**57 635**	**68 303**	**49 670**	**65 958**
FTEs as at 30 June (No.)	**903**	881	877	815

Explanation of significant movements

The $5.4 million increase in income between the 2025-26 Budget and 2024-25 Estimated Result is primarily due to growth in Commonwealth Government revenue associated with the National Health Reform Agreement, partially offset by timing of Commonwealth Government Revenue associated with the Elimination of Trachoma in Indigenous Communities Federation Funding Agreement.

The $5.3 million decrease in expenses between the 2025-26 Budget and 2024-25 Estimated Result is primarily due to:

- timing of expenditure reallocation from Local Health Networks to the Eyre and Far North Local Health Network to support regional health initiatives in 2024-25 ($2.6 million)
- timing of expenditure associated with the Elimination of Trachoma in Indigenous Communities Federation Funding Agreement ($1.6 million).

The $20.0 million increase in expenses between the 2024-25 Estimated Result and 2024-25 Budget is primarily due to:

- additional support provided to meet growth in demand and the cost of providing services across our public health system in 2024-25
- reallocation of expenditure from Local Health Networks to the Eyre and Far North Local Health Network to support regional health initiatives in 2024-25 including the John Flynn Prevocational Doctor Program ($2.6 million)
- expenditure associated with the Commonwealth Government funded Aboriginal Family Birthing Program for 2024-25 ($1.1 million).

The $3.8 million increase in expenses between the 2024-25 Estimated Result and 2023-24 Actual Result is primarily due to the growth in demand and the cost of providing services across our public health system.

Performance indicators

Sub-program 2.7: Flinders and Upper North Local Health Network

Description/objective

The provision of health and related services across the Flinders and Upper North region including primary health services to Aboriginal communities.

Highlights 2024-25

- Completed relocation and upgrade of the birthing unit at the Whyalla Hospital.
- Increased medical professional workforce across all specialities to progress improved medical model of care.
- Continued to support recruitment and retention efforts for clinical staff within the Flinders and Upper North Local Health Network.
- Continued implementing recruitment strategies to increase Aboriginal workforce within the Flinders and Upper North Local Health Network, resulting in the successful recruitment of an Aboriginal Health Nurse Practitioner at Port Augusta and an Aboriginal Liaison Officer at Whyalla Hospital and Health Services.
- Supported the planning and transition of the Aged Care Assessment Program to a new Statewide service model.

Targets 2025-26

- Develop partnerships with Aboriginal Community Controlled Health Organisations (ACCHOs) in Flinders and Upper North Local Health Network.
- Continue to implement a medical model of care for patients at Whyalla Hospital and Health Services and Port Augusta Hospital and Regional Health Services, with emphasis on new gastroenterology, palliative care, and urology services, and expanded paediatric, anaesthetics, and obstetrics services.
- Continue to implement recruitment strategies to increase Aboriginal workforce within the Flinders and Upper North Local Health Network and to progress recruitment strategy to support midwifery models.
- Continue business planning for the Flinders and Upper North Local Health Network Aged Care Strategy.
- Implement national aged care and disability reforms in line with the Flinders and Upper North Local Health Network strategic plan.

	2025-26 Budget	2024-25 Estimated Result	2024-25 Budget	2023-24 Actual
	$000	$000	$000	$000
Income	**92 581**	85 617	85 609	80 734

Explanation of significant movements

The $7.0 million increase in income between the 2025-26 Budget and 2024-25 Estimated Result is primarily due to growth in Commonwealth Government revenue associated with the National Health Reform Agreement.

The $19.8 million increase in expenses between the 2024-25 Estimated Result and 2024-25 Budget is primarily due to:

- additional support provided to meet growth in demand and the cost of providing services across our public health system in 2024-25
- reallocation of expenditure from Local Health Networks to the Flinders and Upper North Local Health Network to support regional health initiatives in 2024-25 ($1.9 million).

The $11.8 million increase in expenses between the 2024-25 Estimated Result and 2023-24 Actual Result is primarily due to the growth in demand and the cost of providing services across our public health system.

Sub-program 2.8: Riverland Mallee Coorong Local Health Network

Description/objective

The provision of health and related services across the Riverland, Mallee and Coorong region including primary health services to Aboriginal communities.

Highlights 2024-25

- Completed the successful activation of the Sunrise Electronic Medical Records and Patient Administration System across Riverland Mallee Coorong Local Health Network.
- Progressed development of a Riverland Mallee Coorong Local Health Network Clinical Services Plan.
- Progressed implementation of strategies in preparation for the transition of Home Care Packages to the new Commonwealth Government Support at Home Program.
- Hosted the second annual South Australian Rural Health Research and Education Conference bringing together rural clinicians, academics and health professionals interested in health research and building research capacity.
- Hosted the second annual Victoria / New South Wales / South Australia Health Border Forum.
- Implemented a Rapid Assessment Paediatric (RAP) Clinic in collaboration with the Renmark Medical Clinic and local Renmark schools.
- Implemented a Riverland Fracture Clinic in collaboration with the Orthopaedic Unit at Central Adelaide Local Health Network to improve the referral process for general practitioners and the experience and clinical outcomes for consumers.
- Increased cultural awareness through cultural immersion experiences for staff to learn about the traditions and histories of First Nations peoples, and the lands on which we live, work and play.

Targets 2025-26

- Support the community and successfully transition to the new Commonwealth Government Support at Home Program.
- Expand the development of the Riverland Academy of Clinical Excellence to incorporate nursing and allied health training pathways.
- Review the Riverland Mallee Coorong Local Health Network Strategic Pan 2021-2026 and commence the development of a new strategic plan.
- Complete the development of the Riverland Mallee Coorong Local Health Network Workforce Plan.
- Review the Riverland Mallee Coorong Local Health Network Consumer and Community Engagement Strategy 2021-24 and develop updated strategy.

- Finalise and commence implementation of Riverland Mallee Coorong Local Health Network Clinical Services Plan.

	2025-26 Budget	2024-25 Estimated Result	2024-25 Budget	2023-24 Actual
	$000	$000	$000	$000
Income	**122 413**	113 589	105 137	108 829
Expenses	**232 015**	231 643	203 582	218 383

FTEs as at 30 June (No.)	**1 406**	1 384	1 219	1 212

Explanation of significant movements

The $8.8 million increase in income between the 2025-26 Budget and 2024-25 Estimated Result is primarily due to growth in Commonwealth Government revenue associated with the National Health Reform Agreement.

The $28.1 million increase in expenses between the 2024-25 Estimated Result and 2024-25 Budget is primarily due to:

- additional support provided to meet growth in demand and the cost of providing services across our public health system in 2024-25
- reallocation of expenditure from Local Health Networks to the Riverland Mallee Coorong Local Health Network to support regional health initiatives in 2024-25 ($2.4 million).

The $13.3 million increase in expenses between the 2024-25 Estimated Result and 2023-24 Actual Result is primarily due to the growth in demand and the cost of providing services across our public health system.

Sub-program 2.9: Limestone Coast Local Health Network

Description/objective

The provision of health and related services across the Limestone Coast region including primary health services to Aboriginal communities.

Highlights 2024-25

- Commenced construction of a six-bed emergency extended care unit, a six-bed sub-acute mental health unit and a two-bed drug and alcohol withdrawal unit at the Mount Gambier and Districts Health Service.
- Commenced building works at the Naracoorte Health Service, in line with the government's election commitments.
- Completed evaluation and commenced implementing recommendations from the Radiation Therapy Feasibility Study report for the Limestone Coast.
- Commenced construction of the Cancer Care Centre at the Mount Gambier and Districts Health Service.

Targets 2025-26

- Complete Emergency Extended Care Unit, Mental Health Sub-Acute Unit and Drug and Alcohol Withdrawal Unit at the Mount Gambier and Districts Health Service and building upgrade works at the Naracoorte Health Service, in line with government's election commitments.
- Complete construction of the Cancer Care Centre at the Mount Gambier and Districts Health Service and implementation of Stage 1 of the recommendations from the Radiation Therapy Feasibility Study.
- Progress Stage 2 of the Naracoorte Health Service Master Plan.
- Complete the Country Health Connect rebuild in Bordertown.
- Complete the Regional Clinical Services Plan and the Aged Care Planning Study, and development of implementation plans.
- Complete and implement a Medical Workforce Plan.

	2025-26 Budget	2024-25 Estimated Result	2024-25 Budget	2023-24 Actual

FTEs as at 30 June (No.)	**1 305**	1 280	1 129	1 110

Explanation of significant movements

The $10.2 million increase in income between the 2025-26 Budget and 2024-25 Estimated Result is primarily due to growth in Commonwealth Government revenue associated with the National Health Reform Agreement.

The $5.2 million increase in income between the 2024-25 Estimated and 2024-25 Budget is primarily due to the growth in Commonwealth Government revenue and corresponding expenditure associated with the residential aged care services and home care packages.

The $24.8 million increase in expenses between the 2024-25 Estimated Result and 2024-25 Budget is primarily due to:

- additional support provided to meet growth in demand and the cost of providing services across our public health system in 2024-25
- reallocation of expenditure from Local Health Networks to the Limestone Coast Local Health Network to support regional health initiatives in 2024-25 ($1.4 million).

The $7.2 million decrease in income between the 2024-25 Estimated Result and 2023-24 Actual Result is primarily due to the once-off increase in revenue in 2023-24 associated with the provision of the Keith and Districts Healthcare service ($9.0 million).

The $13.1 million increase in expenses between the 2024-25 Estimated Result and 2023-24 Actual Result is primarily due to the growth in demand and the cost of providing services across our public health system.

Sub-program 2.10: Yorke and Northern Local Health Network

Description/objective

The provision of health and related services across the Yorke and Northern region including primary health services to Aboriginal communities.

Highlights 2024-25

- Established the Yorke and Northern Local Health Network Rural Doctors Program with seven junior doctors beginning their employment and training rotation though both hospital and general practice across the Yorke and Northern Local Health Network including Clare, Peterborough, Jamestown, Maitland and Burra.
- Completed and released Burra, Riverton and Snowtown Local Health Service Plan.
- Continued construction works to deliver the Port Pirie Regional Health Service Emergency Department upgrade.

Targets 2025-26

- Upgrade the Clare Hospital Theatre and the central sterile supply department (CSSD).
- Construct a Clinical Simulation Training Laboratory to support multi profession training and development.
- Update the master plans for Port Pirie Regional Health Services, Wallaroo Hospital and Health Service and the Clare Hospital.
- Complete Yorke Peninsula Health Service Plan.

	2025-26 Budget	2024-25 Estimated Result	2024-25 Budget	2023-24 Actual
	$000	$000	$000	$000
Income	**126 102**	116 668	115 307	115 089
Expenses	**243 268**	242 581	218 861	234 769
Net cost of sub-program	**117 166**	**125 913**	**103 554**	**119 680**
FTEs as at 30 June (No.)	**1 379**	1 352	1 254	1 286

Explanation of significant movements

The $9.4 million increase in income between the 2025-26 Budget and 2024-25 Estimated Result is primarily due to growth in Commonwealth Government revenue associated with the National Health Reform Agreement.

The $23.7 million increase in expenses between the 2024-25 Estimated Result and 2024-25 Budget is primarily due to:

- additional support provided to meet growth in demand and the cost of providing services across our public health system in 2024-25
- reallocation of expenditure from Local Health Networks to the Yorke and Northern Local Health Network to support regional health initiatives in 2024-25 ($2.1 million).

The $7.8 million increase in expenses between the 2024-25 Estimated Result and 2023-24 Actual Result is primarily due to the growth in demand and the cost of providing services across our public health system.

Sub-program 2.11: SA Ambulance Service

Description/objective

Provision of pre-hospital medical emergency care and patient transport.

Highlights 2024-25

- Completed construction and brought into operation four new ambulance stations (Norwood, Woodville, Edwardstown, Golden Grove), rebuilt two ambulance stations (Mount Barker, Victor Harbor), upgraded two ambulance stations (Aldinga, Elizabeth), delivered nine additional ambulance vehicles, and commenced construction on two rebuilt ambulance stations (Gawler, Campbelltown), as part of the government's election commitments.
- Commenced construction of the new SA Ambulance Service Precinct inclusive of the SA Ambulance Service Emergency Operations Centre, Adelaide Ambulance Station and State Health Control Centre to deliver on the government's commitments.
- Recruited additional operational staff including 64 paramedics, 18 ambulance officers, and five emergency medical dispatchers, to continue delivering on the government's election commitments.
- Continued to implement the SA Ambulance Strategic Plan 2023-2027.
- Recruited a dedicated team to design, build and deliver an electronic patient clinical record system.
- Increased scope of practice for paramedics and intensive care paramedics.

Targets 2025-26

- Continue to deliver the SA Ambulance Service Operational Growth Plan infrastructure program to create and upgrade ambulance stations across South Australia to continue to deliver on the government's commitments.
- Conclude construction of the new SA Ambulance Service Precinct inclusive of the SA Ambulance Service Emergency Operations Centre, Adelaide Ambulance Station and State Health Coordination Centre to deliver on the government's commitments.
- Conclude the recruitment of additional paramedics and ambulance officers across metropolitan and regional South Australia to deliver on the government's election commitments.
- Commence the build and operational deployment of an electronic patient clinical record system.
- Continue to implement the SA Ambulance Service Strategic Plan 2023-2027.
- Continue to support volunteer crews and attract new volunteers to the SA Ambulance Service.

	2025-26 Budget	2024-25 Estimated Result	2024-25 Budget	2023-24 Actual
	$000	$000	$000	$000
Income	**153 395**	147 859	147 552	138 987
Expenses	**504 141**	483 846	466 205	467 850
Net cost of sub-program	**350 746**	**335 987**	**318 653**	**328 863**
FTEs as at 30 June (No.)	**2 206**	2 138	2 130	2 003

Explanation of significant movements

The $5.5 million increase in income between the 2025-26 Budget and 2024-25 Estimated Result is primarily due to the annual indexation and growth in provision of services and patient transport charges from additional paramedics being available.

The $20.3 million increase in expenses between the 2025-26 Budget and 2024-25 Estimated Result is primarily due to growth in demand and cost of providing ambulance services.

The $17.6 million increase in expenses between the 2024-25 Estimated Result and 2024-25 Budget is primarily due to increased expenditure associated with the provision of Fixed-Wing Aeromedical Transport Services by the Royal Flying Doctor Service Central Operations (RFDS) across SA Health.

The $8.9 million increase in income between the 2024-25 Estimated Result and 2023-24 Actual Result is primarily due to additional revenue relating to patient transport services.

The $16.0 million increase in expenses between the 2024-25 Estimated Result and 2023-24 Actual Result is primarily due to growth in cost and demand for provision of ambulance services, including increased expenditure associated with the provision of Fixed-Wing Aeromedical Transport Services by the Royal Flying Doctor Service Central Operations (RFDS) across SA Health.

Performance indicators

	2025-26 Target	2024-25 Estimated Result	2024-25 Target	2023-24 Actual
% of responses:				
• Priority 1 — Ambulance intervention response time (8 minutes — urban centres) *Priority 1 emergency incidents are immediately life threatening.*	**60%**	72%	60%	69%
• Priority 2 — Ambulance response time (16 minutes — urban centres) *Priority 2 emergency incidents are at increased risk of mortality or morbidity.*	**90%**	64%	90%	64%

Activity indicators

	2025-26 Projection	2024-25 Estimated Result	2024-25 Projection	2023-24 Actual
No. of incidents: *An incident is an event that results in one or more responses by SA Ambulance Service. This indicator has been rebased to reflect the number of requests that require a response to more accurately reflect patient demand or the amount of resources utilised per patient.*				
• total no. of emergency incidents (Priority 1 and 2) *Priority 1 emergency incidents are immediately life threatening. Priority 2 emergency incidents are at increased risk of mortality or morbidity.*	**186 150**	185 420	176 697	171 838
• total no. of urgent incidents (Priority 3, 4 and 5) *Priority 3 emergency incidents are increased risk of morbidity requiring urgent response. Priority 4 and 5 are urgent incidents that have increased risk of morbidity requiring urgent response.*	**115 376**	114 500	120 998	119 459
• total no. of routine incidents (Priority 6, 7 and 8) *Priority 6 emergency incidents are cases where the patient requires paramedic or ICP level of clinical support at scene or en-route. They have been assessed as 'not at risk' of increased morbidity due to a delay in response. Priority 7 incidents are cases where a patient is assessed as not requiring active treatment during transport but require clinical monitoring. Priority 8 incidents are cases where a patient is assessed as not requiring treatment or monitoring during transport.*	**53 290**	53 801	46 720	49 632

Program 3: System Enhancement

Description/objective

The Commission on Excellence and Innovation in Health provides leadership, advice, connections, and capability building to enable innovation and advancement in healthcare. The Commission on Excellence and Innovation in Health works across the South Australian health sector, including public and private healthcare, and primary, secondary and tertiary care settings.

Preventive Health SA integrates key prevention functions in a single agency, supporting action on all the major risk factors for chronic disease. The prevention priorities for Preventive Health SA include obesity, tobacco, vaping, mental health, suicide prevention, alcohol and other drugs, and the determinants of health.

Sub-programs

3.1 Commission on Excellence and Innovation in Health

3.2 Preventive Health SA

Sub-program 3.1: Commission on Excellence and Innovation in Health

Description/objective

The Commission on Excellence and Innovation in Health provides strategic leadership and advice on excellence and innovation in healthcare. The Commission on Excellence and Innovation in Health partners with consumers, carers, the wider community and the health workforce to improve care and safety, monitor performance, and champion evidence-based practice to improve health outcomes.

The Commission on Excellence and Innovation in Health's vision is "Together, creating health and prosperity for all".

Highlights 2024-25

- Developed a prototype for calculating and visualising system risks related to community ambulance response times.
- Completed scoping for a cross sector collaborative project to reduce readmission rates for the homeless population across South Australia by integration across hospital, primary care, housing and social services.
- Designed a model to improve identification and access to quality palliative care services and specialist clinicians with the SA Virtual Care Service.
- Completed implementation of 'HIRAID' standardised emergency nursing assessment framework across all SA Health Emergency Departments.
- Achieved a pilot implementation of an optimal system of care for lower back pain in Central Adelaide Local Health Network to initiate alternate pathways for urgent care.
- Completed scheduled implementations of the Patient Reported Measures program across multiple Local Health Network sites and services and completed delivery of a Patient Engagement Portal enabling consumer access to their Patient reported outcome measures (PROMs) data.
- Completed integration with Sunrise Electronic Medical Record System and the SA Health Data and Analytics Platform to enable measurement of patient experience and outcomes in practice.
- Completed an implementation plan to secure a Federation Funding Agreement, and associated funding, to establish a comprehensive cancer network in South Australia.
- Established Health Chief Executives Committee (HCEC) Clinical Council, the peak clinical body responsible for providing clinical engagement into statewide and strategic decisions that affect clinical care.
- Completed a decision-making tool and process flow to support SA Health in access to, and delivery of, highly specialised therapies (HST) for eligible South Australians.
- Developed a Clinical Registries Roadmap towards achieving an ideal state within five years, including clarification of governance structures and responsibilities, policy development and required resourcing and investment.

Targets 2025-26

- Continue to support the government's work to address hospital flow and ambulance ramping.
- Continue to support statewide clinical networks, system collaboration and partnering to reduce duplication and maximise resource utilisation.
- Establish the South Australian comprehensive cancer network as per the Commonwealth implementation plan.

	2025-26 Budget	2024-25 Estimated Result	2024-25 Budget	2023-24 Actual
	$000	$000	$000	$000
Income	**26 658**	4 442	78	760
Expenses	**20 044**	13 649	9 400	10 127
Net cost of sub-program	**-6 614**	**9 207**	**9 322**	**9 367**
FTEs as at 30 June (No.)	**96**	55	41	43

Explanation of significant movements

The $22.2 million increase in income between the 2025-26 Budget and 2024-25 Estimated Result is primarily due to additional Commonwealth Government revenue associated with the South Australia Comprehensive Cancer Network (SACCaN) — Federation Funding Agreement over five years from 2024-25 to support the establishment of a statewide cancer network to maximise cancer prevention, early detection and transform delivery of cancer care.

The $6.4 million increase in expenses between the 2025-26 Budget and 2024-25 Estimated Result is primarily due to the timing of expenditure to establish SACCaN ($9.3 million) offset by completion of Patient Reported Measures (PRM) program funding ($2.5 million).

Sub-program 3.2: Preventive Health SA

Description/objective

Preventive Health SA delivers evidence-based primordial and primary prevention actions to improve the health and wellbeing of South Australians by:

- reducing the burden of non-communicable conditions and their impacts on the health system
- reducing health inequities, with a particular focus on priority populations within the state
- increasing evidence-based, cost-effective and integrated approaches that address the social, cultural, and commercial determinants of health.

The prevention priorities for Preventive Health SA include obesity, tobacco smoking, vaping, mental health, suicide prevention, alcohol and other drugs, and the determinants of health.

Highlights 2024-25

- Established Preventive Health SA under the new *Preventive Health SA Act 2024*.
- Developed and commenced implementation of the Strategic Directions for Preventive Health SA.
- Implemented a new partnership on prevention priorities with the South Australian Aboriginal Community Controlled Organisations Network (SAACCON) to support the implementation of Closing the Gap in South Australia.
- Implemented the Tobacco Control Strategy including policy and legislative changes to address tobacco and e-cigarette use and nicotine dependence.
- Delivered the Restriction of unhealthy food and drink advertising on SA Government public transit assets policy for commencement from 1 July 2025.
- Established a Community of Practice and reporting mechanism through the Suicide Prevention Council to support public state authorities to deliver their Suicide Prevention Action Plans under the *Suicide Prevention Act 2021*.

Targets 2025-26

- Develop the Preventive Health SA Strategic Plan as required under the *Preventive Health SA Act 2024*.
- Develop and deliver a comprehensive obesity prevention strategy.
- Establish partnerships for preventive health action in regional communities to improve health and wellbeing outcomes.
- Deliver strategic cancer prevention initiatives in partnership with Cancer Council SA.
- Continue to implement the South Australian Suicide Prevention Plan 2023-2026 and the South Australian Tobacco Control Strategy 2023-2027.

	2025-26 Budget	2024-25 Estimated Result	2024-25 Budget	2023-24 Actual
	$000	$000	$000	$000
Income	**1 854**	1 833	90	1 386
Expenses	**35 348**	34 627	32 767	27 520
Net cost of sub-program	**33 494**	**32 794**	**32 677**	**26 134**
FTEs as at 30 June (No.)	**106**	107	104	95

Explanation of significant movements

The $1.7 million increase in income between the 2024-25 Estimated Result and 2024-25 Budget is primarily due to:

- Commonwealth Government revenue associated with the National Bowel Cancer Screening Program — participant follow-up function 2024-2028 Federation Funding Agreement ($0.7 million)
- Commonwealth Government revenue associated with the Smoking and Vaping Cessation Activities 2024-2027 Federation Funding Agreement ($0.5 million)
- Commonwealth Government revenue associated with the Expanding Access to Cervical Screening Services Federation Funding Agreement 2024-2027 to support delivery of the National Strategy for the Elimination of Cervical Cancer in Australia ($0.5 million).

The $7.1 million increase in expenses between the 2024-25 Estimated Result and 2023-24 Actual Result is primarily due to expenditure associated with the transfer of Drugs and Alcohol Support Services functions from Southern Adelaide Local Health Network to Preventive Health SA.

Objective

The primary role of the Department for Housing and Urban Development (DHUD) is to coordinate and accelerate housing for all South Australians.

DHUD works across-government and industry to progress deliverables in the Government of South Australia's Housing Roadmap by accelerating planning and development pathways, planning for essential infrastructure and removing impediments to private sector construction.

DHUD further supports delivery of housing outcomes through policy development and implementation, including affordable housing strategies.

Ministerial responsibilities

Minister	Programs		Sub-programs
The Hon. JK Szakacs Minister for Local Government	1.	Office of Local Government	Nil
The Hon. ND Champion Minister for Housing and Urban Development Minister for Housing Infrastructure Minister for Planning	2.	Housing Policy and Urban Development	Nil
	3.	Planning Services	Nil
	4.	Office of the Valuer-General	Nil
	5.	Office of the Registrar-General	Nil
	6.	Office of the Surveyor-General	Nil
	7.	Office for Design and Architecture South Australia	Nil

Administered items

In addition to the above responsibilities, the agency administers the following items on behalf of the ministers:

- Local Government Grants Commission
- Minister's salary and allowances pursuant to the *Parliamentary Remuneration Act 1990*
- Outback Communities Authority
- Planning and Development Fund
- Planning fees
- Real Property Act Assurance Fund
- Real Property Act Trust accounts
- Registrar-General and Surveyor-General Statutory Act revenues
- Valuer-General's salary and allowances pursuant to the *Valuation of Land Act 1971*
- West Beach Trust (trading as West Beach Parks) — tax equivalent regime
- Workers Liens Trust Account.

Statutes

The Department of the Premier and Cabinet maintains a list of statutes applicable to ministers.

Key agency outputs

- Manage, reform and deliver the state's planning policy and system.
- Coordinate the accelerated delivery of housing for all South Australians through the progress of deliverables in the Government of South Australia's Housing Roadmap.
- Facilitate infrastructure planning for the delivery of housing and development projects through the Growth and Infrastructure Coordination Unit.
- Manage delivery of the government’s inclusionary zoning 15 per cent affordable housing policy, including the operation of the HomeSeeker SA program.
- Support the Registrar-General to ensure effective oversight of the state’s service provider (Land Services SA) and the ongoing integrity and accessibility of the land titles register.
- Support the Government Architect to promote high quality design through the provision of independent and expert design advice and governance.
- Support the Surveyor-General in governing and maintaining the state’s cadastre.
- Support the Valuer-General in ensuring the continued provision of fair and equitable statutory valuations for all properties in South Australia in accordance with the *Valuation of Land Act 1971*.
- Provide policy and other advice to the Minister for Local Government on the operation of the *Local Government Act 1999* and related legislation and other aspects of the local government portfolio.

Investing expenditure summary

The 2025-26 investment program is $2.9 million.

	Estimated Completion Quarter	Total Project Cost $000	2025-26 Budget $000	2024-25 Estimated Result $000	2024-25 Budget $000

Program 1: Office of Local Government

Description/objective

The Office of Local Government provides policy and other advice to the Minister for Local Government. This includes advice on the operation of the *Local Government Act 1999* and related legislation, the delivery of the Municipal Services in Aboriginal Communities Program, and on the functions of the Outback Communities Authority, the South Australian Local Government Grants Commission, the South Australian Local Government Boundaries Commission and the Behavioural Standards Panel.

Highlights 2024-25

- Progressed the review of the 2022 local government periodic elections and considered measures to enhance community engagement.
- Completed the Strategic Blueprint for Outback SA to improve the liveability of outback communities and the economic potential of the region.
- Installed the Outback SA regional identity across the region and at town entrances and launched the new Outback SA website.
- Continued to work with the administrator of the District Council of Coober Pedy to resolve the council's financial sustainability and the future delivery of essential services in the township.
- Progressed a State-Local Government Economic Partnership Accord to grow economic opportunities across the state.

Targets 2025-26

- Complete the review of the 2022 local government periodic elections and finalise introduction of a community engagement charter.
- Develop strategic directions for the Outback Communities Authority following the completion of the Strategic Blueprint for Outback SA.
- Resolve municipal service delivery in Coober Pedy prior to the legislated end of the District Council of Coober Pedy's period of administration in 2026.
- Finalise the State-Local Government Economic Partnership Accord to provide councils with access to the State Coordinator-General's functions.
- Finalise inquiries by the South Australian Local Government Boundaries Commission into boundary proposals from the Town of Gawler and the Campbelltown City Council.

Explanation of significant movements

No significant movements.

Program 2: Housing Policy and Urban Development

Description/objective

Housing policy and urban development within DHUD is supported by the Policy and Coordination Team (PACT), Growth and Infrastructure Coordination Unit (GICU) and Affordable Housing & Market Solutions team (AHMS). These teams work within DHUD, across government and collaboratively with industry to drive the delivery of agency objectives.

PACT assists with leading and shaping strategic policy development and providing input into agency-led policy. PACT seeks to optimise policy and delivery alignment to meet government and agency objectives, through coordination, monitoring and the provision of strategic advice.

GICU is responsible for delivering state-led growth areas as identified within the Housing Roadmap and the Greater Adelaide Regional Plan. GICU aims to drive the provision of faster, more efficient, better planned and serviced housing and development-ready land. It assists in unblocking impediments to development and supporting the delivery of increased land supply by facilitating better infrastructure outcomes through appropriate infrastructure delivery frameworks.

AHMS progresses affordable housing outcomes, providing advice and guiding policy and strategic development at a state and agency level. AHMS works closely with private industry to secure and deliver affordable housing through negotiation of land management agreements and monitoring compliance. AHMS maintains the HomeSeeker SA website, listing affordable homes sourced from the private sector, not-for-profits and government agencies, such as Renewal SA and the South Australian Housing Trust. These are offered exclusively to eligible buyers at a fixed price for up to 60 days.

Highlights 2024-25

- Monitored and reported on the Housing Roadmap commitments that the Minister for Housing and Urban Development is responsible for and established the Minister's Housing Roadmap Oversight Committee to monitor and report on the delivery of critical housing infrastructure to new development.
- Established a cross-agency working group which works collaboratively across relevant agencies with shared purpose and sense of urgency to oversee the effective delivery of more homes being built faster. The group will ensure that all programs with inter-agency housing and infrastructure dependencies align with state government objectives and are delivered efficiently and effectively.
- Submitted a joint application for Housing Australia Future Fund Facility Round 2, which is a targeted funding round to deliver up to 5000 social housing outcomes across Australia. South Australia's nominal allocation of funding for this round was 335 dwellings.
- Established growth area planning tools to support delivery of infrastructure schemes and create a framework for infrastructure funding and delivery of state significant growth areas.
- Collaborated on and coordinated the progression of infrastructure schemes for the Rural City of Murray Bridge, Sellicks Beach and Concordia.
- Established principles to guide the coordinated delivery of the state's trunk infrastructure, through the Infrastructure Coordination Group (cross-government and essential service providers).
- Achieved record outcomes under the affordable housing 15 per cent policy through improved engagement with industry, better compliance around affordable housing agreements with builders and developers and improved marketing and promotion, including the number of:
  - affordable properties advertised on the HomeSeeker SA website in a single calendar year
  - sales to eligible buyers reported to date
  - interested homebuyers subscribed to the HomeSeeker SA website, enabling them to receive a weekly email about affordable properties for sale
  - active industry projects.

Targets 2025-26

- Monitor and report on the Housing Roadmap commitments for which the Minister for Housing and Urban Development is responsible.
- Commence preparation of an update of the Housing Roadmap.
- Coordinate the progression and reporting to the state government of state housing delivery priorities.
- Lead a coordinated approach to accessing Commonwealth Government funding opportunities to support housing delivery for South Australians.
- Deliver and implement infrastructure schemes for the Rural City of Murray Bridge, Sellicks Beach and Concordia. Finalise the development of integrated structure planning guidelines for greenfield development and coordinate the development of social infrastructure benchmarks across government.
- Progress infrastructure planning for the government at key sites including Greater Edinburgh Parks and Kudla, as identified within the Greater Adelaide Regional Plan.
- Grow the pipeline of committed affordable housing outcomes across South Australia in cooperation with the development sector and government agencies.
- Review the HomeSeeker SA website and social media performance and implement strategies to enhance user experience and engagement.

(a) Program 2: Housing Policy and Urban Development is a new program in 2024-25 reflecting the establishment of the new department. This program includes the Affordable Housing & Market Solutions team transferred from the South Australian Housing Trust on 11 November 2024 and functions that were included in Program 2: Planning and Land Use Services in the Department for Trade and Investment 2024-25 Agency Statements.

Explanation of significant movements

The decrease in income in the 2025-26 Budget compared to the 2024-25 Estimated Result is mainly due to revenue received for planning reforms in 2024-25 under the National Housing Accord.

The decrease in expenses in the 2025-26 Budget compared to the 2024-25 Estimated Result is mainly due to the transfer of carryovers for the Trade and Investment program to the Department of State Development in 2024-25 ($8.2 million).

Performance indicators

	2025-26 Target	2024-25 Estimated Result	2024-25 Target	2023-24 Actual
DHUD-led Housing Roadmap commitments delivered (of 35 total)	**8**	20	—	1
Listings of affordable properties on HomeSeeker SA[(a)]	**650**	650	650	605
HomeSeeker SA property sales to eligible buyers[(a)]	**400**	400	375	364
HomeSeeker SA new website visitors[(a)]	**145 000**	138 400	135 000	133 199
HomeSeeker SA subscribers[(a)]	**7 500**	6 300	5 000	3 912

(a) Performance indicators include the activities of the Affordable Housing & Market Solution team transferred from the South Australian Housing Trust on 11 November 2024.

Program 3: Planning Services

Description/objective

Planning Services provides advice to the Minister for Planning and supports the State Planning Commission on the preparation of new planning instruments, including code amendments and regional planning, manages the e-planning portal and system, and undertakes the assessment of complex land use proposals with a focus on creating liveable communities.

Highlights 2024-25

- Delivered the Greater Adelaide Regional Plan via a fully digital platform.
- Considered and responded to the key recommendations of the Expert Panel, including consideration of changes to the *Planning, Development and Infrastructure Act 2016*, the associated Regulations and the Planning and Design Code.
- Led the development and implementation of key policy and regulatory changes, including the code amendment dashboard, a standardised template for code amendments and the combined (concurrent) code amendment and outline consent assessment, as part of the Housing Roadmap, streamlining approvals and accelerating the delivery of new housing.
- Delivered the future living code amendment, ancillary accommodation and student accommodation definitions review code amendment, assessment improvement code amendment and the accommodation diversity code amendment to provide for alternative housing solutions.
- Implemented the National Construction Code 2022 with new provisions for liveability and energy efficiency adopted on 1 October 2024 following discussions with industry stakeholders.

Targets 2025-26

- Implement the Greater Adelaide Regional Plan actions.
- Continue to implement the government's response to the Expert Panel.
- Continue to deliver key policy and regulatory changes in the Housing Roadmap to provide faster and more efficient approvals for new houses.
- Develop, investigate and engage on six country regional plans.
- Complete comprehensive reform of the Site Contamination Assessment Scheme.
- Deliver Statewide Bushfire Hazard Code Amendment, Concordia Code Amendment, Sellicks Code Amendment, Infrastructure Reserves Code Amendment, State-Wide Flood Hazard Code Amendment, Smithfield Regeneration Code Amendment, Inner West Code Amendment, Festival Plaza Code Amendment, John Rice Avenue Code Amendment and Dry Creek Code Amendment.

FTEs as at 30 June (No.)	**142.7**	155.2	195.7	169.5

(a) Program 3: Planning Services is a new program in 2024-25. This function was included in Program 2: Planning and Land Use Services in the Department for Trade and Investment 2024-25 Agency Statements.

Explanation of significant movements

The decrease in income in the 2025-26 Budget compared to the 2024-25 Estimated Result is mainly due to revenue allocated from the Planning and Development Fund in 2024-25 to finalise the Regional Planning Program ($1.7 million), and an increase in fees in 2024-25 collected under the *Planning, Development and Infrastructure Act 2016*, mainly reflecting higher volumes of development application fees ($2.4 million).

The decrease in expenses in the 2025-26 Budget compared to the 2024-25 Estimated Result is related to higher expenditure in 2024-25 to support the preparation of the Greater Adelaide Regional Plan ($3.7 million).

The reduction in the net cost of services in the 2024-25 Estimated Result compared to the 2024-25 Budget is partly due to the transfer of the Office of the Surveyor-General (net cost $2.5 million, 22.0 FTE) to Program 6, and fee related volume adjustments ($3.8 million).

Program 4: Office of the Valuer-General

Description/objective

The Valuer-General is an independent statutory officer, maintaining accountability and ownership over the valuation roll. The Valuer-General is appointed by Her Excellency, the Governor of South Australia under the *Valuation of Land Act 1971* (the Act).

The role of the Valuer-General is to provide fair and equitable valuations for properties in South Australia, in accordance with the Act, to deliver service excellence and maintain accountability and ownership over the valuation roll.

The Office of the Valuer-General (OVG) assists the Valuer-General in providing regulatory oversight and management of the various services undertaken by Land Services SA (the service provider), whilst also ensuring the integrity of the valuation roll, service delivery and the independence of the Valuer-General, which in turn provides services to the whole community. The OVG also supports government decision making through the provision of professional valuation advice and strategic services.

Highlights 2024-25

- Delivered the 2024-25 general valuation (date of valuation 1 January 2024) which came into force 1 July 2024.
- Continued to promote built environment education options through the Valuer-General's participation in the Built Environment Education Taskforce.
- Continued to support the remaining site value rating councils in their transition to capital value for the 2024-25 financial year.

Targets 2025-26

- Deliver the 2025-26 general valuation (date of valuation 1 January 2025) which comes into force on 1 July 2025.
- Increase awareness and promotion of the valuation profession career pathway through internship opportunities and participation at senior school and college career expos.
- Continue to promote transparency in reporting to assist the community in understanding the relationship between property market movements and statutory valuations for rating and taxing purposes.
- Administer the appointment of the next three-year term of the Valuation Review Panels, in accordance with section 25A of the Act, to support the independent review by valuer process.

Program summary — income, expenses and FTEs

	2025-26 Budget	2024-25 Estimated Result	2024-25 Budget	2023-24 Actual
	$000	$000	$000	$000
Income				
Intra-government transfers	**—**	129	—	—
Fees, fines and penalties	**18 529**	18 779	18 303	17 666
Sales of goods and services	**—**	—	188	562
Other income	**272**	—	—	327
Total income	**18 801**	**18 908**	**18 491**	**18 555**

	2025-26 Budget	2024-25 Estimated Result	2024-25 Budget	2023-24 Actual
	$000	$000	$000	$000
Expenses				
Employee benefit expenses	**2 969**	2 925	2 607	2 971
Supplies and services	**13 073**	12 753	14 160	12 709
Depreciation and amortisation expenses	**—**	—	—	9
Total expenses	**16 042**	**15 678**	**16 767**	**15 689**
Net cost of providing services	**-2 759**	**-3 230**	**-1 724**	**-2 866**
FTEs as at 30 June (No.)	**23.0**	23.0	23.0	24.3

Explanation of significant movements

Movements in income reflect fees collected under the *Valuation of Land Act 1971* for copies of the Valuation Roll and the demand for valuation services in each year.

The increase in expenses in the 2025-26 Budget compared to the 2024-25 Estimated Result mainly reflects the Land Services SA contractual payment.

Program 5: Office of the Registrar-General

Description/objective

The Registrar-General is a statutory officer pursuant to the *Real Property Act 1886* (the Act). Responsibilities include the oversight of transactional functions delegated to Land Services SA (the service provider) under section 17 of the Act and other policy and regulatory functions within the Office of the Registrar-General. The Registrar-General is responsible for administering the state's Land Registry and Assurance Fund, which underpins the government's guarantee of indefeasibility of title.

Highlights 2024-25

- Collaborated with Land Services SA to review available compliance monitoring and reporting systems.
- Completed the discovery work required to implement an automated system for all reports required under the Land Services Agreement. A project plan is now being developed.
- Finalised operationalisation of National Electronic Conveyancing Data Standard Ltd (NECDS) to hold, curate and manage the national electronic conveyancing data standards.
- Conducted a successful cyber property industry forum targeted at small and medium businesses.

Targets 2025-26

- Progress the Housing Roadmap commitment to introduce electronic land division applications through the preparation of a bill to amend the *Real Property Act 1886*.
- Assist the South Australian Law Reform Institute in undertaking its review of the *Real Property Act 1886*, and consider and provide advice to the government on the recommendations contained in the final report.
- Enhance eConveyancing functionality to provide greater control for consumers.

Program summary — income, expenses and FTEs

	2025-26 Budget	2024-25 Estimated Result	2024-25 Budget	2023-24 Actual
	$000	$000	$000	$000
Income				
Fees, fines and penalties	**17 778**	18 862	18 773	19 631
Sales of goods and services	**2 456**	2 487	778	705
Other income	**18**	116	70	16 321
Total income	**20 252**	**21 465**	**19 621**	**36 657**
Expenses				
Employee benefit expenses	**1 410**	1 388	1 611	1 258
Supplies and services	**93 395**	89 151	82 406	83 131
Depreciation and amortisation expenses	**1 506**	1 505	1 498	1 506
Intra-government transfers	**1 089**	1 182	1 188	960
Other expenses	**150**	150	—	—
Total expenses	**97 550**	**93 376**	**86 703**	**86 855**
Net cost of providing services	**77 298**	**71 911**	**67 082**	**50 198**
FTEs as at 30 June (No.)	**12.0**	12.0	12.0	10.8

Explanation of significant movements

Movements in sales of goods and services reflect the reclassification of land information products from fees, fines and penalties to sales of goods and services ($1.7 million). Volume adjustments related to property interest reports ($2 million) are reflected in the variance between the 2024-25 Budget and 2024-25 Estimated Result.

Movements in other income reflect the annual valuation in 2023-24 of the South Australian Integrated Land Information System (SAILIS).

Movements in supplies and services mainly reflect the Land Services SA contractual payment.

Program 6: Office of the Surveyor-General

Description/objective

The Surveyor-General is a statutory officer pursuant to the *Survey Act 1992* and is the primary government authority on cadastral (land boundary) surveying, the cadastre (land boundaries and land tenure), survey infrastructure, geographical place names and the opening and closing of public roads.

The Surveyor-General is also an ex-officio member of the Surveyors Board of South Australia, responsible for the licensing of surveyors, and is a member of the Electoral Districts Boundary Commission pursuant to the *Constitution Act 1934.*

The Office of the Surveyor-General assists the Surveyor-General in providing statutory support, advice and recommendations to the Minister for Planning pursuant to the *Geographical Names Act 1991*, *Roads (Opening and Closing) Act 1991* and *Adelaide Park Lands Act 2005.* The Office of the Surveyor-General also reports to the Surveyors Board of South Australia on compliance with instructions for land boundary surveying issued under the *Survey Act 1992* and supports local government authorities with urban and rural addressing.

Highlights 2024-25

- Led the Minister for Planning's Built Environment Education Taskforce to promote the surveying profession and other built environment professions to assist in addressing the sector's skills shortages.
- Delivered the Electoral Districts Boundary Commission Report for the redistribution of the state electorates.
- Progressed the suburb name change for a portion of Thebarton to Southwark.
- Administered full and partial road closures to facilitate urban and regional developments.
- Delivered the Surveyors Board of South Australia requirements to monitor compliance of survey instructions issued pursuant to the *Survey Act 1992* to ensure the integrity of land boundaries in South Australia.

Targets 2025-26

- Continue to monitor compliance with the *Survey Act 1992* and support the surveying profession with education and advice on complex land surveying matters.
- Continue to support the Built Environment Education Taskforce and Flinders University with the promotion of the surveying profession and new surveying degree to ensure a pipeline of students and graduates to sustain the industry into the future.
- Continue to provide fit-for-purpose surveying infrastructure to ensure land boundary surveys can be carried out with a high degree of accuracy, traceability and integrity.
- Continue to support the Minister for Planning undertaking the statutory functions of the *Geographical Names Act 1991* and *Roads (Opening and Closing) Act 1991.*
- Continue to provide support and advice to local government authorities for urban and rural addressing.

Program summary — income, expenses and FTEs

FTEs as at 30 June (No.)	**22.0**	22.0	—	—

Explanation of significant movements

The Office of the Surveyor-General (OSG) became a separate program during 2024-25. The 2023-24 Actuals and 2024-25 Budget for OSG are included in Program 3: Planning Services.

Program 7: Office for Design and Architecture South Australia

Description/objective

The Office for Design and Architecture South Australia (ODASA) provides independent and expert design advice to Cabinet, the State Planning Commission, the State Commission Assessment Panel, state agencies, local governments, and the private sector to support high-quality design. ODASA oversees the state's Design Review Program, supports strategic development and policy projects, and administers the *Adelaide Park Lands Act 2005, Architectural Practice Act 2009*, *Linear Parks Act 2006* and sections of the *Planning, Development and Infrastructure Act 2016* on behalf of the Minister for Planning.

Highlights 2024-25

- Specified green infrastructure commitments on major projects, which increase urban tree canopy and the implementation of water and biodiversity sensitive urban design strategies. This included the Majors Road on-off ramp, Main South Road Duplication — Stage 2 as part of the Fleurieu Connections project, Prospect Pocket Park, Marion Road and Sir Donald Bradman Drive Intersection Upgrade project, Grange Road Holbrooks Road and East Avenue Intersection Upgrade and Long Valley Road Upgrade.
- Supported DHUD with the preparation of draft integrated structure planning guidelines focusing on good urban design outcomes.
- Partnered with a number of councils to pilot the Local Design Review Scheme, including City of Adelaide, Town of Gawler and the Rural City of Murray Bridge.
- Provided final design advice to assist the Department for Infrastructure and Transport with the delivery, on behalf of DHUD, of Linear Coast Park Path Stage Two shared-use pathway between Grange and Tennyson.
- Completed the final draft of the Design Quality Handbook with the Department for Infrastructure and Transport to consolidate design quality and process requirements for social infrastructure projects into a single source for industry.
- Provided design advice to the State Commission Assessment Panel for 38 significant development projects and reviewed private and public sector developments in excess of $17.8 billion in value.

Targets 2025-26

- Partner with Renewal SA to support the delivery of high-quality urban infill and growth area projects, including Southwark, focusing on creating healthy, connected, well-serviced mixed-use communities that are resilient, energy efficient and support long term social and economic sustainability.
- Lead the development of the Northern Park Lands Master Plan.
- Establish sustainable greening opportunities to increase urban tree canopy in line with the Urban Greening Strategy for Metropolitan Adelaide and the Greater Adelaide Regional Plan 30 per cent target.
- Provide design advice to the Department for Infrastructure and Transport to support the delivery of government social infrastructure projects, including health, recreation and education initiatives.
- Provide design advice to the State Commission Assessment Panel in relation to significant private and public sector development applications.

Summary of major variations — controlled

Statement of comprehensive income — controlled

Explanation of significant movements

Variations to income are described at the appropriate program level.

Statement of financial position — controlled

Explanation of significant movements

All movements are consistent with those described under program summaries.

Statement of cash flows — controlled

Explanation of significant movements

All movements are consistent with those described under program summaries.

Summary of major variations — administered items

Statement of comprehensive income — administered items

Explanation of significant movements

The increase in income in the 2024-25 Estimated Result compared to the 2024-25 Budget is primarily due to additional fees and charges collected under the *Real Property Act 1886* ($42 million).

The increase in expenses in the 2024-25 Estimated Result compared to the 2024-25 Budget is primarily due to the payment of additional fees and charges collected under the *Real Property Act 1886* to the consolidated account ($42 million).

The decrease in grants and subsidy expense and increase in intra-government transfers expense from the 2023-24 Actual to the 2024-25 Budget and Estimated Result reflects the classification of payments from the Planning and Development Fund.

Statement of financial position — administered items

Explanation of significant movements

The increase in total assets in the 2024-25 Estimated Result compared to the 2024-25 Budget is primarily due to the revaluation of land held in the Planning and Development Fund.

Statement of cash flows — administered items

Explanation of significant movements

All movements are consistent with relevant transactions in the statement of comprehensive income and statement of financial position for administered items.

Additional information for administered items

Additional information on administered items is included in the following table.

Key agency outputs

- Commission and administer grant funding and service agreements to the not-for-profit sector to improve the lives of individuals, families and communities across South Australia.
- Administer concessions, rebates and other services which build financial resilience and participation.
- Provide screening services to enable people to work or volunteer whilst protecting children and vulnerable adults.
- Provide family preservation support services and early intervention initiatives that help keep children and families safe.
- Provide strategic direction and implement initiatives to advance equality and safety for women across South Australia.
- Provide statutory youth justice services, both custodial and community based, to support young people to make positive life choices and desist from offending behaviour.
- Advance the inclusion of people with a disability and support the operation of the National Disability Insurance Scheme (NDIS) in South Australia, including the provision of disability services under the scheme.
- Provide support to individuals and families who are experiencing or at risk of experiencing homelessness.
- Support South Australians to age well, safeguard rights, create age friendly communities, challenge ageism and respect diversity.

Investing expenditure summary

The 2025-26 investment program is $3.9 million.

Program 1: Women, Equality and Domestic, Family and Sexual Violence Prevention

Description/objective

The Women, Equality and Domestic, Family and Sexual Violence (DFSV) Prevention program supports the full, safe and equal participation of women in the social and economic life of the state. Priorities include leading and coordinating the state government's response to the Royal Commission into Domestic, Family and Sexual Violence, implementing strategies to address and prevent DFSV; striving for equality for women in all areas of the community; and increasing women's economic participation and leadership. The program provides cross government leadership on strategies and policy that promotes gender equality, strategic development and coordination of services that promote women's safety. It also provides funding and contract management of key initiatives including the Domestic and Family Violence Safety Alliance and those with a focus on domestic and family violence prevention and response. This program includes statewide information and referral services through the Women's Information Service (WIS).

Highlights 2024-25

- Introduced into Parliament the Criminal Law Consolidation (Coercive Control) Amendment Bill 2024 following extensive consultation.
- Hosted the Driving Women's Participation in South Australian Industries Forum to facilitate conversations between the state government and key sectors regarding women's participation in non-traditional and future industries.
- Worked with service providers to ensure that the South Australian allocation of the 500 new community sector workers initiative were recruited in a timely manner to support women experiencing domestic, family and sexual violence.
- Supported the establishment of Don't Become That Man, a new statewide early intervention program for men who are concerned about their controlling or violent behaviour.
- Supported the Gender Pay Gap Taskforce to deliver its final report and recommendations to the Government of South Australia.
- Led the response function on behalf of government for the Royal Commission into Domestic, Family and Sexual Violence in its investigations through the establishment of the Office for the Prevention of Domestic, Family and Sexual Violence.

Targets 2025-26

- Lead the development of the government response to the Royal Commission into Domestic, Family and Sexual Violence.
- Oversee the progress of the Criminal Law Consolidation (Coercive Control) Amendment Bill 2024.
- Work with industry to support economic growth by implementing initiatives to tackle gender segregation in the workforce and increase women's participation in traditionally male-dominated industries.
- Deliver initiatives to improve gender equity in South Australia, informed by the final report and recommendations of the Gender Pay Gap Taskforce.
- Deliver programs under the renewed National Partnership Agreement on Family, Domestic and Sexual Violence to commence on 1 July 2025.
- Support the expansion of service provision through the northern and southern domestic violence prevention and recovery hubs.
- Participate in the independent review of South Australia's homelessness system and support alignment between the review of the Domestic and Family Violence Safety Alliance and the response to the Royal Commission into Domestic, Family and Sexual Violence.

(a) Amounts may differ from the 2024-25 Agency Statements due to internal reforms and the realignment of corporate overheads across the agency.

(b) Actuals, budgets and FTEs include allocations from corporate overheads.

Explanation of significant movements

The increase in expenses in the 2025-26 Budget from the 2024-25 Estimated Result is primarily due to:

- expenditure to coordinate the response to the Royal Commission into Domestic, Family and Sexual Violence and implement the National Partnership Agreement on Family, Domestic and Sexual Violence ($1.5 million)
- expenditure to continue and expand operations of the northern and southern domestic violence prevention and recovery hubs ($1.0 million).

The increase in expenses in the 2024-25 Estimated Result from the 2023-24 Actual is primarily due to differences in the timing of expenditure relating to the National Partnership Agreement on Family, Domestic and Sexual Violence.

Activity indicators

	2025-26 Projection	2024-25 Estimated Result	2024-25 Projection	2023-24 Actual
No. of WIS client contacts	**32 000**	32 000	28 000	25 600
The 2024-25 Estimated Result reflects increased promotion and awareness of the Regional Safety Hubs.				

Program 2: Communities and Families

Description/objective

The Communities and Families program commissions, funds and delivers services that improve the lives of individuals and families across South Australia. The program fosters inclusion, participation, safety, wellbeing and resilience across the South Australian community, including through placed-based responses.

The program includes concessions and rebates which increase financial resilience; investing in the community through grants and funding; family preservation and support services to keep children safe in their families and communities and connected to culture; interpreting and translating services; employment related screening services and the regulation of restrictive practices in NDIS services. It also includes strategies to support young and ageing South Australians and increase volunteering.

The program actively partners and collaborates with Aboriginal people, communities and organisations, sharing decision-making and seeking to work in culturally appropriate ways.

Highlights 2024-25

- Implemented strategies to increase the proportion of services delivered by Aboriginal and Torres Strait Islander organisations, particularly community-controlled organisations, including greater innovation within procurement processes.
- Conducted targeted stakeholder consultation on proposed amendments to the *Carers Recognition Act 2005* and engaged with the Commonwealth Government to explore alignment between Commonwealth and state legislation.
- Launched a refreshed Volunteering Strategy for South Australia 2021-2027 and a three-year action plan, which align with the new National Strategy for Volunteering.
- Launched and commenced implementation of South Australia's new Youth Action Plan 2025-2028, which aims to promote fair and equitable access to opportunities, resources and support for young people.
- Launched the Spot the Harm Stop the Harm public health campaign to raise awareness of gambling harm and how to get help.
- Continued to chair the Safety and Wellbeing Taskforce comprising Commonwealth, state and local government agencies supporting Aboriginal people who move between remote, regional and metropolitan areas.
- Supported the establishment of the Port Augusta and Davenport Community Alliance Group whose members are working with government on the Commonwealth-state partnership focused on community safety and wellbeing.
- Undertook statewide consultation with a diverse range of older people and stakeholders in the development of a new state ageing plan, which will inform the priorities, actions and potential partnerships for the next ten-year plan.
- Supported passage of the Retirement Villages (Miscellaneous) Amendment Bill 2024 to deliver greater transparency and consumer rights.

Targets 2025-26

- Participate in a cross-sector pilot project to design and trial a technology enabled, place-based social prescribing model in the southern Adelaide region to reduce social isolation and loneliness.
- Integrate the new Community Transport SA program within the Community Connections system to enable a coordinated, systemised response to social isolation and loneliness.
- Deliver an Aboriginal scholarship program to increase the number of Aboriginal financial counsellors in South Australia.

- Deliver a financial mobile outreach service to support Anangu clients in the Adelaide and Port Adelaide areas.
- Develop a pilot self-referral pathway for Aboriginal families to improve earlier access to family preservation and support services.
- Establish a cultural governance framework for the Safety and Wellbeing Taskforce to ensure shared decision-making through community engagement and Aboriginal representation on the taskforce.
- Support the Port Augusta and Davenport Community Alliance Group to progress the implementation of the Port Augusta Community Safety and Wellbeing Plan, which aims to ensure a sustainable and culturally appropriate service response for the next three years.
- Finalise and launch the new state ageing plan.

FTEs as at 30 June (No.)[(b)]	**968.8**	1 013.7	989.9	940.3

(a) Amounts may differ from the 2024-25 Agency Statements due to internal reforms and the realignment of corporate overheads across the agency.

(b) Actuals, budgets and FTEs include allocations from corporate overheads.

Explanation of significant movements

The increase in expenses in the 2024-25 Estimated Result from the 2024-25 Budget is primarily due to:

- expenditure for a funding and grants administration system and the Screening Transformation Program from the digital investment fund ($3.0 million)
- expenditure to meet the increased volume of free volunteer screening checks ($1.6 million)
- additional support for the Port Augusta Safety and Wellbeing initiative funded by the National Indigenous Australians Agency ($1.2 million)

- additional support for people with a disability who are ineligible for the NDIS due their residency status ($1.2 million)
- expenditure for indexation supplementation for non-government organisations ($0.6 million)
- additional support for the upgrade of the Fregon Youth Shed from the Regional Anangu Services Aboriginal Corporation ($0.5 million).

The increase in expenses in the 2024-25 Budget from the 2023-24 Actual is primarily due to:

- support for the MarionLIFE inner south community hub in 2024-25 ($1.8 million)
- expenditure for the glasses and funeral concessions as part of the cost of living package ($1.0 million)
- additional support for remote visitors safety and wellbeing initiatives ($1.0 million).

Program 3: Youth Justice

Description/objective

The Youth Justice program is responsible for supervising children and young people on community-based youth justice mandates and in custody at Kurlana Tapa Youth Justice Centre.

Youth Justice contributes to community safety by supporting children and young people to desist from offending behaviour.

Highlights 2024-25

- Continued work on the development of an enhanced support model for the Kurlana Tapa Youth Justice Centre, which is underpinned by trauma informed practice principles and a positive behaviour support approach.
- Developed a draft youth justice practice framework to be finalised and published following stakeholder consultation.
- Finalised a review of the case management model with the University of Adelaide which recommended opportunities to integrate a more culturally safe and trauma-informed approach to assessment and case planning across youth justice services.
- Commenced work to upgrade the electronic security infrastructure at the Kurlana Tapa Youth Justice Centre to increase safety and security of young people and staff at Kurlana Tapa and the community.

Targets 2025-26

- Finalise and launch an enhanced support model of care at the Kurlana Tapa Youth Justice Centre to provide a framework for a specialised, person-centred intervention model that aims to increase wellbeing and reduce behaviours of concern.
- Implement and embed a new case management model to strengthen assessment and case planning within the youth justice system.
- Continue work to upgrade the electronic security infrastructure at the Kurlana Tapa Youth Justice Centre to increase the safety and security of young people and staff at Kurlana Tapa Youth Justice Centre and the community.

(a) Amounts may differ from the 2024-25 Agency Statements due to internal reforms and the realignment of corporate overheads across the agency.

(b) Actuals, budgets and FTEs include allocations from corporate overheads.

Explanation of significant movements

The increase in expenses in the 2024-25 Estimated Result from the 2024-25 Budget is primarily due to:

- the transfer of land at Jonal Drive, Cavan to the Department for Correctional Services for nil consideration in 2024-25 ($14.7 million)
- expenditure for the extension of youth home detention services ($0.6 million).

Performance indicators

Program 4: Disability

Description/objective

The Disability program supports the outcomes for people with disability both in the broader community, as well as those who receive services directly from the department. This includes national disability reform as well as the development and delivery of the State Disability Inclusion Plan and associated disability access and inclusion plans, the State Autism Strategy, and delivery of South Australia's actions under Australia's Disability Strategy 2021-2031 Targeted Actions. The department also delivers disability and aged care services, management of the equipment program and auspices the Community Visitor Scheme delivered through the Office of the Public Advocate.

Highlights 2024-25

- Continued to develop a new State Disability Inclusion Plan in consultation with people with disability, state government agencies and local councils for release in 2025-26.
- Undertook consultation with key stakeholders in the supported residential facilities sector, including proprietors, residents and local councils, to inform the next steps to develop new legislation and associated regulations.
- Worked with the Commonwealth Government and local councils for additional Changing Places facilities through Tranche One of the new Accessible Australia initiative.
- Released South Australia's initial response to the Royal Commission into Violence, Abuse, Neglect and Exploitation of People with Disability.
- Worked collaboratively with the Commonwealth Government and other state and territory jurisdictions to respond to the recommendations of the NDIS Review, which included the implementation of legislative measures and associated NDIS Rules.
- Continued to introduce reforms to DHS disability services to ensure it operates more effectively under the NDIS and other funding programs.
- Delivered South Australian actions under Australia's Disability Strategy Targeted Action Plans and confirmed 10 South Australian actions to support the three new Targeted Action Plans.

Targets 2025-26

- Launch a new State Disability Inclusion Plan and support state authorities in updating Disability Access and Inclusion Plans.
- Progress national disability reform with the Commonwealth Government and other state and territory jurisdictions.
- Work with the Commonwealth Government and local councils to deliver additional accessible infrastructure projects for South Australia in national parks, beaches and play spaces under the Accessible Australia initiative.
- Continue work on the regulatory and licencing arrangements for supported residential facilities to improve safeguards for residents and promote sector sustainability.
- Continue to reform DHS disability services by reviewing business processes and introducing systems to ensure it can operate more effectively under the NDIS and other funding programs.
- Support the delivery of South Australian actions under the Australia's three new Disability Strategy Targeted Action Plans.

Program summary — income, expenses and FTEs

FTEs as at 30 June (No.)[(b)]	**1 561.0**	1 568.0	1 563.0	1 539.3

(a) Amounts may differ from the 2024-25 Agency Statements due to internal reforms and the realignment of corporate overheads across the agency.

(b) Actuals, budgets and FTEs include allocations from corporate overheads.

Explanation of significant movements

The decrease in expenses in the 2025-26 Budget from the 2024-25 Estimated Result is primarily due to the ongoing alignment of DHS disability services with NDIS participant funding levels.

The decrease in the net cost of services in the 2024-25 Estimated Result from the 2023-24 Actual is primarily due to an increase in NDIS revenues associated with the conclusion of NDIS in-kind arrangements in September 2023.

Activity indicators

Program 5: Homelessness

Description/objective

The Homelessness program is responsible for strategic oversight and commissioning of the specialist homelessness sector. This program provides support to individuals and families who are experiencing or at risk of experiencing homelessness, management of homelessness information and data systems, and the extreme weather response.

Highlights 2024-25

- Strengthened engagement and relationships with the specialist homelessness sector through regular meetings, consultation forums and site visits.
- Commenced preparations for a review of the homelessness system to assess the commissioning models for services and provide recommendations to ensure services are agile, responsive, outcome-focused, culturally informed, and integrated across South Australia.
- Improved collaboration for the CBD homelessness hub with remote visitors outreach teams and specialist services.
- Extended household concession eligibility for shared accommodation, including boarding houses, targeted at those exiting homelessness.

Targets 2025-26

- Finalise the independent review of South Australia's homelessness system.
- Undertake a review of South Australia's extreme weather response to ensure it is place based and responsive to community needs.
- Implement the Homelessness Outcomes Framework which was developed collaboratively with the specialist homelessness sector and includes a change management process for service delivery, capturing of outcomes and impact-based partnerships.

Summary of major variations

Statement of comprehensive income — controlled

Explanation of significant movements

Variations to income and expenses are described at the appropriate program level.

Statement of financial position — controlled

Explanation of significant movements

No major variations.

Statement of cash flows — controlled

Explanation of significant movements

All movements are consistent with those described under program summaries.

Statement of comprehensive income — administered items

Explanation of significant movements

The increase in total income and total expenses between the 2025-26 Budget and the 2024-25 Estimated Result is primarily due to the recognition of the NDIS contributions as an administered item from 2025-26 ($916.1 million).

The increase in total expenses between the 2024-25 Estimated Result and the 2024-25 Budget is primarily due to the extension of the energy bill relief plan ($248.0 million).

Statement of financial position — administered items

No major variations.

Statement of cash flows — administered items

Explanation of significant movements

The movements in cash outflows and inflows are generally consistent with the changes discussed above under the statements of comprehensive income and statement of financial position.

Additional information for administered items

Additional information on administered items is included in the following table.

Objective

The Department for Infrastructure and Transport (DIT) is responsible for the design, delivery and maintenance of state infrastructure used to deliver essential and important services to the community; and for managing and developing transport networks and the service delivery that supports them within South Australia.

The department supports a growing economy and a thriving community by working on enabling the movement of people, goods and services across the state's transport networks in a safe, sustainable, efficient, cost-effective manner; and by leading and coordinating the development, management and sustainment of public sector building assets and infrastructure that support the delivery of government services.

Ministerial responsibilities

Minister	Programs		Sub-programs
The Hon. T Koutsantonis Minister for Infrastructure and Transport	1.	Public Transport Services	Nil
	2.	Roads and Marine	Nil
	3.	Delivery of Transport Projects	Nil
	4.	Provision and Management of Across Government Services	Nil
	5.	Infrastructure Planning and Policy	Nil
The Hon. SC Mullighan Minister for Police	6.	Road Safety	Nil
The Hon. ES Bourke Minister for Recreation, Sport and Racing	7.	Recreation, Sport and Racing	Nil

Administered items

In addition to the above responsibilities, the agency administers the following items on behalf of the ministers:

- Asbestos Program
- Commonwealth funded grant programs
- Community Road Safety Fund
- Compulsory Third Party Insurance
- Emergency Services Levy
- Expiation receipts
- Firearm receipts
- Flinders Ports — land tax equivalent
- Hospital Fund — contributions
- Lifetime Support Scheme receipts
- Registration and licensing collections and disbursements
- Service SA disbursements
- Special Act payment
- Stamp duty receipts.

Statutes

The Department of the Premier and Cabinet maintains a list of statutes applicable to ministers.

(a) Estimated completion refers to the financial year where the budget for the projects is closed.

(b) The total project cost includes operating expenditure.

(c) The total project cost includes the cost of remaining works to close out the project, reflecting the Commonwealth Government's 90-day infrastructure review.

Program 1: Public Transport Services

Description/objective

Provision and maintenance of safe, efficient and accessible public transport services in metropolitan Adelaide and assisting regional areas to deliver passenger transport services that meet the needs of their community.

Highlights 2024-25

- Resumed government operation of the train network.
- Completed Phase 2 of the Regional Bus Passenger Services Procurement.
- Completed the roll out of next generation smart validators that can read metroCARDs, credit/debit cards and digital QR tickets to the train network.
- Completed the conversion of 50 diesel railcars to hybrid railcars.
- Opened and commenced services on the Port Dock railway line.
- Introduced high frequency bus services between Mount Barker and the city, with 15 new hybrid buses.

Targets 2025-26

- Resume government operation of the tram network.
- Complete the Regional Public Transport Review which will include detailed analysis to better understand the movement of people within regional communities, including gaps in services and opportunities to improve efficiency and sustainability of services.
- Implement an improved Gawler line timetable.
- Introduce the first fleet of 60 battery electric buses into the network.
- Recruit additional compliance officers across the public transport network, increasing physical presence across bus, train and tram services and enhancing safety and security for passengers and transport workers.
- Provide cost of living relief by reducing the student metroCARD 28-day pass fare from $28.60 to $10.00.

Explanation of significant movements

The $40.0 million increase in income between the 2025-26 Budget and the 2024-25 Estimated Result is primarily due to higher concession revenue from other government agencies ($18.1 million) and higher revenue from the point to point transport service transaction levy as part of the Government's taxi reforms ($14.6 million) in 2025-26.

The $14.1 million increase in income between the 2024-25 Budget and the 2023-24 Actual is primarily due to increased revenue from the point to point transport service transaction levy ($10.6 million) and higher Metroticket revenue from increased passenger volumes ($3.5 million) in 2024-25.

The $18.2 million increase in expenses between the 2024-25 Estimated Result and the 2024-25 Budget is primarily due to additional costs associated with the return of train operations to government ($12.0 million) and higher bus contract payments due to increases in diesel fuel prices ($6.7 million).

The $34.3 million decrease in expenses between the 2024-25 Budget and the 2023-24 Actual is primarily due to higher bus and rail contract payments in 2023-24 due to increases in diesel fuel prices, electricity, indexation and service changes ($26.1 million), and higher rolling stock overhauls ($7.1 million) in 2023-24.

Metropolitan public passenger patronage:				
• Total service kilometres (million) *The 2024-25 Projection accounted for the impact of ongoing driver shortages associated with COVID-19. This impact was overstated, and the 2025-26 Projection has returned to the longer-term average.*	**54.0**	53.2	47.2	53.0
Passenger journeys in regional areas (million)	**0.97**	0.96	0.94	0.91

Program 2: Roads and Marine

Description/objective

Provision of safe, effective and efficient maintenance, operations and service delivery on roads and marine infrastructure that is in the care and control of the department, regulation of driver and vehicle access to the transport network and the delivery of services that support customer and community mobility.

Highlights 2024-25

- Delivered repair works to flood-damaged roads to improve resilience and connectivity for remote communities.
- Graded approximately 10 000 kilometres of unsealed roads across the outback road network.
- Completed 41 kilometres of resheeting on the Oodnadatta Track, improving safety and accessibility for road users.
- Resurfaced and rehabilitated approximately 66 lane kilometres to improve ride quality on inner urban roads and resealed and rehabilitated approximately 300 lane kilometres on rural roads.
- Implemented the motorcycle Rider Safe reforms, including a series of safety education and assessment components to improve road safety.
- Established a new U class licence and online course to drive an ultra high-powered vehicle.
- Completed refurbishment works on the Streaky Bay jetty to ensure the continued safe use of the jetty by the commercial fishing industry and recreational users.

Targets 2025-26

- Progress implementation of the driver training reforms that will see practical driving tests being delivered by government for the issue of C class (car) licences.
- Progress implementation of the Passenger Transport Act Review including the buyback of taxi licences through the Taxi Industry Reform Package.
- Resurface and rehabilitate approximately 40 lane kilometres to improve ride quality on inner urban roads and reseal and rehabilitate approximately 300 lane kilometres on rural roads.
- Grade approximately 10 000 kilometres of unsealed roads across the outback road network.
- Commence operation of a new Beachport boatyard straddle carrier and trailer to ensure the continued operations of the boatyard that sustains the commercial fishing industry in the south east.
- Commence new ferry operations at Cape Jervis and Penneshaw by Sealink to ensure continued and improved ferry connections to Kangaroo Island.

FTEs as at 30 June (No.)	**859.9**	859.9	869.1	868.1

Explanation of significant movements

The $66.0 million increase in income between the 2025-26 Budget and the 2024-25 Estimated Result is primarily due to higher *Motor Vehicles Act 1959* revenue ($52.1 million) and higher indentured ports dividend ($5.7 million) in 2025-26.

The $28.0 million decrease in income between the 2024-25 Budget and the 2023-24 Actual is primarily due to lower Commonwealth Government contributions for road maintenance programs ($17.1 million) and lower personalised plates and vehicle inspection revenue ($7.4 million) in 2024-25.

The $21.8 million decrease in expenses between the 2024-25 Budget and the 2023-24 Actual is primarily due to additional road maintenance works ($13.1 million) and additional marine assets works ($4.5 million) in 2023-24.

Performance indicators

	2025-26 Target	2024-25 Estimated Result	2024-25 Target	2023-24 Actual
Bridge health index *The health index of a structure reflects a bridge's overall condition relative to its original condition. The higher the number, the better its condition.*	**71**	71	75	72
Road pavement surface condition — percent of travel taken on roads with acceptable or better smoothness — a roughness level of less than 110 NRM *National Association of Australian State Road Authorities (NAASRA) roughness measure.*	**94%**	93%	92%	93%
% of customers with simple transactions served under 20 minutes *Saturday trading commenced in May 2023 and the data reflects a six-day working week. Total visit time excludes any wait the customer may have experienced prior to entering a Service SA centre.*	**>70%**	65%	>65%	61%
% of calls answered in <5 minutes *The 2024-25 Target reflects an increase in the complexity of enquiries as online services are increasingly used to resolve simple transactions.*	**55%**	50%	35%	44%

Activity indicators

	2025-26 Projection	2024-25 Estimated Result	2024-25 Projection	2023-24 Actual
Average travel speed on arterial roads in Adelaide	**34.2 km/h**	34.6 km/h	34.8km/h	35.0 km/h
% variability of travel speed — caused by traffic controls and conditions	**12%**	11%	12%	11%

Program 3: Delivery of Transport Projects

Description/objective

Provision of major infrastructure safely and efficiently to sustain and support growth and maximise the benefit of the government's investment in transport assets.

Highlights 2024-25

- Awarded the main construction works contract for the North-South Corridor — River Torrens to Darlington (T2D) project and continued with enabling works, land acquisition, demolition works and delivery of broader network upgrades to support the T2D project.
- Completed berthing and mooring works on Penneshaw and Cape Jervis ports enabling Sealink to complete its works for the introduction of new ferries.
- Commenced works on the Marion Road and Sir Donald Bradman Drive Intersection Upgrade and completed works on the Brighton Road and Edwards Street junction as part of the Brighton Road Intersection Improvements project.
- Completed works on the installation of a signalised intersection and pedestrian crossing at the John Rice Avenue and Haydown Road junction.
- Completed safety upgrades on Main Road, Cherry Gardens as part of the Adelaide Hills Productivity and Road Safety Package.
- Completed the Heysen Tunnel Refit and Safety Upgrade as part of the South Eastern Freeway Upgrade project.
- Continued major works on the Tram Grade Separation projects including level crossing removals on Marion Road, Cross Road and Morphett Road, and modifications to the South Road tram overpass.

Targets 2025-26

- Continue major construction works on the T2D project and prepare for the commencement of tunnelling works with the arrival of three tunnel boring machines.
- Complete major works on the Tram Grade Separation projects including level crossing removals on Marion Road, Cross Road and Morphett Road and modifications to the South Road tram overpass.
- Complete works on Majors Road on-off ramp, Main South Road Duplication — Stage 2 as part of the Fleurieu Connections project and Marion Road and Sir Donald Bradman Drive Intersection Upgrade.
- Commence works on the Mount Barker and Verdun interchange upgrades as part of the Princes Highway Corridor project and Mount Barker Roundabout Upgrade project.

Program summary — income, expenses and FTEs

	2025-26 Budget	2024-25 Estimated Result	2024-25 Budget	2023-24 Actual

Grants and subsidies	**—**	22 400	—	200
Borrowing costs	**—**	—	—	44
Other expenses	**491**	501	769	1 341
Total expenses	**95 147**	**197 791**	**59 177**	**53 485**
Net cost of providing services	**-1 401 269**	**-1 094 827**	**-704 951**	**-663 961**
FTEs as at 30 June (No.)	**396.9**	396.9	398.6	372.2

Explanation of significant movements

The $203.8 million increase in income between the 2025-26 Budget and the 2024-25 Estimated Result is primarily due to higher Commonwealth Government contributions towards the T2D project ($457.3 million) partially offset by lower Commonwealth Government contributions for major projects including the Freight Highway Upgrade Program, Princes Highway Corridor, Majors Road on-off ramp, and South Eastern Freeway Upgrade ($278.5 million) in 2025-26.

The $528.5 million increase in income between the 2024-25 Estimated Result and the 2024-25 Budget is primarily due to the transfer of resources and reimbursements of works associated with the Northern Water Project Delivery Office ($120.3 million) and the timing of Commonwealth Government contributions for major projects including the T2D project, Freight Highway Upgrade Program, Princes Highway Corridor, Roads of Strategic Importance Initiative — Eyre Peninsula Road Upgrades, Fleurieu Connections, Adelaide Hills Productivity and Road Safety Package, Targeted Investments to Improve National Supply Chain Resilience, Duplication of Joy Baluch AM Bridge and Majors Road on-off ramp ($406.7 million).

The $46.7 million increase in income between the 2024-25 Budget and the 2023-24 Actual is primarily due to higher Commonwealth Government contributions towards the T2D project ($123.9 million) partially offset by lower Commonwealth Government contributions for the Princes Highway Corridor ($85.5 million) in 2024-25.

The $102.6 million decrease in expenses between the 2025-26 Budget and the 2024-25 Estimated Result is primarily due to a decrease in expenditure associated with the Northern Water Project Delivery Office ($75.8 million) in 2025-26 and additional expenditure associated with the T2D project ($25.0 million) in 2024-25.

The $138.6 million increase in expenses between the 2024-25 Estimated Result and the 2024-25 Budget is primarily due to an increase in expenditure associated with the Northern Water Project Delivery Office ($120.3 million) and the T2D project ($25.0 million).

Program 4: Provision and Management of Across Government Services

Description/objective

Provision of services to government agencies for the construction and maintenance of buildings, and facilities management of property assets.

Highlights 2024-25

- Completed construction of the South Australian Sports Institute — New Facilities at Mile End.
- Completed construction of four new ambulance stations (Norwood, Woodville, Edwardstown and Golden Grove), rebuilt two ambulance stations (Mount Barker and Victor Harbor), upgraded two ambulance stations (Aldinga and Elizabeth) and refurbished the existing emergency department at Gawler.
- Completed the expansion at the Roma Mitchell Secondary College for the beginning of the 2025 school year.
- Continued development of critical health projects, including works at Modbury Hospital Health Precinct, Flinders Medical Centre Upgrade and Expansion, Noarlunga Hospital Inpatient Expansion and new Mount Barker Hospital.

Targets 2025-26

- Complete construction of the Adelaide Aquatic Centre.
- Complete construction works at Noarlunga Hospital, Modbury Hospital Health Precinct and the Northern Crisis Stabilisation Centre.
- Complete construction of regional health facilities with projects at Mount Gambier Hospital, Port Augusta Hospital, Whyalla Hospital, Port Pirie Hospital, Naracoorte Hospital, Southern Fleurieu Health Service and Kingscote Hospital.
- Complete projects delivering additional bed capacity including the provision of 20 additional general inpatient beds at the Lyell McEwin Hospital and 36 additional surgical and general inpatient beds at the Queen Elizabeth Hospital, and delivering an additional 21 chairs which will expand renal haemodialysis.
- Continue with the ongoing delivery of new ambulance stations at Marion, Two Wells and Whyalla and completion of various new, rebuilt and upgraded stations.
- Complete construction and open Port Augusta, The Heights, Tonsley and Mount Gambier Technical Colleges.
- Commence construction of the new northern suburbs high school and the new Mount Barker primary school and preschool for operation in 2028.
- Commence construction of the new Netball SA Stadium upgrade at Mile End.

Program summary — income, expenses and FTEs

FTEs as at 30 June (No.)	**291.0**	291.0	264.8	293.1

Explanation of significant movements

The $28.1 million decrease in income between the 2024-25 Budget and the 2023-24 Actual is primarily due to additional recoveries associated with commercial property accommodation project work and building management professional services provided ($15.3 million) and gains from the disposal of government-owned buildings and the termination of building lease contracts ($10.9 million) in 2023-24.

The $40.1 million decrease in expenses between the 2024-25 Budget and the 2023-24 Actual is primarily due to additional expenditure associated with government employee housing and commercial property leases ($10.4 million), building management professional services provided ($7.8 million) and commercial properties accommodation projects ($6.7 million) in 2023-24.

Performance indicators

Management cost per residential property per annum	**$1 780**	$1 730	$1 610	$1 780
Vacancy rate as a percentage of the total number of residential properties managed	**6.3%**	6.6%	6.3%	6.6%

Activity indicators

	2025-26 Projection	2024-25 Estimated Result	2024-25 Projection	2023-24 Actual
Value of building construction projects managed *Number of jobs and value will change due to the new Across Government Facilities Management Arrangements. Excludes individual projects >$300m in value.*	**$2 700m**	$2 757m	$1 870m	$2 586m
No. of government employee residential tenancies managed	**2 400**	2 300	2 700	2 460
No. of owned government employee residential properties	**1 170**	1 185	1 200	1 200
No. of leased government employee residential properties	**560**	530	600	540

Program 5: Infrastructure Planning and Policy

Description/objective

Establish strategic plans, standards and program management frameworks for network development to deliver positive community and economic benefits for South Australians.

Highlights 2024-25

- Completed the High Productivity Vehicle Network strategic business case.
- Delivered South Australia's Transport Strategy which outlines the 30-year vision for the state's transport system.
- Completed the Freight and Supply Chain Strategy which provides a vision for a commercial freight and supply chain network that is safe, productive and sustainable for the state.
- Completed the Northern Adelaide Transport Study to identify key improvements and opportunities associated with land use planning in the Northern Adelaide Growth Areas.
- Released the Forward Work Plan: Major Programs 2024—2027 to assist businesses, suppliers and contractors to contribute to the major projects that will transform South Australia's transport infrastructure.
- Commenced planning studies on metropolitan and regional rail extensions and the Riverland network flood resilience.

Targets 2025-26

- Continue planning studies on metropolitan and regional rail extensions and Riverland network flood resilience.
- Continue planning for key transport issues and opportunities aligned to land use planning through the development of transport studies.
- Complete a carbon management plan to minimise carbon emissions in infrastructure construction and operation of the public transport network.
- Complete the Public Transport Strategy.
- Complete the Mount Barker Mass Transit business case.
- Complete the business cases for zero emission passenger rail and metropolitan bus network.

Explanation of significant movements

The $27.2 million decrease in income between the 2025-26 Budget and the 2024-25 Estimated Result is primarily due to timing of Commonwealth Government contributions associated with the Port Bonython Hydrogen Hub ($24.0 million) in 2024-25.

The $29.7 million increase in income between the 2024-25 Budget and the 2023-24 Actual is primarily due to the timing of Commonwealth Government contributions associated with the Port Bonython Hydrogen Hub ($12.0 million) and contributions associated with the Community Infrastructure Grant Program ($9.5 million) in 2024-25.

The $38.6 million decrease in expenses between the 2025-26 Budget and the 2024-25 Estimated Result is primarily due to the timing of expenditure associated with the Port Bonython Hydrogen Hub ($16.0 million), Whyalla Airport Upgrade ($7.0 million) and Urban Growth Fund payments ($5.0 million) in 2024-25.

The $39.6 million increase in expenses between the 2024-25 Estimated Result and the 2024-25 Budget is primarily due to the timing of expenditure associated with the Whyalla Airport Upgrade ($18.5 million), Heavy Vehicle and Safety Productivity Program ($5.0 million) and Urban Growth Fund payments ($5.0 million).

Program 6: Road Safety

Description/objective

Provision of policy and investment advice, community information on road safety, and the provision of services for safe and sustainable road use and travel behaviour. This program also includes development and management of road safety infrastructure programs such as the Black Spot Program.

Highlights 2024-25

- Continued roll out of mobile phone detection cameras at metropolitan locations.
- Continued delivery of road safety infrastructure measures from the new Road Safety Program to improve the safety of the road network.
- Continued delivery of the Way2Go program, which promotes safer, greener and more active travel for primary school students and their communities.
- Released *South Australia's Road Safety Action Plan 2025—2027*, the Government of South Australia's rolling three-year plan to reduce lives lost and serious injuries.
- Completed South Australia's new Level Crossing Safety Strategy.
- Completed works on Main Road, Cherry Gardens and Strathalbyn Road between Mylor and Echunga as part of the Adelaide Hills Productivity and Road Safety Package.
- Progressed works across 13 locations as part of the Black Spot Program.

Targets 2025-26

- Continue the delivery of the Way2Go program, which promotes safer, greener, and more active travel for primary school students and their communities.
- Continue the roll out of reduced speed limits of 40 km/h at priority locations on arterial roads near schools.
- Continue delivery of regional road safety infrastructure works to improve the safety of the road network including safety barriers and audio tactile line marking.
- Continue the delivery of the new Road Safety Program.

Explanation of significant movements

The $45.4 million decrease in income between the 2025-26 Budget and the 2024-25 Estimated Result is primarily due to the timing of Commonwealth Government contributions for the new Road Safety Package ($15.9 million), the Black Spot Program ($14.6 million) and the Targeted Road Safety Works in 2025-26 ($12.0 million).

The $86.6 million increase in income between the 2024-25 Estimated Result and the 2024-25 Budget is primarily due to the revised accounting treatment of Community Road Safety Fund receipts ($90.3 million) and lower Commonwealth Government contributions for various road safety works ($2.9 million).

The $64.2 million increase in income between the 2024-25 Budget and the 2023-24 Actual is primarily due to additional Commonwealth Government funding for the new Road Safety Package ($64.0 million) in 2024-25.

The $136.1 million decrease in expenses between the 2025-26 Budget and the 2024-25 Estimated Result is primarily due to the revised accounting treatment of Community Road Safety Fund payments in 2025-26 (from controlled to administered items) ($139.2 million).

The $91.5 million increase in expenses between the 2024-25 Estimated Result and the 2024-25 Budget is primarily due to the revised accounting treatment of Community Road Safety Fund payments in 2024-25 (from controlled to administered items) ($90.3 million).

Performance indicators

	2025-26 Target	2024-25 Estimated Result	2024-25 Target	2023-24 Actual
No. of road fatalities *Number of fatalities on the South Australian road network in one year. The targets reflect the 2031 Road Safety Strategy target of fewer than 43 lives lost by 2031.*	**<69**	93	<74	100
No. of serious injuries *Number of serious injuries on the South Australian road network in one year. The targets reflect the 2031 Road Safety Strategy target of fewer than 474 serious injuries by 2031. 2023-24 Actual numbers are preliminary and subject to change.*	**<591**	809	<612	813

Activity indicators

	2025-26 Projection	2024-25 Estimated Result	2024-25 Projection	2023-24 Actual
No. of single vehicle run-off-road (SVROR) serious casualty crashes *Serious casualty crashes are the sum of fatal and serious injury crashes. SVROR refers to crashes where a vehicle has left the road out of control, hit a fixed object, or rolled over. 2023-24 Actual numbers are preliminary and subject to change. 2024-25 Projection is based on the expected number of serious casualty crashes given the previous 5-year trend.*	**326**	344	366	314
No. of intersection serious casualty crashes *2023-24 Actual numbers are preliminary and subject to change. 2025-26 Projection is based on the expected number of serious casualty crashes given the previous 5-year trend.*	**277**	277	298	286

Program 7: Recreation, Sport and Racing

Description/objective

Develop stronger, healthier, happier, more connected and safer communities through the provision of active sport and recreation strategic policy, programs, services, infrastructure and elite pathways.

Include South Australians in community life through sport and recreation activities.

Provision of strategic policy advice to the Minister on matters relating to the South Australian racing industry.

Highlights 2024-25

- Completed major infrastructure initiatives including the South Australian Sports Institute — New Facilities at Mile End.
- Commenced redevelopment of the Netball SA Stadium.
- Oversaw the Greyhound Racing Industry's reform through the commencement of the Greyhound Industry Reform Inspector.
- Continued to implement the Women in Sport Taskforce workplan.
- Achieved South Australia’s per capita representation in selections for Australia's 2024 Paris Olympic and Paralympic teams.
- Administered the Power of Her Infrastructure and Participation Grant Program.
- Expanded the Sports Vouchers program through doubling the number of vouchers available to each child and including music lessons.

Targets 2025-26

- Continue the redevelopment of the Netball SA Stadium.
- Continue to oversee the Greyhound Racing Industry's reform.
- Achieve South Australia’s per capita representation in selections for Australia's 2026 Glasgow Commonwealth Games team.
- Establish a South Australian Para-Sports Hub.
- Undertake a review of the boxing and martial arts legislation.
- Establish a high-performance partnership with the Adelaide Lightning in the re-launched Women’s National Basketball League.

FTEs as at 30 June (No.)	**80.7**	75.7	80.7	82.5

Explanation of significant movements

The $6.5 million decrease in income between the 2025-26 Budget and the 2024-25 Estimated Result is primarily due to:

- a decrease in Commonwealth Government revenue associated with the Netball Stadium Upgrade of $6 million over three years ($1.8 million in 2025-26 compared to $4.2 million in 2024-25)
- once-off gain on disposal of government land at Gepps Cross in 2024-25 ($1.6 million).

The $4.5 million decrease in expenses between the 2025-26 Budget and the 2024-25 Estimated Result is primarily due to once-off funding in 2024-25 for Sporting Facility Grants and to the South Australian National Football League to support the Youth Football Program.

The $1.9 million increase in income between the 2024-25 Estimated Result and the 2024-25 Budget is primarily due to:

- the carryover of Commonwealth Government revenue associated with the Netball Stadium Upgrade ($1.8 million)
- once-off gain on disposal of government land at Gepps Cross in 2024-25 ($1.4 million)

partially offset by:

- reclassification of UniSA contribution towards the South Australian Sports Institute — New Facilities project ($1.8 million).

The $9.2 million increase in expenses between the 2024-25 Estimated Result and the 2024-25 Budget is primarily due to:

- once-off funding for sporting facility grants, including the construction of new sporting facilities at Whyalla ($6.6 million)
- funding contribution to Port Adelaide Football Club for facility development at Alberton ($4.0 million in 2024-25, $17 million total over 4 years).

The $14.5 million increase in expenses between the 2024-25 Budget and the 2023-24 Actual is primarily due to:

- additional funding for the Sports Vouchers expansion in 2024-25 ($13.5 million)
- additional funding for the FIFA Women's World Cup Legacy Grant Program in 2024-25 ($4.2 million)

partially offset by:

- decrease in the Racing Industry Fund in 2024-25 ($3.7 million)
- once-off funding for sporting facility grants in 2023-24 ($1.9 million).

Summary of major variations

Statement of comprehensive income — controlled

Explanation of significant movements

In addition to the variances described under program summaries, the variances to the statement of comprehensive income include:

- a decrease in the PPE asset revaluation between the 2024-25 Budget and the 2023-24 Actual primarily due to a revaluation of road, structures, rail and bus track assets in 2023-24 ($1.3 billion)
- an increase in appropriation between the 2025-26 Budget and the 2024-25 Estimated Result primarily reflecting state funding for the T2D project ($1.1 billion).

Statement of financial position — controlled

Explanation of significant movements

In addition to the variances described under program summaries, the variances to the statement of financial position include:

- an increase in net assets between the 2025-26 Budget and the 2024-25 Estimated Result primarily due to an increase in non-current assets resulting from the capitalisation of major projects in 2025-26 ($2.5 billion)
- an increase in net assets between the 2024-25 Estimated Result and the 2024-25 Budget primarily due to an increase in non-current assets resulting from the capitalisation of major projects ($1.6 billion).

Statement of cash flows — controlled

Explanation of significant movements

All movements are consistent with those described under the program summaries.

Statement of comprehensive income — administered items

Explanation of significant movements

The $82.3 million decrease in income between the 2025-26 Budget and the 2024-25 Estimated Result is primarily due to the timing of Commonwealth Government contributions for the Growing Regions, Thriving Suburbs, Urban Precincts and Partnerships and Regional Precincts and Partnerships programs in 2024-25 ($103.2 million), partially offset by increases in fees and charges collected under *Motor Vehicles Act 1959* for Compulsory Third Party Insurance, Lifetime Support Scheme, refunds and Stamp Duties in 2025-26 ($21.8 million).

The $238.7 million increase in income between the 2024-25 Estimated Result and the 2024-25 Budget is primarily due to the transfer of the Community Road Safety Fund from controlled to administered items ($139.2 million) and the recognition of Commonwealth Government contributions associated with the Growing Regions, Thriving Suburbs, Urban Precincts and Partnerships, and Regional Precincts and Partnerships programs in 2024-25 ($103.2 million).

The $50.1 million decrease in income between the 2024-25 Budget and the 2023-24 Actual is primarily due to increases in fees and charges collected under the *Motor Vehicles Act 1959* for Stamp Duties in 2023-24 ($76.0 million).

The $36.8 million increase in expenses between the 2025-26 Budget and the 2024-25 Estimated Result is primarily due to increases in payments associated with the Thriving Suburbs and Urban Precincts and Partnerships programs ($26.7 million) and an increase in disbursements of Compulsory Third Party Insurance collected under the *Motor Vehicles Act 1959* in 2025-26 ($11.4 million).

The $179.1 million increase in expenses between the 2024-25 Estimated Result and the 2024-25 Budget is primarily due to the transfer of Community Road Safety Fund payments from controlled to administered items ($139.6 million) and payments associated with the Growing Regions Program ($23.1 million).

The $50.1 million decrease in expenses between the 2024-25 Budget and the 2023-24 Actual is primarily due to lower payments associated with Stamp Duties and the Lifetime Support Scheme collected under the *Motor Vehicles Act 1959* in 2024-25 ($97.9 million), partially offset by higher disbursements of Compulsory Third Party Insurance collected under the *Motor Vehicles Act 1959* in 2024-25 ($50.8 million).

Statement of financial position — administered items

Explanation of significant movements

The $58.7 million decrease in cash and cash equivalents between the 2025-26 Budget and the 2024-25 Estimated Result is primarily due to the timing of Commonwealth Government contributions and associated expenditure for the Thriving Suburbs, Urban Precincts and Partnerships, Growing Regions and Regional Precincts and Partnerships programs ($58.1 million).

The $61.5 million increase in cash and cash equivalents between the 2024-25 Estimated Result and the 2024-25 Budget is primarily due to an increase in Commonwealth Government contributions for Thriving Suburbs, Urban Precincts and Partnerships, Growing Regions and Regional Precincts and Partnerships programs ($59.5 million).

Statement of cash flows — administered items

Explanation of significant movements

The movements in the cash inflows and cash outflows are consistent with the variances outlined in the statement of comprehensive income.

Objective

The objective of South Australia Police (SAPOL) is to prevent crime, uphold the law, preserve the peace, assist the public in emergency situations, coordinate and manage responses to emergencies, regulate road use and prevent vehicle collisions.

Ministerial responsibilities

Minister	Programs		Sub-programs
The Hon. SC Mullighan Minister for Police	1.	Public Safety	Nil
	2.	Crime and Criminal Justice Services	Nil
	3.	Road Safety	Nil

Administered items

In addition to the above responsibilities, the agency administers the following items on behalf of the minister:

- Exhibit monies
- Firearms Safety Training Levy
- Public private partnership expenditure and revenue (related to Courts Administration Authority sites)
- Revenue from expiation notices
- Statutory officer salaries (Police Commissioner)
- SA Water Corporation — water rate concession for emergency services
- Unclaimed property
- Victims of Crime Levy.

Statutes

The Department of the Premier and Cabinet maintains a list of statutes applicable to ministers.

Total	**6 264.6**	**6 217.3**	**6 008.1**

(a) The 2025-26 Budget and 2024-25 Estimated Result reflect the established FTE caps.
(b) Data published by the Office of the Commissioner for Public Sector Employment.

Program net cost of services summary

	Net cost of services[(a)]			
	2025-26 Budget	2024-25 Estimated Result	2024-25 Budget	2023-24 Actual
	$000	$000	$000	$000
Program				
1. Public Safety	**447 925**	426 715	400 740	384 495
2. Crime and Criminal Justice Services	**579 502**	547 030	528 378	523 999
3. Road Safety	**188 613**	176 954	172 465	159 682
Total	**1 216 040**	**1 150 699**	**1 101 583**	**1 068 176**

(a) The net cost of services excludes intra-government transfers mainly from the Community Emergency Services Fund and the Community Road Safety Fund.

Key agency outputs

- Protecting life and property and reassuring the community by responding in emergencies, focusing on counter-terrorism, and responding to calls for general police assistance through visible and available policing services.
- Maximising police presence in local communities, community facilities and events, targeting anti-social behaviour and alcohol related offending.
- Preventing, detecting, investigating, and prosecuting criminal behaviour including supporting victims, and working with communities and other stakeholders on key issues such as family and domestic violence, illicit drugs and cybercrime.
- Identifying opportunities for legislative reform and educating the community to reduce criminal victimisation, in crime reduction partnerships with the government, media and business.
- Providing road safety services including enforcing road rules, regulating road use and educating the community on safe road user practices.
- Targeting dangerous and high risk driving behaviours across the state, with a focus on recidivist offenders, speed, drink or drug driving, wearing seat belts, distraction and vulnerable road users.

Investing expenditure summary

The 2025-26 investment program is $85.3 million.

	Estimated completion	Total project cost	2025-26 Budget	2024-25 Estimated Result	2024-25 Budget

Program 1: Public Safety

Description/objective

Provides visible and available police services, working in partnership with the community and other agencies, management and emergency response, and coordination across the state.

Highlights 2024-25

- Maintained community safety through the efficient and timely response to calls for police assistance.
- Received over 580 000 calls at the call centre from members of the public.

Targets 2025-26

- Continue to respond to community needs and the demand for police services.
- Continue search and rescue operations in times of community need.
- Continue to provide leadership and focus on protecting life and properties in emergencies, and work in partnership with other stakeholders.

FTEs as at June (No.)	**2 337.8**	2 322.9	2 275.5	2 210.8

Explanation of significant movements

The decrease in income in the 2024-25 Estimated Result compared to the 2023-24 Actual ($4.1 million) is primarily due to:

- joint state and Commonwealth Government funding received under the Indigenous Advancement Strategy in 2023-24
- lower National Crime Intelligence System portal funding in 2024-25
- lower police security revenue in 2024-25
- the recognition of assets in 2023-24

partially offset by:

- Commonwealth Government funding for the National Firearms Register in 2024-25.

The increase in expenses in the 2025-26 Budget compared to the 2024-25 Estimated Result ($20.1 million) is primarily due to higher expenditure for the following initiatives in 2025-26:

- enterprise agreement salary costs and indexation
- Multi-Purpose Load Bearing Vests expenditure
- Workforce Civilianisation
- 31st Conference of the Parties (COP31) early preparation

partially offset by:

- lower National Crime Intelligence System portal expenditure
- lower National Firearms Register expenditure
- once-off transfer of Thebarton land to the Department for Health and Wellbeing (DHW) for the new Women's and Children's Hospital (WCH) in 2024-25
- lower accelerated police recruitment expenditure.

The increase in expenses in the 2024-25 Estimated Result compared to the 2024-25 Budget ($27.2 million) is primarily due to:

- increased enterprise agreement salary costs and indexation
- movement in resource allocations between programs
- once-off transfer of Thebarton land to DHW for the new WCH
- accelerated police recruitment
- Thebarton Barracks relocation
- continuation of mainframe decommissioning program

partially offset by:

- lower National Firearms Register expenditure.

The increase in expenses in the 2024-25 Estimated Result compared to the 2023-24 Actual ($38.1 million) is primarily due to higher expenditure for the following initiatives in 2024-25:

- movement in resource allocations between programs
- enterprise agreement salary costs and indexation

- Sworn Police Security Officers for District Support Section
- Mobile Workforce Transformation Program
- once-off transfer of Thebarton land to DHW for the new WCH
- National Firearms Register

partially offset by:

- higher workers compensation expenditure that takes into account movement in accruals for future inflation and discount rates, changes in the average claim rate and number of claims in 2023-24
- reclassification of expenditure from investing to operating for software as a service arrangements in line with updated accounting treatment in 2023-24
- higher costs for digital risk and information security modernisation in 2023-24
- higher police security expenditure in 2023-24.

Performance indicators

	2025-26 Target	2024-25 Estimated Result	2024-25 Target	2023-24 Actual
% of call centre calls answered within 20 seconds	**≥80%**	86.0%	≥80%	84.0%
% of grade one taskings in the metropolitan area responded to within 15 minutes	**≥80%**	96.2%	≥80%	92.0%

Program 2: Crime and Criminal Justice Services

Description/objective

SAPOL's crime prevention and reduction and support of the criminal justice system contribute to the achievement of South Australia's strategic priorities. To prevent crime and reduce offending, SAPOL works in partnership with the community and other agencies.

Highlights 2024-25

- Continued emphasis on reducing crime against person and property.
- Continued partnership with the community through contacts with Crime Stoppers.
- Continued to provide diversionary options for juveniles as appropriate.
- Processed over 30 000 prisoners through police holding facilities.

Targets 2025-26

- Continue working in partnership with the community and other key stakeholders towards reducing the level of offences against the person and property.
- Continue to focus on reducing the impact of illicit drugs in the community.
- Continue to provide specialist investigation support to the State Coroner.
- Continue to focus on providing safe custodial facilities.

Explanation of significant movements

The decrease in income in the 2024-25 Estimated Result compared to the 2023-24 Actual ($3.0 million) is primarily due to:

- joint State and Commonwealth Government funding received under the Indigenous Advancement Strategy in 2023-24
- lower National Crime Intelligence System portal funding in 2024-25
- the recognition of assets in 2023-24

partially offset by:

- Commonwealth Government funding for the National Firearms Register in 2024-25.

The increase in expenses in the 2025-26 Budget compared to the 2024-25 Estimated Result ($31.9 million) is primarily due to higher expenditure for the following initiatives in 2025-26:

- enterprise agreement salary costs and indexation
- Multi-Purpose Load Bearing Vests expenditure
- Workforce Civilianisation
- COP31 early preparation

partially offset by:

- lower National Crime Intelligence System portal expenditure
- lower National Firearms Register expenditure
- once-off transfer of Thebarton land to DHW for the new WCH
- lower accelerated police recruitment expenditure.

The increase in expenses in the 2024-25 Estimated Result compared to the 2024-25 Budget ($18.9 million) is primarily due to:

- increased enterprise agreement salary costs and indexation
- once-off transfer of Thebarton land to DHW for the new WCH
- accelerated police recruitment
- Thebarton Barracks relocation
- continuation of mainframe decommissioning program

partially offset by:

- movement in resource allocations between programs
- lower National Firearms Register expenditure.

The increase in expenses in the 2024-25 Estimated Result compared to the 2023-24 Actual ($20.0 million) is primarily due to higher expenditure for the following initiatives in 2024-25:

- enterprise agreement salary costs and indexation
- Sworn Police Security Officers for District Support Section
- Mobile Workforce Transformation Program

- once-off transfer of Thebarton land to DHW for the new WCH
- National Firearms Register

partially offset by:

- movement in resource allocations between programs
- higher workers compensation expenditure that takes into account movement in accruals for future inflation and discount rates, changes in the average claim rate and number of claims in 2023-24
- reclassification of expenditure from investing to operating for software as a service arrangements in line with updated accounting treatment in 2023-24
- higher costs for digital risk and information security modernisation in 2023-24
- higher police security expenditure in 2023-24.

Activity indicators

	2025-26 Projection	2024-25 Estimated Result	2024-25 Projection	2023-24 Actual

No. of escapes from police holding facilities	**—**	—	—	1

Program 3: Road Safety

Description/objective

Policing for safer roads and road use across the state. SAPOL road safety services include the regulation of road use, education and vehicle collision prevention. Police work in partnership with the community and other agencies to achieve better road safety outcomes for all South Australians and those visiting the state.

Highlights 2024-25

- Continued emphasis on detecting dangerous and high risk driving behaviours.
- Continued detections of drink and drug driving.
- Conducted over 548 000 driver screening tests.
- Conducted 1200 road safety sessions to improve road safety and road user awareness.
- Continued emphasis on conducting corporate/state-wide traffic operations.

Targets 2025-26

- Continue to target dangerous driving behaviours such as speeding, distraction, drink and drug driving and recidivist offending.
- Continue to conduct road safety programs to educate the public on safe road use practices.
- Continue to work in partnership with the community and key stakeholders to reduce lives lost and serious injuries on South Australian roads.

Program summary — income, expenses and FTEs

FTEs as at June (No.)	**915.6**	901.5	867.8	852.8

Explanation of significant movements

The decrease in income in the 2024-25 Estimated Result compared to the 2023-24 Actual ($0.9 million) is primarily due to:

- lower National Crime Intelligence System portal funding in 2024-25
- the recognition of donated assets in 2023-24.

The increase in expenses in the 2025-26 Budget compared to the 2024-25 Estimated Result ($11.5 million) is primarily due to higher expenditure for the following initiatives in 2025-26:

- enterprise agreement salary costs and indexation
- road safety package including additional road safety cameras
- Mobile Automated Number Plate recognition
- Workforce Civilianisation
- COP31 early preparation

partially offset by:

- once-off transfer of Thebarton land to DHW for the new WCH
- lower accelerated police recruitment expenditure.

The increase in expenses in the 2024-25 Estimated Result compared to the 2024-25 Budget ($5.3 million) is primarily due to increased enterprise agreement salary costs and indexation.

The increase in expenses in the 2024-25 Estimated Result compared to the 2023-24 Actual ($16.4 million) is primarily due to higher expenditure for the following initiatives in 2024-25:

- enterprise agreement salary costs and indexation
- Mobile Workforce Transformation Program
- road safety package including additional road safety cameras

partially offset by:

- higher workers compensation expenditure that takes into account movement in accruals for future inflation and discount rates, changes in the average claim rate and number of claims in 2023-24.

Summary of major variations

Statement of comprehensive income — controlled

Explanation of significant movements

Variations to income and expenses are described at the appropriate program level.

Statement of financial position — controlled

Explanation of significant movements

The $70.4 million increase in total assets between the 2025-26 Budget and the 2024-25 Estimated Result is primarily due to:

- investing expenditure in 2025-26 as per investing expenditure summary ($85.3 million)
- a net increase in cash and cash equivalents in 2025-26 as per the statement of cash flows ($33.1 million)

partially offset by:

- depreciation and amortisation expense ($48.2 million).

The $88.5 million increase in net assets between the 2024-25 Estimated Result and the 2024-25 Budget is primarily due to:

- the recognition of the impact of 2023-24 actual closing balances on the 2024-25 Estimated Result ($124.5 million)
- an increase in investing expenditure in 2024-25 as per investing expenditure summary ($79.0 million)

partially offset by:

- cash alignment payments ($40.2 million)
- a reduction in cash balances associated with carryovers ($55.4 million)
- once-off transfer of Thebarton land to DHW for the new WCH ($15.0 million).

The $36.8 million increase in total assets between the 2024-25 Estimated Result and the 2023-24 Actual is primarily due to:

- investing expenditure in 2024-25 as per investing expenditure summary ($178.0 million)

partially offset by:

- a net decrease in cash and cash equivalents in 2024-25 as per the statement of cash flows ($66.0 million)
- depreciation and amortisation expense ($50.2 million)
- once-off transfer of Thebarton land to the DHW for the new WCH ($15.0 million)
- derecognition of right of use asset vehicle lease ($10.1 million).

Statement of cash flows — controlled

Explanation of significant movements

All movements are consistent with those described under program summaries and statement of financial position.

Statement of comprehensive income — administered items

The $31.2 million increase in income between the 2025-26 Budget and the 2024-25 Estimated Result is primarily due to:

- enhanced camera enforcement in 2025-26
- lower mobile phone detection camera revenues in 2024-25 associated with delays in commencing the project.

The $31.2 million increase in expenses between the 2025-26 Budget and the 2024-25 Estimated Result is primarily due to higher payments to the Consolidated Account associated with increased revenue collections expected in 2025-26.

The $35.2 million decrease in income between the 2024-25 Estimated Result and the 2024-25 Budget is primarily due to:

- lower mobile phone detection camera revenues associated with delays in commencing the project
- lower fruit fly expiations.

The $35.2 million decrease in expenses between the 2024-25 Estimated Result and the 2024-25 Budget is primarily due to lower payments to the Consolidated Account associated with decreased revenue collections expected in 2024-25.

The $16.5 million increase in income between the 2024-25 Estimated Result and the 2023-24 Actual is primarily due to:

- the continued implementation of road safety and mobile phone detection cameras in 2024-25
- lower speed detection trends experienced in 2023-24

partially offset by:

- reminder fees now being paid direct by the Fines Enforcement Recovery Unit (FERU) to the Consolidated Account rather than to SAPOL from 2024-25.

The $16.5 million increase in expenses between the 2024-25 Estimated Result and the 2023-24 Actual is primarily due to higher payments to the Consolidated Account associated with increased revenue collections expected in 2024-25.

Statement of financial position — administered items

Explanation of significant movements

No major variations.

Statement of cash flows — administered items

Explanation of significant movements

All movements are consistent with those described under the statement of comprehensive income.
