STATE BUDGET
2025-26

BUDGET PAPER 1: BUDGET OVERVIEW

A summary publication capturing all highlights from the 2025-26 Budget.

BUDGET PAPER 2: BUDGET SPEECH

A copy of the Treasurer's speech, delivered to Parliament.

BUDGET PAPER 3: BUDGET STATEMENT

A financial report presenting the state government's current and estimated future economic performance, fiscal strategy, budget priorities, expenditure, revenue, assets, liabilities, risks and government business.

BUDGET PAPER 4: AGENCY STATEMENTS | VOLUMES 1, 2, 3, 4

Various financial reports presenting the state government's current and estimated revenue, expenses and performance by agency.

BUDGET PAPER 5: BUDGET MEASURES STATEMENT

A financial report detailing the state government's expenditure, savings and revenue initiatives.

ACKNOWLEDGEMENT OF COUNTRY

We acknowledge Aboriginal people as the state's first peoples, nations and Traditional Owners of South Australian land and waters. We recognise that their unique cultural heritage, customs, spiritual beliefs and relationship with the land are of ongoing importance today, and we pay our respects to Elders past, present and emerging leaders of the future.

Introduction

The Budget Measures Statement describes the revenue and expenditure decisions in the 2025-26 Budget. It contains the following sections:

- Part 1: Revenue measures — reports 2025-26 Budget revenue measures
- Part 2: General government budget measures — reports 2025-26 Budget expenditure measures by agency. Budget measures are shown on a gross basis; that is, expenditure includes amounts funded by revenues received for the specific purpose. The revenue is then disclosed as a revenue offset
- Part 3: Public non-financial corporations budget measures — reports 2025-26 Budget expenditure measures being delivered through the public non-financial corporations sector.

Expenditures are recorded as negative (-) items, while revenues are recorded as positive (+) items.

Full time equivalents are an estimate of the change in employment levels on 30 June associated with a decision — increases are recorded as positive (+) numbers and decreases are recorded as negative (-) numbers.

Across Government

31st Conference of the Parties (COP31)

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	-1 070	-7 212	—	—	—

The Commonwealth Government has announced a bid to host the 31st Conference of the Parties (COP31) under the United Nations Framework Convention on Climate Change climate summit.

These annual meetings bring together world leaders to assess progress on climate change and negotiate solutions, particularly around adaptation to climate impacts.

This initiative provides $8.3 million over two years from 2024-25 to support South Australia's preparation for Adelaide to host COP31 in November 2026, should the Commonwealth Government be successful in its bid.

Business Growth Fund — powering business grants

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	-20 000	—	—	—

This initiative allocates $20.0 million for the Business Growth Fund, focusing on supporting eligible South Australian small and medium businesses and not-for-profit organisations to invest in energy efficient equipment or improvements to reduce and manage energy use and costs.

Businesses will be able to apply for a grant ranging from $2 500 to $75 000, subject to meeting eligibility requirements. Detailed guidelines are being developed, which will include a comprehensive list of eligible activities for which applicants will be able to receive funding.

This builds on the successful roll out of small business energy efficiency grants in 2024-25, which supported over 1000 small businesses and not-for-profit organisations. It is anticipated that applications will be opened in July 2025, with businesses able to register their interest in the meantime.

Digital investment fund

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	-3 000	-6 000	-6 000	-30 000
Investing payments	—	-2 000	-4 000	-4 000	-20 000

This initiative provides an additional $25.0 million over three years from 2025-26 and a further $50.0 million per annum ongoing from 2028-29 for the digital investment fund to fund new agency initiatives in cyber security and digital and service infrastructure initiatives.

The digital investment fund was established in the 2023-24 Budget to drive strategic and targeted investment in digital initiatives across the South Australian public sector, with the aim of improving value for money outcomes for government and providing opportunities for the digital industry sector through a commitment to a pipeline of digital projects.

This initiative, in conjunction with the funding provided for the new artificial intelligence (AI) program, brings the total value of the digital investment fund to $326.5 million.

Digital investment fund — artificial intelligence (AI) program

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	-4 600	-4 600	-4 600	-4 600
Investing payments	—	-2 400	-2 400	-2 400	-2 400
Full time equivalents	—	5	5	5	5

This initiative provides $28.0 million over four years to establish a specific artificial intelligence (AI) program within the government's digital investment fund to maximise on the benefits and promote growing the use of AI applications across the South Australian public sector.

Through targeted proof of value trials in priority areas such as health care and policing, this funding will provide support for broad applications across government and allow multiple use cases to be developed on trusted foundational technologies, with appropriate governance, and alignment to the investment principles of the digital investment fund.

The health sector is a priority for funding consideration, as global evidence shows that integrating AI in specific areas of healthcare can reduce costs and improve operational efficiency, allowing healthcare professionals to spend more time on clinical care.

Similarly, AI is becoming increasingly vital to modern policing, offering tools that enhance both efficiency and police safety. AI can be used to support real-time decision making to help allocate resources effectively, increase officer and public safety and reduce administrative burden on officers, freeing up time for more value-added work.

Other areas considered for priority funding may include allied health, social work, and legal and financial areas of the public sector.

Drought support package

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	-13 717	-25 869	-8 191	-5 201	-2 385
Full time equivalents	2	6	4	2	2

This budget provides additional drought support measures at a cost of $55.4 million over the five years to 2028-29. The package builds upon the $18.0 million in initial assistance announced by the state government in November 2024, taking the total drought assistance available to $73.4 million. The additional measures include:

- $17.3 million for future drought preparedness and resilience programs
- $13.0 million for grants to primary producers to implement infrastructure projects that assist in managing drought conditions, as part of the On-Farm Drought Infrastructure Rebate scheme
- $4.5 million for a subsidy on the cost of electronic identification tags for farmed sheep and goats, as part of stage 2 of the program
- $4.0 million for an additional contribution towards the freight costs of charitable organisations that are delivering donated fodder to primary producers
- $3.1 million for support towards the management of pests on rural properties, including deer, rabbits and kangaroos
- $2.5 million for essential, on-the-ground mental health resources and support for individuals and communities affected by the current drought

- $2.5 million towards the upgrades of standpipes in regional areas to support improved access to potable water for households not connected to mains water
- $2.0 million for the provision of active club grants up to $5 000 in regional areas for the upgrade of sporting and recreational facilities in drought affected sporting clubs and communities
- $2.0 million for rural business support relief grants of $1 500 to help cover essential costs such as council rates, utility bills, vehicle repairs and school costs
- $1.5 million for business support and counselling services to small businesses in drought affected towns and regions
- $1.0 million additional contribution to the Rural Financial Counselling Service to support drought affected primary producers
- $500 000 to make stock water available from Bundaleer and Bettaloo reservoirs
- $400 000 to develop and encourage new regional events in drought affected areas through the Regional Event Fund
- $250 000 additional contribution to the Connecting Communities Events Grants program
- $250 000 to provide financial support for country students affected by drought to attend camps and excursions.

The package will also provide eligible primary producers with a 12 month rebate of the Emergency Services Levy and motor vehicle registration fees for up to three commercial vehicles. Primary producers will need to be in receipt of the Commonwealth Farm Household Allowance to be eligible.

General Sir John Monash Foundation

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	-1 000	-1 000	-1 000	-1 000

This initiative provides $5.0 million over five years to the General Sir John Monash Foundation to join other states and territories funding postgraduate scholarships for talented locals to study overseas.

South Australian Business Chamber — growth accelerator program

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	-450	-450	-450	-450

This initiative provides $450 000 per annum over four years from 2025-26 to support the South Australian Business Chamber growth accelerator program. The Program will help high growth potential small and medium businesses in metropolitan and regional South Australia improve their business practices, management capabilities and networks through the provision of expert business advice and facilitated workshops.

Whyalla steelworks support package

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating revenue	200 400	217 800	—	—	—
Operating expenses	-405 250	-465 025	-91 350	-102 750	-40 000

The state government, in partnership with the Commonwealth Government, has announced a $2.4 billion joint package that seeks to secure the long-term future of the Whyalla steelworks and support the Whyalla community. The package:

- provides immediate on the ground support for the Whyalla community through an emergency response package that includes infrastructure upgrades (including upgrades to the Whyalla airport), creditor assistance payments, local business support grants and a jobs and skills hub (approximately $100 million)
- stabilises the steelworks, by funding its operations during administration, ensuring that workers and contractors will have ongoing work at the steelworks and will continue to be paid ($384 million)
- will invest in the steelworks' future by working with a new owner to invest in upgrades and infrastructure to ensure the steelworks' operations has a sustainable long-term future ($1.9 billion).

Emergency Response Package

Specific measures are set out in table 2.1.

Table 2.1: Emergency Response Package ($000s)

Stabilising the steelworks

The state government and the Commonwealth Government have previously announced $384 million to fund, on a 50:50 basis, the costs of operating the steelworks during the administration period.

The state is providing payment to the administrator directly and is being reimbursed by the Commonwealth Government for its contribution.

This is envisaged to fund the costs of administration for approximately the first six months.
In acknowledgement that the sale of the steelworks is expected to take longer than this, the 2025-26 Budget has also provisioned a further $384 million in 2025-26 for administration costs (and on the basis that the Commonwealth Government will agree to continue to contribute towards half of this cost).

Investing in the steelworks future

The 2025-26 Budget also provisions around $390 million over five years (to 2029-30) in state funding to partner with the Commonwealth Government and support a new owner of the steelworks to invest in the necessary infrastructure upgrades to modernise the steelworks and ensure its future sustainability.

The state government has also announced that it has deferred the implementation of its Hydrogen Jobs Plan due to the need to prioritise securing the steelworks' future, and that funds previously allocated to a new hydrogen production facility have been reallocated to support the above package.

Attorney-General's Department

Aboriginal Legal Rights Movement — additional funding

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	-600	-624	-650	-675

This initiative provides $600 000 per annum (indexed) from 2025-26 to the Aboriginal Legal Rights Movement to:

- continue the Aboriginal justice advocacy service which provides advice and advocacy on behalf of Aboriginal South Australians and their interactions with the justice sector
- continue and expand the Aboriginal visitors scheme to currently unserviced regional areas to provide support and assistance to Aboriginal people detained in police custody.

Consumer and Business Services — additional resources

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating revenue	—	—	—	2 381	2 414

Investing payments	—	-560	—	—	—
Full time equivalents	—	16	16	16	16

This initiative provides operating expenditure of $1.9 million in 2025-26, increasing to $2.3 million per annum (indexed) from 2026-27, and $560 000 investing expenditure in 2025-26, for Consumer and Business Services to address growing volumes of work relating to compliance and enforcement, births, deaths and marriages, and regulatory activities.

Funding for this initiative will be cost recovered from 2027-28.

Crown Solicitor's Office — additional resources

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	-250	-1 000	-1 020	-1 040	-1 061
Full time equivalents	7	7	7	7	7

This initiative provides $250 000 in 2024-25 increasing to $1.0 million per annum (indexed) from 2025-26 to the Crown Solicitor's Office to support its work associated with child protection matters.

Forensic Science SA — additional resources

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	-1 347	-1 367	-1 388	-1 409
Full time equivalents	—	10	10	10	10

This initiative provides $1.3 million per annum (indexed) from 2025-26 to address the increased complexity of forensic testing and interpretation, and increased demand for some forensic services.

Office of the Director of Public Prosecutions — additional resources

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	-2 434	-2 478	-2 355	-2 168
Full time equivalents	—	11	11	10	8

This initiative provides an additional $6.9 million over three years from 2025-26 and $2.2 million per annum (indexed) from 2028-29 to support the Office of the Director of Public Prosecutions (ODPP), including establishing a junior solicitor team and a pre-committal unit. Time limited funding of $337 000 over two years from 2025-26 is also provided to develop data models to streamline work in the criminal justice sector.

This initiative, together with funding provided in the 2024-25 Budget, takes total additional support for the ODPP to $3.5 million per annum (indexed) from 2028-29.

South Australian Civil and Administrative Tribunal — additional resources

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	-1 899	-1 929	-1 729	-1 756
Full time equivalents	—	6	6	4	4

This initiative provides $3.8 million over two years from 2025-26 and $1.7 million per annum (indexed) from 2027-28 to address increased guardianship and administration applications in the South Australian Civil and Administrative Tribunal.

The additional funding will improve the efficiency and timeliness of hearings and is expected to assist in the timely discharge of patients from hospital into residential care facilities. Funding includes two time limited FTEs in 2025-26 and 2026-27 to assist in managing complex applications, provide training and coaching, and develop operational improvements.

Finding Families and Additionally Approved Care programs

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	-2 304	-956	—	—
Full time equivalents	—	7	7	—	—

This initiative provides $3.3 million over two years from 2025-26 to continue the Finding Families and Additionally Approved Care programs. The Finding Families program is an extensive family scoping and mapping program that actively seeks relatives and kin of children and young people in residential care with the aim of transitioning them into long-term family-based care. The Additionally Approved Care program identifies current or recent kinship carers who are willing to provide emergency, short-term or respite care for children and young people unrelated to them. This assistance reduces the need to place children and young people in a residential care setting when short-term care is required.

Increase staffing of the Child Abuse Report Line

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	-1 019	-987	—	—
Full time equivalents	—	6	6	—	—

This initiative provides $2.0 million over two years from 2025-26 to increase staffing of the Child Abuse Report Line (CARL) to manage the continuing growth in notifications and reports of abuse and neglect. Resourcing requirements over the longer term will be re-assessed as part of the continuing review and implementation of service optimisation.

Out of Home Care — additional resources

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	-18 586	-61 408	-4 544	-554	—

This initiative provides $85.1 million over four years from 2024-25 to support children and young people in care. The department is continuing its review and implementation of service optimisation to ensure that services are being delivered effectively and efficiently. The department is actively committed to supporting family-based carers and continues to focus on increasing the number of children and young people being cared for in a family-based environment.

Correctional Services

Department for Correctional Services

Alternatives to Custody — Bail Accommodation and Support Program

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	-500	-500	-3 490	-3 577

This initiative provides $500 000 in 2024-25 and 2025-26, increasing to $3.5 million per annum (indexed) from 2027-28 to establish an additional 30 bed Bail Accommodation Support Program which will create a remand to bail pathway. This will provide participants with case management to transition to longer-term housing, increasing their likelihood of meeting their bail conditions, maintain links to services in the community, reduce recidivism and contribute to the Closing the Gap targets.

Expanding prison capacity

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	-246	-7 530	-11 320	-11 885	-12 480
Investing payments	—	-28 942	—	—	—

This initiative provides operating expenditure of $7.8 million over two years from 2024-25, increasing to $11.3 million per annum (indexed) from 2026-27 and investing expenditure of $28.9 million in 2025-26 to increase prison capacity by an additional 116 beds by undertaking expansions across various prison facilities in recognition of increased prisoner numbers.

Mount Gambier Prison immediate additional capacity

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	-598	-836	—	—	—

This initiative provides $1.4 million over two years from 2024-25 to set up and operate an additional 19 transition beds at Mount Gambier Prison to provide immediate additional prisoner capacity.

Parole Board — increased resourcing

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	-50	-200	-202	-204	-206

This initiative provides $50 000 in 2024-25 increasing to $200 000 per annum (indexed) from 2025-26 to the Parole Board to assist with an increase in hearings and the preparation of associated reports.

Prison security enhancements

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	-1 150	-1 179	-1 208	-1 238
Investing payments	—	-2 050	—	—	—

This initiative provides operating expenditure of $1.2 million per annum (indexed) from 2025-26 and $2.1 million investing expenditure in 2025-26 to implement security enhancements across South Australian prisons to reduce contraband entering prisons and increase the safety of staff, prisoners and the broader community.

Courts

Operating expenses	—	-3 337	-3 362	-3 388	-3 416
Full time equivalents	—	4	4	4	4

This initiative provides $3.3 million per annum (indexed) for four years from 2025-26 to extend and expand the programs and operations of the Defence Innovation Partnership (DIP). Since its establishment in 2017, the DIP has strengthened South Australia's defence research, development and innovation ecosystem through partnership with the Commonwealth Government via the Department of Defence's Defence Science and Technology Group (DSTG), the South Australian universities and defence industry.

DSTG and the South Australian universities will contribute $570 000 per annum towards the partnership.

Defence Teaming Centre — SA Defence Industry Sustainment Project

Budget implications ($000s)

Kindy Care trials

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating revenue	—	53	27	—	—
Operating expenses	—	-1 957	-1 008	—	—
Full time equivalents	—	13	—	—	—

This initiative provides $3.0 million over two years (up to December 2026) from 2025-26 for the continuation of preschool out of school hours care (Kindy Care) trials operating at up to 20 sites across South Australia.

This initiative is partially funded by sessional fees.

Materials and services charge reduction

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating revenue	—	-24 000	-24 000	-24 000	-24 000

This initiative provides $24.0 million per annum over four years to continue the $200 reduction to government school parents, caregivers and independent students for the materials and services charge applied per student by government schools. This measure provides annual support to government school families towards cost of living challenges.

This initiative extends the government's election commitment. Funded from existing education funding.

New Birth to Year 6 school in northern metropolitan Adelaide

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Investing payments	—	—	—	-6 000	-20 000

This initiative provides $70.0 million (including $44.0 million beyond 2028-29) to respond to demand for school enrolment places in northern metropolitan Adelaide by providing an additional 460 places (60 preschool and 400 primary school) through the construction of a new Birth to Year 6 school.

Sustaining school assets

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Investing payments	—	-10 000	-10 000	-10 000	-10 000

This initiative provides an additional $10.0 million per annum from 2025-26 to support additional sustainment works to improve the amenity of the government's existing school and preschool infrastructure.

The Embrace Collective — implementation plan

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	-340	-305	-425	-436

This initiative provides $1.5 million over four years to support the implementation of the full suite of Embrace programs across the state. Embrace programs aim to help children and young people build positive body image, develop resilience, reduce the risk of mental illness and eating disorders, and increase participation in sport and learning.

Administered items for the Department for Education

Accelerating 3-year-old preschool commissioning in long day care

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	-4 127	-10 153	-9 155	-4 312

This initiative provides $27.7 million over four years to accelerate the roll out of 3-year-old preschool in a long day care setting. This is in response to a higher level of interest from the sector than originally estimated in the 2024-25 Budget, following a competitive expression of interest process. This funding will provide over 2000 additional places from 2026 and bring forward the long day care roll out by 12 months.

Operating expenses	-11 068	—	—	—	—

This initiative provides $11.1 million in 2024-25 for the extension of aerial firefighting aircraft availability in line with bushfire risk as well as supporting the Country Fire Service with the cost of responding to significant fires, including an extended duration fire at Wilmington and a series of fires in the south-east of the state caused by a lightning event.

Bushfire hazard overlay code amendment implementation

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	-168	-412	-279	—	—
Full time equivalents	3	3	—	—	—

This initiative provides $859 000 over three years from 2024-25 for the Country Fire Service to address the implementation of bushfire hazard changes to the Planning and Design Code, by providing additional guidance material, engagement on assessment solutions and additional assessment capacity for the transition.

Funding from 2025-26 for this initiative is recovered through the Emergency Services Levy.

State bushfire risk mapping redevelopment

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	-152	-456	-865	-887
Investing payments	—	-200	-200	—	—

This initiative provides operating expenditure of $608 000 over two years from 2025-26, $865 000 per annum (indexed) from 2027-28 and investing expenditure of $400 000 over two years from 2025-26 to update bushfire risk mapping. This will provide organisations, individuals and government with improved data based on automated modelling of the likely bushfire impact on assets in the landscape. The updated risk mapping will improve coordination of local and state-level bushfire risk reduction activities and assessment of the most effective strategies for emergency management agencies.

Funding for this initiative is recovered through the Emergency Services Levy.

Structural firefighter training

Budget implications ($000s)

Investing payments	—	-1 014	-1 014	—	—
Full time equivalents	—	6	6	6	6

This initiative provides operating expenditure of $1.3 million in 2025-26, $857 000 per annum (indexed) from 2026-27, and investing expenditure of $2.0 million over two years from 2025-26 to improve training for Country Fire Service volunteers responding to structure fires.

Over the last decade, volunteer firefighters have responded to around 8000 structure fires in houses, sheds, and commercial or industrial facilities. Six additional trainers with supporting equipment will deliver enhanced training locally to volunteers along with upgrades to centrally located training facilities.

Funding for this initiative is recovered through the Emergency Services Levy.

This initiative provides operating expenditure of $309 000 per annum (indexed) and investing expenditure of $180 000 per annum (indexed) from 2025-26 for an ongoing replacement program for remotely piloted aircraft (drones). The State Emergency Service's remotely piloted aircraft capability is utilised in searches, rescues and other emergency incidents to provide reconnaissance, intelligence gathering and hazard assessment.

Funding for this initiative is recovered through the Emergency Services Levy.

Leigh Creek Coalfield — short-term management

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	-1 264	—	—	—
Investing payments	—	-500	—	—	—
Full time equivalents	—	1	—	—	—

This initiative provides $1.8 million in 2025-26 to continue to reduce public safety risk arising from the Leigh Creek Coalfield site through the management of legacy environmental challenges. This includes the preparation of a long-term management strategy for the site.

Port Pirie lead contamination

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	-354	-227	—	—	—
Full time equivalents	1	1	—	—	—

This initiative provides $354 000 in 2024-25 and $227 000 in 2025-26 to enable the department to continue to lead the government's implementation of measures to minimise lead exposure and increase lead aware behaviours in the Port Pirie community.

Remote Area Energy Supply — fuel costs

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	-1 620	—	—	—	—

This initiative provides $1.6 million in 2024-25 to support the Remote Area Energy Supply Scheme's operational budget due to a rise in the price of diesel fuel required to provide energy services to remote communities and townships serviced by the scheme.

Whyalla transformation, turbine divestment and hydrogen industry development

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	-8 826	-1 051	-1 077	-1 104
Full time equivalents	—	18	4	4	4

This initiative provides funding for a range of measures to enable the department to oversee the Whyalla steelworks industrial transformation and the divestment of hydrogen enabled gas turbines acquired as part of the now deferred Hydrogen Jobs Plan.

The initiative includes:

- $5.0 million in 2025-26 for the Whyalla steelworks industrial transformation including $4.0 million to establish the Whyalla Steelworks Industrial Transformation Unit to support the transition of the steelworks to a sustainable, modern steelmaking capability and $988 000 to enable the Steel Taskforce to continue in 2025-26
- $3.8 million in 2025-26 to oversee the divestment of the four hydrogen capable gas turbines to provide additional capacity into the South Australian energy market, improving energy reliability
- $1.0 million per annum (indexed) from 2026-27 to explore and facilitate new investment opportunities in the hydrogen sector.

Department for Environment and Water

Adelaide beaches replenishment

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	-14 010	—	—	—

This initiative provides $14.0 million in 2025-26 to enable the continued replenishment of sand at West Beach and other Adelaide coastal areas and to extend the implementation of the recommendations of the Adelaide Beach Management Review. Works will include the continuation of a mass replenishment program in 2025-26 which will be conducted via additional external sand being added to the system.

Commissioner for the River Murray

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	—	-552	-566	-582
Full time equivalents	—	—	1	1	1

This initiative provides $552 000 per annum (indexed) from 2026-27 to extend the appointment of a Commissioner for the River Murray in South Australia.

Since being appointed in August 2022, the Commissioner has played a leading role, both in South Australia and nationally, in focussing attention on the Murray-Darling Basin Plan delivery, including advocating for the health of the River Murray (including the Lower Lakes, Murray Mouth and Coorong), assisting with securing the delivery of the final 450 gigalitres of water recovery under the Basin Plan and improving the transparency of information regarding the management of the River Murray.

This initiative continues the government's election commitment to reassert the priority of the River Murray in South Australia.

Conservation Council of South Australia

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	—	-285	-292	-299

This initiative provides $285 000 per annum (indexed) from 2026-27 to continue grant funding to the Conservation Council of South Australia to ensure the community's voice is properly heard when policies affecting the environment are proposed. The council's core activities include facilitating consultation and engagement with the community and member groups on environmental issues including state policies and programs.

This initiative continues the government election commitment to increase grant funding to the Conservation Council of South Australia.

Enhanced Environmental Water Delivery supply measure — Stage 2

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating revenue	—	823	2 444	—	—
Operating expenses	-1 011	-1 067	-1 189	—	—

This initiative provides $3.3 million over three years from 2024-25 to modernise planning, forecasting, accounting, inter-valley coordination and delivery processes for environmental water across the Southern Connected Basin. This initiative is part of the Murray-Darling Basin Plan's sustainable diversion limits adjustment mechanism to ensure rivers and environment remain healthy.

This initiative is funded by the Commonwealth Government and will be delivered in conjunction with other Basin jurisdictions.

Great Artesian Basin Water Security Program

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating revenue	1 330	1 240	1 240	1 190	—
Operating expenses	-1 330	-1 240	-1 240	-1 190	—

This initiative provides $5.0 million over four years from 2024-25 to deliver the Great Artesian Basin Water Security Program (an extension to the Great Artesian Basin Sustainability initiative). This program will continue the capping of uncontrolled bores and piping open bore drains to reduce water loss and recover groundwater pressure. In addition to infrastructure works, this program also funds other natural resource programs as well as education and communication programs and studies to assist with new water management arrangements.

This initiative is funded by the Commonwealth Government.

Implementing water reform in the Murray-Darling Basin

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating revenue	1 683	1 683	1 400	844	—
Operating expenses	-1 683	-1 683	-1 400	-844	—

This initiative provides $5.6 million over four years from 2024-25 to support the continued delivery of water reforms associated with the Murray-Darling Basin Plan. Water reforms seek to further improve the health of the Basin and secure a future for its communities. This includes supporting the national interest of improving river and wetland health, enhancing irrigation productivity and providing water for critical human needs.

This initiative is funded by the Commonwealth Government.

Innamincka flood damage

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	-1 800	—	—	—

This initiative provides $1.8 million in 2025-26 to undertake remediation works within the Innamincka Regional Reserve following damage incurred as a result of ex-tropical Cyclone Kirrily. The initiative will deliver remediation works to reinstate access to Innamincka Regional Reserve campsites and visitor areas in the state's far north.

Murray-Darling Basin Telemetry Uplift program

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating revenue	500	1 499	1 866	—	—
Operating expenses	-500	-1 499	-1 866	—	—

This initiative provides $3.9 million over three years from 2024-25 to increase the coverage of metering telemetry, the process of automatically measuring and transmitting data from remote locations using sensors, across the Murray-Darling Basin. The data generated will improve compliance and oversight for the growing water market and provide regulators and water users with timely information to manage water and rivers.

This initiative is funded by the Commonwealth Government.

River Murray in South Australia Constraints Measure — Stage 2

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating revenue	400	20 867	49 827	—	—
Operating expenses	-4 196	-15 523	-12 416	—	—
Investing payments	-229	-26 582	-12 148	—	—
Full time equivalents	7	17	17	—	—

This initiative provides $71.1 million over three years from 2024-25 to enhance River Murray environmental flows by removing physical barriers and constraints along the river system.

Investment will include community co-design programs to assist stakeholders and communities to understand, adapt to and manage social, economic and environmental impacts and also consider water-quality risks of enhanced environmental flows. First Nations partners will be engaged and agreements developed to ensure appropriate project delivery occurs for on-ground works.

This initiative is funded by the Commonwealth Government and builds on other River Murray operating environment improvements.

South Australian Alternative Water Supply Efficiency Measures program

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating revenue	5 500	5 500	9 900	—	—
Operating expenses	-5 500	-5 500	-9 900	—	—
Full time equivalents	1	1	1	—	—

This initiative provides $20.9 million over three years from 2024-25 to support eligible South Australian local government authorities to invest in infrastructure that will substitute River Murray water used for open space irrigation and industrial uses in South Australia with stormwater, treated wastewater or other alternative water resources.

This initiative is funded by the Commonwealth Government.

Wetland Habitat project

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating revenue	2 959	10 351	3 690	—	—
Operating expenses	-780	-4 364	-4 056	—	—
Investing payments	—	-3 975	-3 825	—	—
Full time equivalents	1	1	1	—	—

This Commonwealth Government funded initiative provides $17.0 million over three years from 2024-25 to deliver a range of on-ground works to improve wetland habitat across the Coorong, Lower Lakes and Murray Mouth. Works will include the creation of infrastructure to manage and control water levels.

Wildlife carer sector reforms

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	-1 915	-1 958	-1 829	-1 865
Full time equivalents	—	6	9	9	8

This initiative provides $7.6 million over four years from 2025-26 to improve engagement with and support the volunteer wildlife rehabilitation sector, provide grants for veterinary support for injured wildlife (including the Adelaide Koala and Wildlife Centre) and improve the health of South Australia's biodiversity.

This proposal responds to recommendations from the Independent Review into South Australia's 2019-20 Bushfire Season (the Keelty review), the SA Wildlife and Habitat Bushfire Recovery Taskforce and Royal Commission into National Disaster Arrangements in relation to the management of wildlife in emergencies.

Administered Items for the Department for Environment and Water

Nilpena Station acquisition

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Investing payments	-3 987	—	—	—	—

This initiative provides $4.0 million in 2024-25 for the acquisition of the remainder of the Nilpena Station pastoral lease.

The acquisition will add 26 000 hectares to the Nilpena Ediacara National Park and will improve the biosecurity and protections of local habitats and ecological communities, while also improving the accessibility and connectivity throughout the National Park which is of significant heritage importance.

South Eastern Water Conservation and Drainage Board — critical safety interventions

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	-700	-453	—	—
Investing payments	—	-684	-175	-92	-276
Full time equivalents	—	2	—	—	—

This initiative provides $2.4 million over four years from 2025-26 to provide immediate guard railing repair works and investigate cost recovery options to address repairs and maintenance needs and improve infrastructure within the drainage network in the state's south-east. The network has approximately 2600 kilometres of drainage, bridges and causeways which require ongoing investment to ensure the local community, emergency services, agribusiness and tourism industries are sustained.

Green Industries SA

2025-26 Budget initiatives ($000s)

Operating revenue	18 816	1 184	—	—	—
Operating expenses	-14 000	-6 000	—	—	—

This initiative provides $20.0 million over two years from 2024-25 for an advanced soft plastics recycling technology project, to be implemented by Recycling Plastics Australia (RPA). RPA will expand its operations and upgrade its facility to improve the functionality of its sorting line and establish a cleaning and purifying hot washing plant.

Investment will significantly increase recycling and recovery rates of hard-to-recycle plastics, including soft plastics and establish end markets for recycled plastic content, supporting long-term job creation in South Australia's resource recovery sector.

This initiative is funded by the Commonwealth Government.

Bordertown Memorial Hospital — aged care infrastructure upgrades

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating revenue	—	250	1 625	2 125	—
Investing payments	—	-500	-3 250	-4 250	—

This initiative provides $8.0 million of investing expenditure over three years from 2025-26 to support aged care infrastructure upgrades at Charla Lodge Bordertown Memorial Hospital. A new purpose built 16 bed aged care wing will be constructed to replace existing infrastructure, improve amenity and increase access for dementia residents.

This initiative is funded in partnership with the Commonwealth Government.

Expanded scope of practice for pharmacists

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	-723	-741	-759	—
Full time equivalents	—	5	5	5	—

This initiative provides $2.2 million over three years from 2025-26 to support the implementation of the community pharmacy expanded scope of practice initiative which will enable South Australians to attend a local pharmacy for assessment and treatment of a range of conditions.

Mental Health Co-Responder Program

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	-445	-3 279	-3 330	-3 380	-3 433
Full time equivalents	2	17	17	17	17

This initiative provides $445 000 in 2024-25, increasing to $3.3 million (indexed) from 2025-26 to support the continuation of the Mental Health Co-Responder Program in northern and central metropolitan Adelaide and to expand the program to southern Adelaide. The program pairs a police officer with a mental health clinician to respond to mental health triple zero call outs and has been successful in providing better outcomes for people experiencing a mental health crisis.

New Mount Barker Hospital — additional funding

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Investing payments	—	-13 500	-18 900	-12 600	—

This initiative provides $45.0 million over three years from 2025-26 to support the delivery of the new Mount Barker Hospital. The funding is in addition to the $320.8 million committed for the new Mount Barker Hospital and will ensure the government's election commitment will be delivered.

The new Mount Barker Hospital will have a revised total project cost of $365.6 million.

Supporting older South Australians

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating revenue	10 180	10 440	11 260	11 010	—
Operating expenses	-9 680	-10 940	-11 260	-11 010	—
Full time equivalents	2	3	3	2	—

This initiative provides $42.9 million over four years from 2024-25 to support older people who are, or are at risk of becoming, long stay hospital patients. Initiatives include:

- Geriatric Outreach Service: $35.0 million over four years for multidisciplinary care teams to deliver specialist geriatric assessment, care planning and care to support patients to transition to, and prevent hospitalisation from residential aged care
- Patient Support Initiative: $7.9 million over four years to provide equipment grants, transition support payments and short-term care assistance to support the timely discharge of older patients with complex needs into residential aged care facilities and other settings.

This initiative is funded by the Commonwealth Government.

Sustainable and efficient health system

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	-476 426	-423 720	-370 813	-298 084	-106 712
Full time equivalents	502	502	502	502	502

This initiative provides $1.7 billion over the forward estimates to address the increasing levels of demand experienced across our public health system, and the higher cost of service delivery across local health networks.

Demand for public health services is estimated to grow by more than 4.5 per cent in 2024-25. This initiative recognises the additional funding required to address the significant uplift in activity in 2024-25.

The additional funding reduces over the forward estimates as SA Health progressively increases the efficiency of its services. The government is committed to delivering a quality, sustainable and efficient public hospital system.

Women's and Children's Hospital — aluminium composite panelling replacement

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Investing payments	-2 000	-5 800	-200	—	—

This initiative provides $8.0 million over three years from 2024-25 to remove and replace aluminium composite panels, and upgrade fire protection systems and fire indicator panels at the Women's and Children's Hospital — Gilbert Building.

Commission on Excellence and Innovation in Health

South Australia Comprehensive Cancer Network

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating revenue	15 000	15 000	15 000	32 000	—
Operating expenses	-3 574	-12 894	-12 322	-11 652	-9 398
Investing payments	—	-14 000	-13 160	—	—
Full time equivalents	13	63	60	54	40

This initiative provides $77.0 million over five years from 2024-25 to support the establishment of a statewide cancer network to maximise cancer prevention, early detection and transform delivery of cancer care. Key programs will establish a statewide clinical trial hub, integrate existing research into practice and generate new research to improve patient outcomes. This initiative will also deliver two new positron emission tomography (PET) scanners to the western and southern suburbs, as well as infrastructure and systems that support clinicians to make well informed and timely decisions. The investments will be designed with local leadership and experts who bring insights into innovation in technology to ensure enhanced equity of access and patient centred care.

This initiative is funded by the Commonwealth Government.

Housing and Urban Development

2025-26 Budget initiatives ($000s)

Continuous monitoring for worker screening checks — additional resources	—	1 973	2 016	2 061	2 100

Department of Human Services

Continuation of the child diversion program

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	-715	-733	-751	-770
Full time equivalents	—	3	3	3	3

This initiative provides $715 000 per annum (indexed) from 2025-26 to continue the child diversion program. The program diverts Aboriginal children aged between 10-14 years who have been charged with a minor offence away from a custodial environment with appropriate supports.

This program also provides short-term accommodation where no other suitable bail option has been identified. This allows for further family scoping to support the young person to be placed back with family or kin with a wrap around case management service.

Continuous monitoring for worker screening checks — additional resources

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating revenue	—	1 973	2 016	2 061	2 100
Operating expenses	—	-1 973	-2 016	-2 061	-2 100
Full time equivalents	—	6	6	6	6

This initiative provides $2.0 million per annum (indexed) from 2025-26 to ensure continuous monitoring notifications are assessed in a timely manner and risks to children and vulnerable adults are reduced.

Under continuous monitoring the screening unit reviews and potentially prohibits a clearance holder from working with children or vulnerable adults if they commit a criminal offence, are found responsible for harming a child, or are the subject of workplace misconduct.

To fund this initiative, worker screening fees will be increased to broadly align with similar fees interstate.

Screening fees for 2025-26 will be:

- Working with children and NDIS check – $140.00
- Aged/vulnerable/general employment check – $109.00
- Student – $71.00
- Volunteers – no fee

Disability access and inclusion

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	-933	-948	-966	-977
Full time equivalents	—	5	5	5	5

This initiative provides $933 000 per annum (indexed) from 2025-26 to continue national partnership work associated with National Disability Insurance Scheme reform and the findings of the Royal Commission into Violence, Abuse, Neglect and Exploitation of People with a Disability.

Domestic, family and sexual violence

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	-1 498	-1 997	—	—
Full time equivalents	—	13	13	—	—

This initiative provides $3.5 million over two years from 2025-26 to coordinate a whole of government response to the final recommendations of the Royal Commission into Domestic, Family and Sexual Violence and to enable implementation of the Family, Domestic and Sexual Violence Responses National Partnership Agreement.

The Royal Commission into Domestic, Family and Sexual Violence is scheduled to finalise its report in August 2025.

Northern and southern domestic violence hubs

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	-1 000	-1 025	—	—

This initiative provides $2.0 million over two years from 2025-26 to continue and expand the operation of northern and southern domestic violence prevention and recovery hubs to undertake work to support people experiencing domestic violence, empower women, and raise community awareness of domestic violence and related issues.

This will ensure continuation of services whilst the government considers its response to the recommendations of the Royal Commission into Domestic, Family and Sexual Violence which is scheduled to finalise its report in August 2025.

Remote visitors safety and wellbeing

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	-1 007	-1 081	-1 109	-1 136

This initiative provides $1.0 million per annum (indexed) from 2025-26 to continue return to country, community outreach, and safe transport services in Coober Pedy, Whyalla and Adelaide to support the safety and wellbeing of remote Aboriginal visitors.

Infrastructure and Transport

Department for Infrastructure and Transport

Additional public transport security

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	-1 283	-2 226	-2 259	-2 292
Investing payments	—	-1 500	—	—	—
Full time equivalents	—	14	23	23	23

This initiative provides $2.8 million in 2025-26 and $2.2 million per annum (indexed) ongoing from 2026-27 to improve safety and security on the bus network through a targeted program, including upgrades to CCTV systems at key interchanges and stations, SMART devices to improve bus driver safety, and increasing the number of transit compliance officers able to rapidly respond to incidents and provide a visible presence across the network.

Additional road safety maintenance

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Investing payments	—	—	—	-10 000	-10 000

This initiative provides $10.0 million per annum from 2027-28 to deliver additional road safety maintenance works for regional and metropolitan roads such as road resurfacing, and maintenance of electrical assets, including traffic signals.

This will take additional road safety maintenance funding provided in this and last year's budget to $30.0 million per annum from 2027-28.

This forms part of the government's road safety package.

Curtis Road level crossing removal

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating revenue	—	1 000	20 000	50 000	50 000
Investing payments	—	-2 000	-40 000	-100 000	-100 000

This initiative provides $250.0 million over five years from 2025-26 for the removal of the Curtis Road level crossing in Munno Para in northern Adelaide and will eliminate the need for road traffic to interact with the Gawler passenger rail line.

The project will improve safety and support the significant housing developments in the region, improving residents' access to employment, education and recreational services by eliminating road and rail network conflicts. The project will also improve travel times within the northern growth area of Adelaide.

This project is funded in partnership with the Commonwealth Government.

Heavy vehicle rest areas

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating revenue	—	2 125	—	—	—
Investing payments	—	-4 250	—	—	—

This initiative provides $4.3 million investing expenditure in 2025-26 to upgrade the existing heavy vehicle rest area at Arcoona and construct a new rest area at Pimba on the Stuart Highway, supporting heavy vehicle drivers in managing fatigue and improving road safety whilst commuting on South Australian roads.

This project is funded in partnership with the Commonwealth Government under the Safer Local Roads and Infrastructure Program.

This forms part of the government's road safety package.

High Productivity Vehicle Network — stage 1

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating revenue	—	2 400	10 400	44 800	83 200
Investing payments	—	-3 000	-13 000	-56 000	-104 000

This initiative provides $656.3 million from 2025-26 for stage 1 of the High Productivity Vehicle Network project which will deliver upgrades between the Swanport Bridge on the Princes Highway and Truro on the Sturt Highway.

The program will provide the necessary infrastructure to enable high productivity vehicles to bypass metropolitan Adelaide by improving the route resilience and increasing freight efficiency, enabling fewer trips and reducing carbon emissions, and improving safety for all road users.

This project is funded in partnership with the Commonwealth Government.

Main South Road safety upgrade — Myponga to Yankalilla

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating revenue	—	1 600	3 000	8 000	11 000
Investing payments	—	-3 200	-6 000	-16 000	-22 000

This initiative provides $80.0 million over five years from 2025-26 to deliver critical safety improvement works along Main South Road between Myponga and Yankalilla, including:

- two new overtaking lanes
- targeted curve easing and road widening
- widening narrow bridges and culverts.

This project is funded in partnership with the Commonwealth Government.

Mount Barker On Demand trial transition to permanent service

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	-1 013	-2 481	-2 145	-2 221	-2 300
Investing payments	—	-2 386	—	—	—

This initiative provides $1.0 million in 2024-25, increasing to $2.3 million per annum (indexed) from 2028-29 to transition the current Mount Barker on Demand (Keoride) trial service into a permanent Adelaide Metro service.

The initiative also provides $2.4 million in 2025-26 for the purchase of six new electric vehicle buses and $500 000 for associated infrastructure upgrades to the Mount Barker Depot to support electric vehicle charging.

Port Augusta wharf upgrade

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating revenue	—	9 900	2 100	—	—
Investing payments	—	-12 375	-2 625	—	—

This initiative provides $15.0 million over two years from 2025-26 to upgrade the Port Augusta wharf to allow public access and amenity for recreational purposes.

The upgrade will include new decking, girders, cross heads, cross bracing and new steel piles. Once refurbished, the wharf will be load-rated for pedestrians and light motor vehicles, improving accessibility and safety.

This project is funded in partnership with the Commonwealth Government.

Regional road safety infrastructure

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Investing payments	—	—	-2 500	-2 500	-2 500

This initiative provides an additional $2.5 million per annum from 2026-27 towards regional road safety infrastructure upgrades, taking the total program to $5.0 million per annum from 2026-27. Upgrades include audio tactile line marking, safety barriers and rural junction activated warning system signage.

This forms part of the government's road safety package.

Road safety targeted campaigns

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	—	-1 500	-1 500	-1 500

This initiative provides an additional $1.5 million per annum from 2026-27 for targeted road safety campaigns to help ensure people make safe choices as road users.

Measures will target priority cohorts, including older road users and children, as well as the wider community and have a broader focus than traditional dangerous road user campaigns.

This forms part of the government's road safety package.

Student 28-day pass fare reduction

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating revenue	—	-4 789	-5 032	-5 297	-5 572

This initiative provides $4.8 million in 2025-26, increasing to $5.6 million per annum from 2028-29 to permanently reduce the price of a metroCARD student 28-day pass. The price of the pass will reduce to $10 in 2025-26 (the student 28-day pass in 2024-25 is currently $28.60). This reduces the effective cost of getting to and from school to 25 cents per trip.

This will provide cost of living relief to families and encourage additional use of public transport.

Office for Recreation, Sport and Racing

State sports venue upgrades

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Investing payments	—	—	-7 500	—	—

This initiative provides $7.5 million in 2026-27 to replace the track at the Adelaide Super-Drome and to undertake minor works at the Parks Recreation and Sport Centre.

Police

South Australia Police

Additional police officers

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	-483	-10 343	-22 273	-36 704
Full time equivalents	—	6	60	130	213

This initiative provides $30.7 million over two years from 2026-27 and $35.7 million per annum (indexed) from 2028-29 for additional sworn police officers to support the demand for frontline policing, and time-limited funding of $3.4 million over four years from 2025-26 for a team of six FTEs to support the recruitment of the additional sworn officers.

Together with the expanded police motorcycle capacity initiative, this will increase sworn officer numbers by 243 FTE by 2028-29 (and a further 83 FTE outside of the forward estimates) to reach a target of 5000 sworn officers by 2030-31.

Continue accelerated police recruitment

Budget implications ($000s)

Operating expenses	—	-4 000	-4 000	-4 000	—

This initiative provides $4.0 million per annum over three years from 2025-26 to continue the accelerated recruitment program by increasing the number of courses delivered by the Police Academy, engaging in recruitment campaigns, and improving vocational pathways.

The initiative will accelerate recruitment and training to address existing vacancies and reach SAPOL's target of 5000 sworn officers by 2030-31.

Essential police infrastructure

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Investing payments	—	-7 500	-7 688	-7 880	-8 077

This initiative provides $7.5 million per annum (indexed) from 2025-26 to undertake additional sustainment works to improve the amenity of essential infrastructure and plant and equipment.

Expanded police motorcycle capacity

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	-264	-3 264	-6 006	-5 800
Investing payments	—	-1 218	—	-1 279	—
Full time equivalents	—	—	17	33	33

This initiative provides $9.5 million of operating expenditure over three years from 2025-26, $5.8 million per annum (indexed) from 2028-29 and investing expenditure of $2.5 million for an additional 33 sworn police officers to undertake motorcycle policing duties to improve road safety outcomes, respond to emergencies and other critical incidents.

This forms part of the government's road safety package.

Implementation of the *Child Sex Offender Registration (Child-Related Work) Amendment 2024*

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	-1 073	-904	—	—
Full time equivalents	—	7	7	—	—

This initiative provides additional funding of $2.0 million over two years to address exemption applications from the extension of the definition of "child-related work" to include work in a business or undertaking in which children are employed under the *Child Sex Offender Registration Act 2006*.

Registered child sex offenders will be prohibited from child related work unless they are granted an exemption from the Commissioner of Police.

Mobile automated number plate recognition

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating revenue	—	—	3 074	3 151	3 230
Operating expenses	—	-1 059	-1 991	-1 320	-1 371
Investing payments	—	-3 992	—	—	—

This initiative provides $3.1 million of operating expenditure over two years from 2025-26, $1.3 million of operating expenditure per annum (indexed) from 2027-28 and $4.0 million of investing expenditure in 2025-26 for the ongoing operation and fit out of up to 20 police vehicles with a mobile automated number plate recognition system, which will increase SAPOL's capabilities in road safety, traffic policing and other investigations.

The initiative is projected to increase expiation revenue by $3.1 million per annum (indexed) from 2026-27.

This forms part of the government's road safety package.

Pistol replacement

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	-226	-4 670	-996	-902
Full time equivalents	—	3	3	3	3

This initiative provides $6.8 million over four years to replace the current pistol used by SA Police officers which is no longer being manufactured. The funding will be used to procure and roll out the replacement pistol as well as conduct associated training.

Regional police security officers

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	—	-4 482	-10 407	-14 701
Full time equivalents	—	—	36	66	100

This initiative provides $4.5 million in 2026-27, increasing to $14.7 million per annum (indexed) in 2028-29 for the expansion of the successful Police Security Officer (PSO) model into regional areas to free up capacity of front-line police, providing an additional 98 PSOs and two sworn officers across regional South Australia by 2028-29.

Road safety package

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating revenue	—	—	1 658	53 362	51 048
Operating expenses	—	-245	-2 401	-7 477	-7 140
Investing payments	—	-11 866	-17 691	—	—
Full time equivalents	—	—	10	31	31

This initiative provides investing expenditure of $29.6 million over two years and operating expenditure of $17.3 million over four years from 2025-26 for the purchase, implementation and ongoing operation and maintenance of additional road safety cameras. This includes mobile phone detection cameras, red light speed cameras at high risk locations and a point-to-point camera to be located on the South Eastern Freeway.

Road safety cameras play a critical role in addressing high risk behaviours, particularly speed and inattention with increased use of mobile phones, through a visible presence and enforcement to change driver behaviour. Reductions in speed make a significant impact on the severity of crashes and this initiative will further reinforce SAPOL's ability to reduce the risk of causes of road trauma.

The initiative is projected to increase expiation revenue by $1.7 million in 2026-27, increasing to $51.0 million per annum (indexed) from 2028-29.

This forms part of the government's road safety package.

State Communications Centre building sustainment and security works

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Investing payments	-130	-4 753	-989	—	—

This initiative provides $5.9 million over three years from 2024-25 to support critical sustainment and security works for the operation of the State Communications Centre building.

Workforce civilianisation

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	-1 571	-2 674	-2 715	-2 757
Full time equivalents	—	20	20	20	20

This initiative provides $1.6 million in 2025-26 increasing to $2.7 million per annum (indexed) from 2026-27 to facilitate the redeployment of police officers into priority operational policing duties by civilianisation of various support roles in SAPOL.

Premier and Cabinet

Country Arts South Australia — regional arts centre upgrades	-1 046	-2 430	-410	—	—

Department of the Premier and Cabinet

Arts and cultural policy

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	-3 405	-3 395	-3 000	-3 200

This initiative provides $13.0 million over four years to deliver on the government's arts and cultural policy "A Place to Create". The funding will be used to enhance access to arts and cultural experiences for all South Australians, support artists and creatives, and ensure the sustainability of arts organisations and cultural institutions.

Business Events Adelaide

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	-2 600	-2 678	-2 758	-2 841

This initiative provides $2.6 million per annum (indexed) from 2025-26 to Business Events Adelaide to attract major and international business events, conventions, trade shows and conferences to South Australia. Business delegates spend significantly more per person than leisure visitors with business events worth more than $2.5 billion to South Australia.

Country Arts South Australia — regional arts centre upgrades

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Investing payments	-1 046	-2 430	-410	—	—

This initiative provides $3.9 million over three years from 2024-25 for essential upgrades to regional arts centres in Whyalla, Port Pirie, Mount Gambier and Renmark. This will include new roofing works, security upgrades, replacement of cinema projectors and public address systems and safety compliance works.

Los Angeles 2028 Olympic and Paralympic Team Appeal

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	-250	-250	-250	-250

This initiative provides a $1.0 million contribution over four years to the Olympic and Paralympic Team Appeal. The funding will provide invaluable assistance to South Australian athletes and para-athletes and ensure they have the best shot at success at Los Angeles 2028.

Multicultural Community Fund

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	-5 000	-5 000	-5 000	-5 000
Full time equivalents	—	1	1	1	1

This initiative provides $5.0 million per annum from 2025-26 to establish a Multicultural Community Fund.

The establishment of the Multicultural Community Fund will support our multicultural community in South Australia by developing and upgrading community infrastructure facilities and assisting to host festivals and events that celebrate cultural diversity.

Community facilities and multicultural festivals deliver valuable social and cultural outcomes, providing safe and welcoming spaces for community members of all ages and backgrounds to gather and interact, reducing social isolation and strengthening community connections and wellbeing.

South Australian autism assessment and diagnosis training support

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	-400	-410	-420	-430	-440
Full time equivalents	1	1	1	1	1

This initiative provides $400 000 per annum (indexed) to support the Office for Autism in helping to address the barriers to autism assessment and diagnosis.

Primary Industries and Regions

2025-26 Budget initiatives ($000s)

Department of Primary Industries and Regions

Fruit fly eradication response

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	-45 000	—	—	—
Full time equivalents	—	30	—	—	—

This initiative provides $45.0 million in 2025-26 to continue emergency fruit fly response activities following further outbreaks.

Investment to eradicate fruit fly from declared response areas is intended to assist in protecting South Australia's pest free status and provide market access continuity for the state's horticulture products.

National eradication commitments

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating revenue	3 120	1 516	—	—	—
Operating expenses	-7 194	-1 871	-237	-235	-244
Full time equivalents	19	—	—	—	—

This initiative provides $9.8 million over five years from 2024-25 for national eradication commitments for costs associated with the Tomato brown rugose fruit virus, High Pathogenicity Avian Influenza (HPAI) responses and Electric Ant Eradication Program.

This initiative includes contributions from other government parties and industry towards the Tomato brown rugose fruit virus response in South Australia.

Replacement coastal research vessel

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating revenue	—	6 000	13 000	—	—
Investing payments	—	-6 000	-13 000	-12 500	-12 850

This initiative provides $44.4 million over four years for the purchase of a replacement coastal research vessel. This is a strategic long-term investment that is critical to the future of marine science in South Australia. The new vessel will enhance sustainable fisheries and aquaculture management, support offshore renewable energy, lead coastal research, mitigate biosecurity and climate threats, and attract marine initiatives and business to South Australia.

This initiative is delivered in partnership with the Commonwealth Government.

Tomato brown rugose fruit virus

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	-2 000	—	—	—	—

The initiative provides $2.0 million in 2024-25 to support additional response activities to the outbreak of the Tomato brown rugose fruit virus in South Australia that are not included in the national eradication commitments. This includes expenditure for early response activities incurred prior to agreement on the national cost sharing arrangements and ongoing testing required to ensure market access.

Department of State Development

Advanced manufacturing and defence uplift

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	-1 668	-1 672	—	—
Full time equivalents	—	1	1	—	—

This initiative provides $3.3 million over two years from 2025-26 to assist South Australian businesses develop the requisite capability and capacity to enter global supply chains for nuclear-powered submarines and support Australian defence programs, including the SSN-AUKUS build program.

National Collaborative Research Infrastructure Strategy

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	-4 324	-9 135	-11 098	-5 468

This initiative provides $30.0 million over four years from 2025-26 to support step change upgrades to South Australian based National Collaborative Research Infrastructure (NCRIS) facilities to ensure South Australian researchers and industry continue to have access to the critical research and innovation infrastructure to remain globally competitive.

This is in addition to the $5.2 million investment into South Australian NCRIS facilities approved as part of the 2023-24 Budget. South Australian government investment in NCRIS facilities will leverage significant co-contributions through the Commonwealth Government NCRIS program and South Australian research institutions.

NCRIS facilities support multiple sectors including agriculture, food and wine, health and medical, defence and space, advanced manufacturing, environment and energy.

Small business strategy expansion

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	-1 630	-498	-511	-523
Full time equivalents	—	1	—	—	—

This initiative provides $3.2 million over four years from 2025-26 to expand the small business strategy. This initiative ensures continued support for small and family business owners to accelerate growth, profitability and access to new markets and increase their ability to adapt to current challenges through the small business profitability and growth program. In addition, funding is provided in 2025-26 to undertake a business to government portal feasibility study and business case development with the aim of streamlining red tape, licensing and payments.

Tauondi Aboriginal Community College — site remediation

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	-50	-1 585	-50	-50	-50
Investing payments	-878	-5 446	-1 768	-721	-252

This initiative provides $10.9 million over five years to undertake remediation and refurbishment works at Tauondi Aboriginal Community College, and provide suitable infrastructure to support its sustainability and growth.

Trade and investment — global trade and tariffs

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	-2 500	-2 500	—	—

This initiative provides $5.0 million over two years from 2025-26 to support South Australian industries and businesses impacted by the current global trade environment and tariffs. This initiative will deliver capability development programs, including market intelligence, targeted business missions and facilitate importer visits to South Australia to support exporters diversify and access new markets. The initiative will also provide case management services to businesses impacted by tariffs and market access barriers.

Treasury and Finance Administered Items

Administered Items for the Department of Treasury and Finance

Aboriginal community-controlled organisations — service transition fund

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	-1 000	-2 000	-2 000	—

Under the National Agreement on Closing the Gap, governments are committed to building strong and sustainable community-controlled organisations to deliver Aboriginal services and programs.

This initiative provides $5.0 million over three years for grants to Aboriginal community-controlled organisations to support development of governance, systems, infrastructure, workforce and/or additional capacity in preparation for the delivery of identified government services for Aboriginal people and communities.

The fund will be developed in partnership with the South Australian Aboriginal Community Controlled Organisation Network.

Support to South Australian dairy farmers

Budget implications ($000s)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	-3 000	—	—	—	—

This initiative provides up to $3.0 million in 2024-25 to support South Australian dairy farmers impacted by the collapse of Beston Global Food group.

Grants will be available to eligible dairy farmers listed as creditors in the Beston liquidation process, to enable them to invest in farm modifications, pay invoices or accounts or reduce working capital debt facilities.

The scheme will provide support for around 40 affected dairy farmers.

Part 3: Public non-financial corporations budget measures

Overview

This part reports 2025-26 Budget expenditure measures being delivered through the public non-financial corporations sector.

The values in these tables reflect the expenditures incurred in the public non-financial corporations sector in each year of the forward estimates. The grants and subsidies paid to government businesses to achieve all of the social and policy initiatives of the government, including the new measures in this part, are reflected in Chapter 5 of the Budget Statement, where relevant.

Renewal SA

Onkaparinga Heights

Budget implications ($000)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Investing payments	—	—	-3 083	-6 997	—

This initiative provides $10.1 million over the forward estimates and $30.5 million in total to 2031-32 to deliver the Onkaparinga Heights site to market. Renewal SA's contribution may be impacted should it select a development partner to deliver the development, and expenditure is expected to be offset over time by revenue from the sale of land.

This project forms part of the government's Housing Road Map and is expected to provide at least 2000 residential housing lots.

Playford Alive East

Budget implications ($000)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Investing payments	-11 203	-30 107	-36 443	-37 322	-38 227
Full time equivalents	—	6	6	6	6

This initiative provides $270.1 million over nine years from 2024-25 to deliver the Playford Alive East project which will provide more than 1300 new residential allotments, including a minimum of 30 per cent affordable housing, five allotments for commercial and/or apartment development and 12.5 per cent new public open space.

Renewal SA's expenditure is expected to be offset over time by revenue from the sale of land and residential dwellings.

Southwark Master Plan

Budget implications ($000)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Investing payments	-127	-46 950	-28 656	-28 264	-497
Full time equivalents	1	6	6	3	3

This initiative provides $104.7 million over six years from 2024-25 to deliver the Southwark Master Plan which will provide up to 1300 new dwellings including 20 per cent affordable housing and over 15 per cent new public open space to revitalise this key city fringe site that was formerly the location of the West End Brewery.

Renewal SA's expenditure is expected to be offset over time by revenue from the sale of land and residential dwellings.

South Australian Housing Trust

Housing Australia Future Fund Facility — Round 2

Budget implications ($000)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Investing payments	—	-1 983	-85 253	-47 909	—
Operating revenue	—	—	—	1 375	4 192

This initiative provides $135.1 million over three years for a range of projects supported by the Commonwealth Government's Housing Australia Future Fund Facility (HAFF) — Round 2. The projects will support delivery of South Australia's notional allocation for Round 2 which has a target of 5000 dwellings nationally.

This forms part of the Commonwealth Government's HAFF commitment to support the delivery of 20 000 social housing homes across Australia over a five-year period.

The state will fund the projects with a pull-forward of future construction project budgets, with the Commonwealth Government to provide availability payments subject to reaching contract close.

Remote Aboriginal housing operations

Budget implications ($000)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate
Operating expenses	—	-11 974	—	—	—
Full time equivalents	—	24	—	—	—

This initiative provides $12.0 million in 2025-26 to continue the delivery of property and tenancy management services for selected remote Aboriginal communities following the cessation of Commonwealth Government funding.

The government will continue to negotiate with the Commonwealth Government to secure ongoing funding for property and tenancy management services for housing in remote communities.

Rent-to-buy affordable housing initiative

Budget implications ($000)

	2024-25 Estimate	2025-26 Budget	2026-27 Estimate	2027-28 Estimate	2028-29 Estimate

A total of 100 properties under construction as part of the affordable housing initiative will be allocated to a rent-to-buy scheme for a period of up to three years, before progressing with the sale as affordable home purchase opportunities.

The properties will initially be rented out to eligible households at 75 per cent of market rent with renters pre-qualified and intending to purchase the property at the end of the lease.

At the conclusion of the lease terms, the properties will be sold through the HomeSeeker affordable home purchase scheme, with the existing tenant having first option to buy the home.
